There shall be a marine park, to be known as the Great Barrier Reef Marine Park, consisting of such areas in the Great Barrier Reef Region as are, for the time being, declared under section 31 to be parts of that Marine Park.

31 Areas part of Marine Park

(1) Subject to subsection (5), the Governor-General may, by Proclamation, declare an area specified in the Proclamation, being an area within the Great Barrier Reef Region, to be a part of the Marine Park and assign a name or other designation to that area.

Note: A Proclamation under subsection (1) is a legislative instrument but is not subject to disallowance or sunsetting (see regulations made for the purposes of subsections 44(2) and 54(2) of the Legislation Act 2003).

(2) Where an area is, for the time being, declared by Proclamation under subsection (1) to be a part of the Marine Park:

(4) Before the Governor-General makes a Proclamation causing an area in the Great Barrier Reef Region to cease to be part of the Marine Park, the Minister must be satisfied:
   (a) that the Proclamation, if made, would be in accordance with a resolution passed by each House of the Parliament on a motion; and
   (b) that notice of the motion was given no less than 15 sitting days of that House before the motion was moved.

   (i) protect the ecosystem within the Great Barrier Reef Region; and
   (ii) ensure the use is ecologically sustainable use; and
   (iii) manage competing usage demands; and
(b) to protect areas in the Marine Park that are of high conservation value; and
(c) to protect and conserve the biodiversity of the Marine Park, including ecosystems, habitats, populations and genes; and

(h) to preserve some areas of the Great Barrier Reef Region in a natural state, undisturbed except for the purposes of scientific research that cannot be undertaken elsewhere in the Marine Park.

(2) To achieve these objects, this Division provides for the preparation of zoning plans in respect of areas in the Marine Park.
32A When zoning plans must be prepared

As soon as practicable after an area has been declared under section 31 to be part of the Marine Park, the Authority must prepare a zoning plan in respect of the area.

(3) The Authority must give the principles to the Minister for his or her approval.

(4) The Minister must:
   (a) approve the principles; or
   (b) refer the principles to the Authority, together with the Minister’s suggestions, for further consideration.

Principles are not a legislative instrument

(11) The principles are not a legislative instrument.

35 Environmental, economic and social assessments

(1) Before preparing a zoning plan in respect of an area, the Authority
must, by writing, prepare a statement of the environmental,
economic and social values of the area.

(2) After preparing a zoning plan in respect of an area, the Authority
must, by writing, prepare a statement covering the expected
environmental, economic and social effects of the plan.

(3) The Authority must make a statement prepared under this section
publicly available.

(4) A statement prepared under this section is not a legislative
instrument.

zoning plans

(1) The Authority must, in preparing a zoning plan in respect of an
area (the zoning plan area), have regard to the following:
(a) the objects of this Division;
Section 35B

(b) the principles approved under section 34 relating to the preparation of the plan;

35D Zoning plans are legislative instruments

A zoning plan prepared by the Authority and accepted by the Minister is a legislative instrument made by the Minister on the day on which the plan is accepted, but section 42 (disallowance) of the Legislation Act 2003 does not apply to the plan.

Note: Part 4 of Chapter 3 (sunsetting) of the Legislation Act 2003 does not apply to the plan (see regulations made for the purposes of paragraph 54(2)(b) of that Act).
35DA Power of zoning plans

(1) A zoning plan may provide in relation to a matter by providing that the regulations, or any other legislative instrument, provide in relation to that matter.

(2) To avoid doubt, a reference to a zoning plan in this Part (except subsections 32B(2) and 35A(1)) does not include a reference to regulations, or another legislative instrument, covered by subsection (1) of this section.

35E Disallowance of zoning plans

(1) If notice of a motion to disallow a zoning plan is given in a House of the Parliament within 15 sitting days of that House after a copy of the plan was laid before that House, the House may, within 15 sitting days of that House after the giving of that notice, pass a resolution, in pursuance of the motion, disallowing the plan.

Note: A zoning plan is a legislative instrument (see section 35D) and must be laid before each House of the Parliament under section 38 of the Legislation Act 2003.

(2) If:

(a) notice of a motion to disallow a zoning plan is given in a House of the Parliament within 15 sitting days of that House after a copy of the plan was laid before that House; and

(b) before the end of 15 sitting days of that House after the giving of that notice of motion, the House of Representatives is dissolved or expires, or the Parliament is prorogued; and

(c) at the time of the dissolution, expiry or prorogation, as the case may be:

(i) the notice has not been withdrawn and the motion has not been called on; or

first-mentioned House after the dissolution, expiry or prorogation, as the case may be.

(3) If either House of the Parliament passes a resolution in accordance with subsection (1) disallowing a zoning plan:

(a) the Minister must direct the Authority to prepare a fresh plan; and

(b) the Authority must prepare a fresh plan in accordance with this Division.

35F Commencement of zoning plans

(1) If:

(a) a zoning plan has been laid before both Houses of the Parliament under section 38 of the Legislation Act 2003; and

(b) neither House of the Parliament passes a resolution in accordance with subsection 35E(1) disallowing the plan;

the Minister must, as soon as practicable after the end of the last day on which a resolution disallowing the plan could have been passed, state, by public notice, that the plan is to come into operation on the date specified in the notice (which must not be earlier than the date the notice is published in the Gazette).

(2) The plan comes into operation on the date specified in the notice.

(3) The notice:

(a) must specify an address or addresses at which copies of the plan may be inspected or purchased; and

(b) may contain:

(i) a description of the zone or zones to which the plan relates; and

(ii) any other particulars of the plan.

35G Statement about operational principles

Within 60 days after the day on which a notice under section 35F is published in the Gazette in relation to a zoning plan, the Authority must make publicly available a report that contains a statement of
how the Authority, in preparing the plan, had regard to the principles approved under section 34 relating to the preparation of the plan.

36 Authority etc. to comply with zoning plans

(1) While a zoning plan is in force in relation to a zone the Authority shall perform its functions and exercise its powers in relation to the zone in accordance with that plan and not otherwise.

(2) While a zoning plan is in force in relation to a zone, each Minister shall give all such directions and do all such things as can be given or done by him or her for ensuring that the Department administered by him or her and each authority of the Commonwealth in relation to which he or she has ministerial responsibilities performs the functions and exercises the powers that it has in relation to the zone in accordance with that plan.

37 Amendment or revocation of zoning plan—substantive changes

Amendment of zoning plan

(1) The Authority may amend a zoning plan (other than to correct typographical errors) in respect of an area only if:
   (a) the plan has been in operation for at least 7 years; or
   (b) if the plan has been previously amended under this section—the most recent of those amendments has been in operation for at least 7 years.

Note: Section 37A deals with the amendment of a zoning plan to correct typographical errors.

(2) The Authority must not publish a notice under section 32C in relation to a proposed amendment of a zoning plan in respect of an area unless the Minister has approved the publication of the notice. The Minister’s approval cannot be sought until after the end of the period applicable under subsection (1) of this section.

Note: Section 32C applies to this situation because of subsection (8) of this section.
Amendment is a legislative instrument

(2A) An amendment of a zoning plan, prepared by the Authority and accepted by the Minister, is a legislative instrument made by the Minister on the day on which the amendment is accepted, but section 42 (disallowance) of the Legislation Act 2003 does not apply to the amendment.

Note: Part 4 of Chapter 3 (sunsetting) of the Legislation Act 2003 does not apply to the amendment (see regulations made for the purposes of paragraph 54(2)(b) of that Act).

Revocation of zoning plan

(3) The Authority may:

(a) revoke a zoning plan (the existing plan) in respect of an area; and

(b) prepare a new zoning plan in respect of that area; only if:

(c) the existing plan has been in operation for at least 7 years; or

(d) if the existing plan has been amended under this section—the most recent of those amendments has been in operation for at least 7 years.

The revocation does not take effect until the new plan comes into operation.

(4) The Authority must not publish a notice under section 32C in relation to:

(a) the proposed revocation of a zoning plan in respect of an area; and

(b) a proposed new zoning plan in respect of that area; unless the Minister has approved the publication of the notice. The Minister’s approval cannot be sought until after the end of the period applicable under subsection (3) of this section.

Note: Section 32C applies to this situation because of subsection (8) of this section.
Revocation is a legislative instrument

(4A) A revocation of a zoning plan, prepared by the Authority and accepted by the Minister, is a legislative instrument made by the Minister on the day on which the revocation is accepted, but section 42 (disallowance) of the Legislation Act 2003 does not apply to the revocation.

Note: Part 4 of Chapter 3 (sunsetting) of the Legislation Act 2003 does not apply to the revocation (see regulations made for the purposes of paragraph 54(2)(b) of that Act).

Report

(5) The Authority must prepare a report setting out the reasons for the action it proposes to take under subsection (1) or (3). The report must refer to the relevant environmental, economic and social information on which those reasons were based.

Report to be publicly available

(6) The Authority must make the report publicly available.

Report is not a legislative instrument

(7) The report is not a legislative instrument.

Application of sections 32 to 35C and 35E to 35G

(8) Subject to subsection (9) of this section, sections 32 to 35C and 35E to 35G apply in relation to action referred to in subsection (1) or (3) of this section in the same way as they apply to a zoning plan required to be prepared in accordance with this Division.

Additional obligation for amendment or revocation of zoning plan

(9) The notice published under section 32C in relation to action referred to in subsection (1) or (3) of this section must also specify that a report prepared under subsection (5) of this section is publicly available and how a copy may be obtained.
37A Amendment of zoning plan—typographical errors

(1) The Authority may, with the Minister’s approval, amend a zoning plan in respect of an area to correct typographical errors.

(2) Subsections 35E(1) and (2) and section 35F apply in relation to the amendment in the same way as they apply to a zoning plan that has been accepted under section 35C.

(3) An amendment of a zoning plan, prepared by the Authority and approved by the Minister, is a legislative instrument made by the Minister on the day on which the amendment is approved, but section 42 (disallowance) of the Legislation Act 2003 does not apply to the amendment.

Note: Part 4 of Chapter 3 (sunsetting) of the Legislation Act 2003 does not apply to the amendment (see regulations made for the purposes of paragraph 54(2)(b) of that Act).
Division 3—Duty to prevent or minimise harm to environment in Marine Park

37AA Duty to prevent or minimise harm to environment in Marine Park

(1) A person who uses or enters the Marine Park must take all reasonable steps to prevent or minimise harm to the environment in the Marine Park that might or will be caused by the person’s use or entry.

Note: The Minister may accept an enforceable undertaking under section 61ABA, or make an enforceable direction under section 61ADA, in relation to a contravention of this duty.

(2) For the purposes of subsection (1), harm includes the following:

   (f) whether or not the person’s use or entry complies with the laws applying in the Marine Park in relation to the environment or natural resources;
(g) whether or not the person’s use or entry complies with any relevant code of practice, standard or guideline;

Division 4—Relationship with the Environment Protection and Biodiversity Conservation Act 1999

37AB Actions affected by the Environment Protection and Biodiversity Conservation Act 1999

(1) If:

(a) a proposal to take an action is referred to the Minister under Division 1 of Part 7 of the Environment Protection and Biodiversity Conservation Act 1999; and

(b) the action, or a component of the action, involves doing a thing that would be an offence against this Act if done without a permission under the regulations;

the referral is taken to be an application made in accordance with the regulations for that permission.

Note: A subsequent decision under the Environment Protection and Biodiversity Conservation Act 1999 that the action is not a controlled action does not affect an application that is taken to have been made because of subsection (1).

(2) The Authority, or an agency that has responsibility under a zoning plan for granting permissions, must not grant a person permission under the regulations to do a thing if:

(a) the thing is, or is part of, an action that is a controlled action for the purposes of the Environment Protection and Biodiversity Conservation Act 1999; and

(b) the Minister has not decided under Part 9 of the Environment Protection and Biodiversity Conservation Act 1999 to approve the taking of the action by the person for the purposes of each provision that is, for the purposes of that Act, a controlling provision for the action.

Part VB Plans of management

Section 39V

Part VB—Plans of management

39V Interpretation

A reference in this Act to a community group having a special interest in an area of the Marine Park includes a reference to the people in the group who have some form of native title to the area or its resources or have some other special identification with the area or its resources.

39W Preparation of plans of management

(1) The Authority may, in writing, prepare plans of management for the Marine Park in accordance with this Part.

(2) This Part does not prevent the Authority from preparing and implementing a plan of management for an area of the Marine Park under a provision of this Act other than this Part or under a provision of a zoning plan and this Part does not apply in relation to such a plan of management.

(3) Plans of management prepared in accordance with this Part may set out:

(a) policies and strategies in relation to management of the matters referred to in section 39X; and

(b) enforcement provisions (see subsection 39ZD(5)).

39X Types of plans of management

The Authority may prepare plans of management for the following:

(a) one or more areas of the Marine Park;

(b) one or more species within the Marine Park or within an area or areas of the Marine Park;

(c) one or more ecological communities within the Marine Park or within an area or areas of the Marine Park.
39Y Objects of plans of management

The objects of plans of management are as follows:

(a) to ensure, for particular areas of the Marine Park in which the Authority considers that nature conservation values, cultural and heritage values, or scientific values, are, or may be, threatened, that appropriate proposals are developed to reduce or eliminate the threats;

(b) to ensure management for the recovery and continued protection and conservation of species and ecological communities that are, or may become:
   (i) extinct; or
   (ii) extinct in the wild; or
   (iii) critically endangered; or
   (iv) endangered; or
   (v) vulnerable; or
   (vi) conservation dependent;

(c) to ensure that activities within areas of the Marine Park are managed on the basis of ecologically sustainable use;

(d) to provide a basis for managing the uses of a particular area of the Marine Park that may conflict with other uses of the area or with the values of the area;

(e) to provide for the management of areas of the Marine Park in conjunction with community groups in circumstances where those groups have a special interest in the areas concerned;

(f) to enable people using the Marine Park to participate in a range of recreational activities.

39ZA Arrangements with community groups that have special interests in areas of the Marine Park

(1) The Authority may enter into an agreement or arrangement for the purposes of this Part with a group of people who are representative of a community group that has a special interest in an area of the Marine Park.
Part VB  Plans of management

Section 39ZB

(2) The agreement or arrangement may relate to the development and/or the implementation of a plan of management for, or for a species or ecological community within, the area concerned and may, if the Authority considers it appropriate, provide that, if such a plan of management is prepared, the community group is to manage the area, or the species or ecological community within the area, jointly with the Authority in accordance with the plan.

39ZB Notice of proposal to prepare plan of management

(1) Before preparing a plan of management, the Authority must, by public notice:
   (a) state that it proposes to prepare the plan; and
   (b) set out the area, species or ecological community to which the plan is to relate; and
   (c) invite the public to make comments in relation to matters to be included in the plan by the date specified in the notice (which must be at least 1 month after the date the notice is published in the Gazette); and
   (d) specify the address to which comments must be sent.

(2) The Authority must take into account any comments made in accordance with the notice.

(4) After the publication of the notice, the Authority may decide that the proposed plan of management is to cover an area, species or ecological community not mentioned in the notice but, if it does so, it is not required to give a further public notice in relation to the proposed plan.

39ZC Moratorium on grant of new permits while plan of management is being prepared

(1) The Authority may, in a public notice given under subsection 39ZB(1) in relation to a proposed plan of management, or in a separate public notice, direct that no relevant permissions (within the meaning of the regulations) of a kind referred to in the notice containing the direction are to be granted under the
regulations in relation to the area, species or ecological community to which the proposed plan is to relate during the period beginning on the date of publication in the Gazette of the notice containing the direction and ending:

(a) at the end of 12 months after that date; or
(b) on the day on which the plan of management comes into force;
whichever first occurs.

(2) A direction given under subsection (1) has effect according to its terms.

**39ZD Preparation of plan of management**

(1) After taking into account all comments made to it in accordance with section 39ZB, the Authority may prepare the plan of management.

(1A) The Authority must, in preparing the plan of management, have regard to the following:

(a) any key threatening process that is relevant to the area, species or ecological community to which the plan relates;
(b) any critical habitat that is in the area, or that is relevant to the species or ecological community, to which the plan relates;
(c) if the plan relates to a listed threatened species or a listed threatened ecological community—any approved conservation advice, recovery plan, threat abatement plan or wildlife conservation plan that is relevant to the species or ecological community;
(d) any plan made under the Marine Parks Act 2004 of Queensland or the Nature Conservation Act 1992 of Queensland that is relevant to the area, species or ecological community to which the plan relates.

(2) The plan of management must not be inconsistent with any of the following:

(a) a provision of this Act;
Part VB  Plans of management

Section 39ZD

(b) a provision of a zoning plan in force for the area, or in force for an area relevant to the species or ecological community, to which the plan of management relates;

(c) if the plan of management relates to a listed threatened species or a listed threatened ecological community—a recovery plan or threat abatement plan that is relevant to the species or ecological community.

(3) Without limiting the generality of subsection (2), a reference in that subsection to a plan of management being inconsistent with a provision of a zoning plan includes a reference to a plan of management permitting the doing of anything that is prohibited by the provision.

(4) A plan of management is taken not to be inconsistent with a zoning plan merely because it prohibits the doing of something that is not prohibited by the zoning plan.

(5) If the plan of management contains provisions (the enforcement provisions) prohibiting or regulating the doing of something, or requiring the doing of something, those provisions are to be included in a separate part of the plan.

(6) The enforcement provisions may prohibit the doing of an act even though the doing of the act would, apart from the enforcement provisions, be permitted or authorised by or under this Act.

(7) The enforcement provisions may exclude from their operation acts or omissions of a kind that were lawfully engaged in before the enforcement provisions come into force.

(8) The things the enforcement provisions may do include, but are not limited to, prohibiting or regulating:

(a) entry into an area, or a part of an area, to which the plan relates; or

(b) the use (generally), or a particular use, of an area, or a part of an area, to which the plan relates.
39ZE Notice of preparation of plan of management

(1) When the Authority has prepared a plan of management, the Authority must cause public notice to be given:
   (a) stating the plan has been prepared; and
   (b) setting out the area, species or ecological community to which the plan relates; and
   (c) invite the public to make comments in connection with the plan by the date specified in the notice (which must be at least 1 month after the date the notice is published in the Gazette); and
   (d) stating:
      (i) an address from which copies of the plan may be obtained; and
      (ii) an address to which comments must be sent.

(3) The Authority must take into account any comments made in accordance with the notice and:
   (a) if it thinks fit, alter the plan of management accordingly; or
   (b) otherwise, confirm the plan of management.

(4) The Authority must cause public notice to be given:
   (a) if it has altered the plan of management as mentioned in paragraph (3)(a):
      (i) stating that the plan of management has been altered; and
      (ii) stating an address at which copies of the plan of management as altered may be inspected or from which copies of the plan of management as altered may be obtained; or
   (b) otherwise, stating that the plan of management has been confirmed.

39ZF Plans of management are legislative instruments

A plan of management made under subsection 39ZE(3) is a legislative instrument.
Part VB Plans of management

39ZFA Power of plans of management

(1) A plan of management may provide in relation to a matter by providing that the regulations, or any other legislative instrument, provide in relation to that matter.

39ZG Amendment of plan of management

(1) The Authority may, in writing, prepare an amendment of a plan of management for the Marine Park in accordance with this section.

(2) Sections 39ZD and 39ZE apply in relation to the preparation of an amendment of a plan of management in the same way as they apply in relation to the preparation of a plan of management.

(3) For the purposes of those sections as so applying:
   (a) section 39ZD has effect as if the words “After taking into account all comments made to it in accordance with section 39ZB”, were omitted; and
   (b) references in those sections to a plan of management are taken to be references to an amendment of a plan of management.

(4) An amendment of a plan of management made in accordance with this section is a legislative instrument.

Note: An amendment of a plan of management is not subject to sunsetting (see regulations made for the purposes of subsection 54(2) of the Legislation Act 2003).

(1) The Authority may, by legislative instrument, revoke a plan of management.

   Note: A revocation of a plan of management is not subject to sunsetting (see regulations made for the purposes of subsection 54(2) of the Legislation Act 2003).

(4) A plan of management containing enforcement provisions is of no effect at any time when there are no regulations in force providing for giving effect to the provisions.

(4A) Subsection (4) does not prevent the amendment or revocation of a plan of management while it is of no effect because of that subsection.

(5) A reference in this section to a plan of management is, if the plan of management has been amended, a reference to the plan of management as amended.

(2) Despite subsection (1), the CEO must not sub-delegate under that subsection a power or function under Part VAA (Offences and penalties) or Part VIII (Enforcement) of this Act or under Part 17 (Enforcement) of the Environment Protection and Biodiversity Conservation Act 1999 unless the member of staff:
   (a) is an SES employee or an acting SES employee; or
   (b) holds, or is acting in, an Executive Level 1 or 2, or equivalent, position.

(3) Sections 34AA, 34AB and 34A of the Acts Interpretation Act 1901 apply to a sub-delegation under subsection (1) in the same way as they apply to a delegation.

(3A) In exercising powers or performing functions under a delegation, the delegate must comply with any directions of the CEO.

(4) In exercising powers or performing functions under a sub-delegation, the sub-delegate must comply with any directions of the CEO.

(5) If the CEO is subject to a direction in relation to the exercise of a power or the performance of a function sub-delegated under this section, the CEO must give a corresponding direction to the sub-delegate.
Section 48A

48A Arrangements for certain delegations

**Arrangements with Agency Heads**

(1) The Authority may enter into an arrangement with an Agency Head (within the meaning of the *Public Service Act 1999*) in relation to officers or employees of the Agency Head’s Agency (within the meaning of the *Public Service Act 1999*) for the purposes of allowing powers or functions to be delegated or sub-delegated under section 47 to the officers or employees.

Note: An arrangement must be in force before a power or function can be delegated to an officer or employee, except for employees of the Department and the Authority (see paragraphs 47(1)(b) and (c)).

**Arrangements with corporate Commonwealth entities**

(2) The Authority may enter into an arrangement with a corporate Commonwealth entity in relation to officials of the entity for the purposes of allowing powers or functions to be delegated or sub-delegated under section 47 to the officials.

Note: An arrangement must be in force before a power or function can be delegated to an official (see paragraph 47(1)(d)).

**Arrangements with Queensland**

(3) The Minister may enter into an arrangement with an appropriate Minister of Queensland in relation to officers or employees of Queensland or of an authority of Queensland (including a local government body) for the purposes of allowing powers or functions to be delegated or sub-delegated under section 47 to the officers or employees.

Note: An arrangement must be in force before a power or function can be delegated to an officer or employee (see paragraph 47(1)(e)).
Part VII—Finance and reporting requirements

Division 1—Great Barrier Reef Field Management Special Account

49 Great Barrier Reef Field Management Special Account

(2) The Account is a special account for the purposes of the Public Governance, Performance and Accountability Act 2013.

50 Credits to the Account

There must be credited to the Account amounts equal to the following:

(c) amounts received by the Authority in relation to property paid for with amounts debited from the Account;

(d) amounts of any gifts given or bequests made for the purposes of the Account.

Note: An Appropriation Act provides for amounts to be credited to a special account if any of the purposes of the special account is a purpose that is covered by an item in the Appropriation Act.

In particular, this mechanism could be used to credit amounts to the Great Barrier Reef Field Management Special Account for the purposes of paragraph (b).
51 Purposes of the Account

(1) This section sets out the purposes of the Account.

(2) Amounts standing to the credit of the Account may be debited for the following purposes:

(b) purposes incidental to the management, protection or maintenance of the Great Barrier Reef World Heritage Area;
(c) meeting the expenses of administering the Account.

52 Amounts paid by Queensland

If, under an agreement referred to in paragraph 7(1)(cc), amounts are paid by Queensland to the Authority for the purpose of the management, protection or maintenance of the Great Barrier Reef World Heritage Area, the Authority must expend those amounts in accordance with that agreement and not otherwise.
Division 2—Reporting requirements

(b) an assessment of the current biodiversity within that region;

(c) an assessment of the commercial and non-commercial use of that region;

(d) an assessment of the risks to the ecosystem within that region;

Peer-review  

(4) The Minister must arrange for the content of the report to be peer-reviewed by at least 3 persons who, in the Minister’s opinion, possess appropriate qualifications to undertake the peer-review. The peer-review must occur before the report is given to the Minister.  

Report to be tabled in Parliament  

(5) The Minister must cause a copy of each report to be tabled in each House of the Parliament within 15 sitting days of that House after the day on which the Minister receives the report.
Part VIIA—Compulsory pilotage

59A Purpose of Part

The purpose of this Part is to impose a scheme of compulsory pilotage on regulated ships within the compulsory pilotage area of the Great Barrier Reef Region.

59B Offence to navigate without a pilot

(1) If a regulated ship navigates without a pilot in the compulsory pilotage area, the master and the owner of the ship each commit an offence punishable on conviction by a fine of not more than 500 penalty units.

Note: If a body corporate is convicted of an offence, subsection 4B(3) of the Crimes Act 1914 allows a court to impose a fine of an amount that is not greater than 5 times the maximum fine that could be imposed by a court on an individual convicted of the same offence.

(2) An offence under subsection (1) is an offence of strict liability.

Note: For strict liability, see section 6.1 of the Criminal Code.

59C Offence to enter an Australian port after navigating without a pilot: master and owner liable

(1) If:

(a) a regulated ship navigates without a pilot in the compulsory pilotage area; and

(b) the ship enters an Australian port under the command of the master who was in command of the ship during the navigation referred to in paragraph (a);

the master and the owner of the ship each commit an offence punishable on conviction by a fine of not more than 500 penalty units.

Note: If a body corporate is convicted of an offence, subsection 4B(3) of the Crimes Act 1914 allows a court to impose a fine of an amount that is
Part VIIA Compulsory pilotage

Section 59D

(1) If:
(a) a regulated ship navigates without a pilot in the compulsory pilotage area; and
(b) the ship enters an Australian port under the command of a master other than the master who was in command of the ship during the navigation referred to in paragraph (a);
the owner of the ship commits an offence punishable on conviction by a fine of not more than 500 penalty units.

Note: If a body corporate is convicted of an offence, subsection 4B(3) of the Crimes Act 1914 allows a court to impose a fine of an amount that is not greater than 5 times the maximum fine that could be imposed by a court on an individual convicted of the same offence.

(2) The regulated ship’s entry to an Australian port referred to in paragraph (1)(b) may occur on the same voyage on which the navigation in the compulsory pilotage area without a pilot occurred or on a later voyage.

(3) An offence under subsection (1) is an offence of strict liability.

Note: For strict liability, see section 6.1 of the Criminal Code.

59E Pilots to issue certificates

(1) If:
Section 59F

(a) a pilot boards a regulated ship for the purpose of navigating
the ship in the compulsory pilotage area; and
(b) the pilot navigates the ship in the compulsory pilotage area;
the pilot must give the master of the ship a certificate in the form
approved by the Minister.

(2) The pilot must provide the certificate to the master before
disembarking from the ship after the navigation through the
compulsory pilotage area.

(3) The certificate must:
(a) identify the ship; and
(b) state that the pilot has navigated the ship in the compulsory
pilotage area; and
(c) provide any other information specified by the Minister in
the approval of the certificate.

59F Exemption from requirement to navigate with a pilot

(1) The master or owner of a regulated ship may apply to the Minister
for an exemption from the requirement to navigate with a pilot in
the compulsory pilotage area.

(2) The application must:
(a) be in writing; and
(b) contain the prescribed information; and
(c) be made in a form approved by the Minister.

(3) The Minister may grant an exemption if, in the Minister’s opinion:
(a) to require that ship to navigate with a pilot would not
improve environmental protection in the Great Barrier Reef
Region; or
(b) the ship would not pose a threat to the environment because
it is likely to remain:
   (i) stationary; or
   (ii) in a limited area;
within the compulsory pilotage area.
Part VIIA  Compulsory pilotage

Section 59G

(4) Without limiting the considerations the Minister may take into account in deciding whether or not to grant an exemption under paragraph (3)(b), the Minister must consider:
   (a) the proposed duration of the ship’s stay within the compulsory pilotage area; and
   (b) the nature of the area in which the ship will be stationary or navigating within the compulsory pilotage area; and
   (c) the purpose of the ship’s proposed stay in the compulsory pilotage area.

(5) The exemption must be in writing and may be given in respect of the whole or part of the ship’s proposed navigation in the compulsory pilotage area.

(6) The Minister may, by writing, delegate to a person referred to in subsection (7) the Minister’s power under this section to grant an exemption.

(7) The people to whom a delegation may be given under subsection (6) are any of the following:
   (a) the Authority;
   (b) the CEO;
   (d) if an arrangement is in force under subsection 48A(2) between the Authority and a corporate Commonwealth entity:
      (i) the entity; or
      (ii) if the entity is constituted by, or is administered by a body consisting of, 2 or more persons—the Chairperson of the entity or of the body, as the case may be; or
      (iii) the chief executive officer of the entity.

59G Review by the Administrative Appeals Tribunal

(1) In this section:

   decision has the same meaning as in the Administrative Appeals Tribunal Act 1975.
Section 59H

(2) Subject to the *Administrative Appeals Tribunal Act 1975*, application may be made to the Administrative Appeals Tribunal by a person whose interests are affected by a decision made under section 59F for review of the decision.

(3) Where the Minister makes a decision under section 59F, a notice must be given to the applicant for an exemption containing:
   (a) the terms of the decision; and
   (b) a statement to the effect that, subject to the *Administrative Appeals Tribunal Act 1975*, application may be made to the Administrative Appeals Tribunal for review of the decision.

(4) A notice under subsection (3), must be given within 28 days of the Minister making a decision.

(5) Failure to include in a notice under subsection (3) a statement of the kind mentioned in paragraph (3)(b) does not affect the validity of the Minister’s decision.

59H Defence in proceedings for offences

(1) In any proceedings for an offence against section 59B, 59C or 59D, it is a defence if the master or owner (as the case may be) proves that the regulated ship navigated in the compulsory pilotage area because of stress of weather or other unavoidable cause.

Note: The defendant bears a legal burden in relation to the matter in subsection (1). See section 13.4 of the *Criminal Code*.

(2) In any proceedings against the owner of a regulated ship for an offence against section 59B, 59C or 59D, it is a defence if the owner proves that the owner did not know that the regulated ship was in contravention of the relevant section.

Note: The defendant bears a legal burden in relation to the matter in subsection (2). See section 13.4 of the *Criminal Code*.

59I Prosecution of offences

(1) An offence against section 59B, 59C or 59D is an indictable offence.
Part VIIA  Compulsory pilotage

Section 59J

(2) Even though an offence against section 59B, 59C or 59D is an indictable offence, a court of summary jurisdiction may hear and determine proceedings in respect of those offences if:

(a) the court is satisfied that it is proper to do so; and

(b) the defendant and the prosecutor consent.

(3) If, in accordance with subsection (2), a court of summary jurisdiction convicts a person of an offence against section 59B, 59C or 59D, the court may impose a penalty:

(a) in the case of an individual, of not more than 100 penalty units; and

(b) in the case of a body corporate, of not more than 500 penalty units.

59J  Time for commencing prosecutions

A prosecution for an offence against section 59B, 59C or 59D may be commenced within 3 years of the commission of the offence.

59K  Service of summons or process

(1) Service of any summons or process in any legal proceedings under this Part on the owner or the owners of a regulated ship may be effected:

(a) by serving it personally on the owner or on all or any of the owners, as the case may be; or

(b) if an owner who is to be served is a body corporate—on a director, secretary or other officer of the body corporate; or

(c) by serving it personally on an agent of the owner of the regulated ship; or

(d) if an agent who is to be served is a body corporate—on a director, secretary or other officer of the body corporate; or

(e) by serving it on the master of the regulated ship.

(2) Where there is more than one owner of a regulated ship, service on any of the owners is taken to be, for the purposes of this Act, service on all of the owners.
(3) Service of any summons or process in any legal proceedings under this Part on a master of a regulated ship may be effected by serving it personally on the master.

(4) If for any reason (including the absence of the master from the regulated ship) it is not practicable to serve the summons or process on the master personally, service may be effected by delivering it to any person on board the regulated ship who appears to be an officer of the regulated ship.

(5) If it is not reasonably practicable to serve a summons or process in accordance with the preceding provisions, the summons or process is taken to have been served on the person or persons to whom it is issued if the contents are transmitted to the regulated ship concerned by any means and receipt of the transmission is acknowledged by a person on board the regulated ship.

59L. Powers of inspector—compulsory pilotage area

(1) If an inspector has reasonable grounds for suspecting that a vessel is a regulated ship that has navigated in the compulsory pilotage area without a pilot, an inspector may stop the vessel to:

(a) search the vessel for the purpose of ascertaining whether the vessel has a pilot on board; and

(b) search the vessel for anything that will afford evidence of the commission of an offence against this Part.

(2) An inspector may:

(a) require the master or owner of a vessel whom the inspector finds committing, or whom the inspector reasonably suspects of having committed, an offence against this Part, to provide the following information:

(i) the person’s name and usual place of residence;

(ii) details as to the ownership and registration of the vessel; and

(b) require the master or owner of a vessel whom the inspector reasonably suspects of having committed an offence against
this Part to produce a pilot’s certificate in respect of navigation by that vessel in the compulsory pilotage area.

(3) If an inspector (other than a uniformed member of a police force) stops or proposes to search a vessel, the inspector must:
   (a) in the case of a member of a police force, produce for inspection by the person in charge of the vessel, written evidence of the fact that the inspector is a member of a police force; or
   (b) in any other case, produce the inspector’s identity card for inspection by the person.

(4) If an inspector (other than a uniformed member of a police force) fails to produce the documentation referred to in subsection (3) as required by that subsection, the inspector is not authorised to search that vessel.

(5) If an inspector (other than a uniformed member of a police force) makes a requirement of a person under subsection (2), the inspector must:
   (a) in the case of a member of a police force, produce for inspection by the person in charge of the vessel, written evidence of the fact that the inspector is a member of a police force; or
   (b) in any other case, produce the inspector’s identity card for inspection by the person.

(6) If an inspector (other than a uniformed member of a police force) fails to produce the documentation referred to in subsection (5) in the circumstances referred to in that subsection, a person is not obliged to comply with a requirement made under subsection (2).

(7) A person who fails to comply with a requirement made of the person under subsection (2), commits an offence punishable upon conviction by a fine of not more than 10 penalty units.

(8) Subsection (7) does not apply if the person has a reasonable excuse.
59M Limitation on exercise of powers—location

(1) A power conferred on an inspector under subsections 59L(1) and (2) may be exercised only:
   (a) in a port; or
   (b) subject to this section, within the compulsory pilotage area.

(2) An inspector may exercise a power conferred on the inspector under subsections 59L(1) and (2) in respect of a vessel outside the compulsory pilotage area if:
   (a) if the inspector concerned is not a member of a police force—the inspector believes on reasonable grounds that it is not reasonably practicable for an inspector who is a member of a police force to exercise the power; and
   (b) one or more inspectors (whether or not including the inspector exercising the power) have pursued the vessel from a place within the compulsory pilotage area to a place outside the area; and
   (c) the pursuit was not terminated or substantially interrupted at any time before the inspector concerned arrived at that place outside the area with a view to exercising that power.

(3) For the purposes of subsection (2), a pursuit of a vessel is not taken to be terminated or substantially interrupted only because the inspector or inspectors concerned lose sight of the vessel.

(4) A reference in subsection (3) to losing sight of a vessel includes a reference to losing output from a radar or other sensing device.

Division 1  Enforcement powers

Section 61ACA

persons generally, to take, or not to take, specified action for the purposes of avoiding, mitigating or eliminating the risk.

(3) An emergency direction that applies to a particular person does not have to be in writing, but must be communicated to the person to whom it applies. An emergency direction other than a direction that applies to a particular person must be in writing and a copy of the direction must be published on the website of the Authority as soon as practicable after the direction is made.

Relevant matters

(4) The Authority must not make an emergency direction unless:
   (a) the Minister has consented to the making of the direction; and
   (b) the Authority is satisfied that the direction is necessary and appropriate for the purposes of avoiding, mitigating or eliminating the risk; and
   (c) if the circumstances include an incident involving a vessel—the Authority is satisfied that the direction is not inconsistent with Articles III and V of the International Convention Relating to Intervention on the High Seas in Cases of Oil Pollution Casualties, done at Brussels on 29 November 1969 [1984] ATS 4.

Note: The text of the Convention is set out in Australian Treaty Series 1984 No. 4. In 2008, the text of a Convention in the Australian Treaty Series was accessible through the Australian Treaties Library on the AustLII website (www.austlii.edu.au).

Examples of emergency directions

   (a) a direction regulating or prohibiting the entry or use of a vessel, vehicle or aircraft in the Marine Park or a part of the Marine Park;
   (b) a direction that a person remove a vessel, vehicle or aircraft from the Marine Park or a part of the Marine Park;
(c) a direction that a person responsible for abandoned, stranded, sunk or wrecked property take any action reasonably necessary to avoid, mitigate or eliminate risk arising from the presence of the property in the Marine Park.

When emergency directions have effect

(6) An emergency direction:
(a) takes effect on the day the direction is made; and
(b) continues in effect until the earlier of:
   (i) the end of the period (if any) specified in the direction (which must end no later than 2 months after the day the direction is made); or
   (ii) the day that is 2 months after the day the direction is made.

Variation and revocation

(7) The Authority may vary or revoke an emergency direction:
(a) in the same manner as an emergency direction may be made; and
(b) subject to the conditions that apply to the making of an emergency direction (for this purpose, subsection (1) and paragraph (4)(b) are not conditions); and
(c) subject to the Authority being satisfied that the variation or revocation would not be inconsistent with the purposes of avoiding, mitigating or eliminating the risk in relation to which the direction was made.

Emergency directions are not legislative instruments

(8) If a direction under subsection (2) is made in writing, the direction is not a legislative instrument.

61ACB Failure to comply with emergency direction: offence

(1) A person commits an offence if:
(a) an emergency direction applies to the person; and
Section 61ADA

(b) if the direction applies to a particular person—the direction was communicated to the person; and
(c) if the direction applies to a class of persons or to persons generally—the direction has been published on the website of the Authority; and

Note: For absolute liability, see section 6.2 of the Criminal Code.

(3) Strict liability applies to paragraphs (1)(b) and (c).

Note: For strict liability, see section 6.1 of the Criminal Code.

(4) It is a defence to a prosecution for an offence against subsection (1) if it is proved:

(a) that the contravention of the direction resulted from the need to save life at sea; or
(b) that compliance with the direction was not possible; or
(c) if the direction requires a thing to be done before a particular time—that compliance with the direction was not possible before that time and the direction was complied with as soon as possible after that time.

Note: The defendant bears a legal burden in relation to the matters in this subsection. See section 13.4 of the Criminal Code.

Subdivision D—Enforceable directions

61ADA Making enforceable directions

Application of this section

(1) This section applies if the Minister is satisfied:

(a) that a person has engaged, is engaging, or is likely to engage, in conduct that:
Enforcement powers  Division 1

Section 61ADA

(i) constitutes or would constitute an offence against this Act; or
(ii) contravenes or would contravene a civil penalty provision; or
(iii) contravenes or would contravene the duty in section 37AA to prevent or minimise harm to the environment in the Marine Park; and

(b) that it would be in the public interest to make a direction under this section for either or both of the following purposes:

(i) ensuring the person’s future compliance with this Act;
(ii) preventing, repairing or mitigating harm to the environment in the Marine Park that has been, might be or will be caused by the person’s conduct.

Enforceable directions

(2) The Minister may, in writing, make a direction (an enforceable direction) requiring the person to take or not to take specified action for either or both of the purposes referred to in subparagraphs (1)(b)(i) and (ii).

(3) A copy of the direction must be given to the person.

Examples of enforceable directions

(4) The following are examples of enforceable directions the Minister may make:

(a) a direction that the person stop, or not start, a specified activity (whether indefinitely or for a specified period);

   and provide the results to the Minister.

Variation and revocation

(5) The Minister may vary or revoke an enforceable direction:
   (a) in the same manner as an enforceable direction may be made; and
   (b) subject to the conditions that apply to the making of an enforceable direction (for this purpose, subsection (1) is not a condition); and
   (c) subject to the Minister being satisfied that it would be in the public interest to vary or revoke the direction; and
   (d) subject to the Minister being satisfied that the variation or revocation would not be inconsistent with the following purposes:
      (i) ensuring the person’s future compliance with this Act;
      (ii) preventing, repairing or mitigating harm to the environment in the Marine Park that has been, might be or will be caused by the conduct the person engaged in referred to in subsection (1).

(d) specify the action that the person is to take or not take; and
(e) set out the effect of section 61ADE (Ministerial reconsideration of enforceable direction); and
(f) set out the effect of section 61ADH (failure to comply with enforceable direction); and
(g) if the direction relates to conduct that a person has engaged in that constitutes an offence or contravention—be given less than 6 years after the offence or contravention occurs.

61ADC Notifying owners and occupiers of land

(1) Before the Minister makes an enforceable direction that requires an action to be taken on land that is not owned or occupied by the person the Minister proposes the direction will apply to, the Minister must:
   (a) take all practicable steps to identify each person who is an owner or occupier of the land or any part of it; and
   (b) take all practicable steps to advise each person identified of the enforceable direction the Minister proposes to make; and
   (c) give persons advised at least 28 days to comment in writing to the Minister on the proposed enforceable direction.

(2) The Minister must take any comments into account in deciding whether to make the proposed enforceable direction.

Part VIII  Enforcement
Division 1  Enforcement powers

Section 61ADD

61ADD  When enforceable directions have effect

(1) An enforceable direction takes effect:
(a) on the day (if any) specified in the direction (which must not be earlier than the day on which a copy of the direction is given to the person to whom it applies); or
(b) if no day is specified—on the day on which a copy of the direction is given to the person to whom it applies.

(2) An enforceable direction continues in effect:
(a) for the period (if any) specified in the direction; or
(b) until set aside by the Federal Court under section 61ADF or revoked by the Minister under subsection 61ADA(5).

Section 61ADF

(b) take all practicable steps to advise the persons identified for the purposes of paragraph 61ADC(1)(a) of the Minister’s decision in relation to the application.

61ADF Application to Federal Court

(1) A person to whom an enforceable direction applies may apply to the Federal Court to have the direction set aside, as long as the application is made within 28 days after any of the following:

   (b) the day on which the Minister affirms or varies the direction under section 61ADE;
   (c) the day on which the Minister varies the direction under subsection 61ADA(5).

   (b) the conduct did not or would not constitute the offence specified in the direction; or
   (c) the conduct did not or would not contravene the civil penalty provision specified in the direction; or
   (d) the conduct did not or would not contravene the duty in section 37AA; or
   (e) taking or not taking the action specified in the direction is not a reasonable measure for the purposes of:
      (i) ensuring the person’s future compliance with this Act; or
      (ii) preventing, repairing or mitigating harm to the environment in the Marine Park that has been, might be or will be caused by the person’s conduct.

(3) In considering whether taking or not taking an action is a reasonable measure for the purposes referred to in paragraph (2)(e), the Federal Court must have regard to the following:
Part VIII  Enforcement  
Division 1  Enforcement powers

Section 61ADG

(a) the nature and extent of the conduct referred to in subsection 61ADA(1);

(e) the cost to the person of taking or not taking the action;
(f) any benefit (whether or not financial) that the person has obtained or might obtain as a result of engaging in the conduct.

The Federal Court may also have regard to any other matters it considers relevant.

(4) The Federal Court must not set aside the enforceable direction unless it is satisfied as mentioned in subsection (2).

61ADG  Enforcement of direction by Federal Court

(1) If the Minister considers that the person to whom an enforceable direction applies has failed to comply with the direction, the Minister may apply to the Federal Court for an order under subsection (2).

(2) If the Federal Court is satisfied that the person has failed to comply with the direction, the Court may make any one or more of the following orders:
   (a) an order directing the person to comply with the direction;

(b) prevent anyone else from publicising an offence against or contravention of this Act; or
(c) affect any obligation (however imposed) on anyone to publicise an offence against or contravention of this Act.

Subdivision G—Injunctions

61AGA  Injunctions

(1) If a person has done, is doing or is proposing to do an act that:
   (a) constitutes or would constitute an offence against this Act; or
   (b) contravenes or would contravene a civil penalty provision;
the Federal Court or the Supreme Court of Queensland may, on application by the Minister, the Authority or by a person whose interests have been, are or would be affected by the action, grant an injunction, on terms the Court considers appropriate:
   (c) restraining the person from doing the act; and
   (d) if, in the Court’s opinion, it is desirable to do so—requiring the person to do an act (including prevent, repair or mitigate harm to the environment in the Marine Park).

(2) If a person:
   (a) has refused or failed, is refusing or failing or is proposing to refuse or fail to do an act; and
   (b) that refusal or failure constitutes or would constitute:
      (i) an offence against this Act; or

(4) The Court may discharge or vary an injunction granted under this section.

(5) The Court may grant an injunction under subsection (1) restraining a person from doing an act:
   (a) whether or not it appears to the Court that the person intends to do again, or to continue to do, an act of that kind; and
   (b) whether or not the person has previously done an act of that kind; and
   (c) whether or not there is an imminent danger of substantial harm to a person or to the environment in the Marine Park if the person does an act of that kind.

(6) The Court may grant an injunction under subsection (2) requiring a person to do an act:
   (a) whether or not it appears to the Court that the person intends to refuse or fail, or to continue to refuse or fail, to do the act; and

Subdivision H—Remediation orders

61AHA Remediation orders

(1) If a person has engaged or is engaging in conduct that constitutes:
   (a) an offence against this Act; or
   (b) a contravention of a civil penalty provision;
the Federal Court may, on application by the Minister, make an order (a remediation order) requiring the person to take action to
prevent, repair or mitigate harm to the environment in the Marine Park that has been, might be or will be caused by the conduct.

(2) In considering whether to grant a remediation order, the Federal Court must have regard to the following:
   (a) the nature and extent of the conduct referred to in subsection (1);
   (b) the nature and extent of the harm to the environment in the Marine Park that has been, might be or will be caused by the conduct;
   (c) the circumstances in which the person engaged in the conduct;
   (d) if the harm was, might be or will be caused in a zone—any objectives specified for the zone in its zoning plan;
   (e) whether the person has previously been found by a court in proceedings under this Act or under any other law of the Commonwealth or a State or Territory to have engaged in any similar conduct;
   (f) the cost to the person of taking the action;
   (g) any benefit (whether or not financial) that the person has obtained or might obtain as a result of engaging in the conduct.

(3) A remediation order may specify the action that a person is to take in general terms (for example, requiring the person to take whatever action is necessary to prevent, repair or mitigate the harm) or in particular terms.

(4) If the Federal Court makes a remediation order, it may also make an order requiring the person to provide security for the due taking of the required action.

61AHB Variation and discharge of remediation order

The Federal Court may vary or discharge a remediation order on application by the Minister.
Subdivision I—Civil penalty provisions

61AIA Declarations of contravention

(1) The Authority may, on behalf of the Commonwealth, apply for a declaration of contravention under this section in relation to a contravention of a civil penalty provision by a person.

(2) If the Federal Court is satisfied that the person has contravened the civil penalty provision, the Court must make a declaration of contravention.

Note: Once a declaration is made, the Authority can seek a pecuniary penalty order (see section 61AIC).

(3) The declaration of contravention must specify the following:
   (a) that the Federal Court made the declaration;
   (b) the civil penalty provision that was contravened;
   (c) if the contravention was an aggravated contravention—the applicable aggravating circumstance under section 38GB;
   (d) the person who contravened the civil penalty provision;
   (e) the conduct that constituted the contravention.

(4) Proceedings for a declaration of contravention may be started no later than 6 years after the contravention.

61AIB Declaration of contravention is conclusive evidence

A declaration of contravention is conclusive evidence of the matters referred to in subsection 61AIA(3).

61AIC Pecuniary penalty for contravening civil penalty provision

Application for order

(1) No later than 6 years after a contravention of a civil penalty provision by a person, the Authority may, on behalf of the Commonwealth, apply to the Federal Court for an order that the
Part VIII  Enforcement
Division 1  Enforcement powers

Section 61AIC

person pay the Commonwealth a pecuniary penalty for the contravention.

Court may order person to pay pecuniary penalty

(2) If the Federal Court has made a declaration of contravention against the person under section 61AIA, the Court may order the person to pay to the Commonwealth for the contravention the pecuniary penalty that the Court determines is appropriate (but not more than the relevant amount specified for the provision).

Determining amount of pecuniary penalty

(3) In determining the pecuniary penalty, the Federal Court must have regard to all relevant matters, including:
   (a) the nature and extent of the contravention; and
   (b) the nature and extent of any loss or damage suffered as a result of the contravention; and
   (c) the nature and extent of any harm to the environment that has been, might be or will be caused by the contravention; and
   (d) if any harm caused by the contravention was, might be or will be caused in a zone—any objectives specified for the zone in its zoning plan; and
   (e) the circumstances in which the contravention took place; and
   (f) whether the person has previously been found by a court in proceedings under this Act or under any other law of the Commonwealth or a State or Territory to have engaged in any similar conduct; and
   (g) any benefit (whether or not financial) obtained by the person directly or indirectly as a result of the contravention.

Conduct contravening more than one civil penalty provision

(4) If conduct constitutes a contravention of 2 or more civil penalty provisions, proceedings may be instituted under this Act against a person in relation to the contravention of any one or more of those provisions. However, the person is not liable to more than one
pecuniary penalty under this section in respect of the same conduct.

61AID Definition of civil penalty provision

For the purposes of this Act, a subsection of this Act (or a section of this Act that is not divided into subsections) is a civil penalty provision if:

(a) the words “civil penalty” and one or more amounts in penalty units are set out at the foot of the subsection (or section) (whether or not any other amount is set out); or

(b) another provision of this Act specifies that the subsection (or section) is a civil penalty provision.

61AIE Contravening a civil penalty provision is not an offence

A contravention of a civil penalty provision is not an offence.

61AIF Persons involved in contravening civil penalty provision

(1) A person must not:

(a) aid, abet, counsel or procure a contravention of a civil penalty provision; or

(b) induce (by threats, promises or otherwise) a contravention of a civil penalty provision; or

(c) be in any way directly or indirectly knowingly concerned in, or party to, a contravention of a civil penalty provision; or

(d) conspire to contravene a civil penalty provision.

(2) A person who contravenes subsection (1) in relation to a civil penalty provision is, for the purposes of:

(a) this Act; and

(b) Part 17 of the Environment Protection and Biodiversity Conservation Act 1999, so far as that Part applies in relation to contraventions of civil penalty provisions of this Act; taken to have contravened the civil penalty provision.
Section 61AIG

61AIG Recovery of a pecuniary penalty

If the Federal Court orders a person to pay a pecuniary penalty:
(a) the penalty is payable to the Commonwealth; and
(b) the Commonwealth may enforce the order as if it were a judgment of the Court.

61AIH Civil evidence and procedure rules for declarations of contravention and civil penalty orders

The Federal Court must apply the rules of evidence and procedure for civil matters when hearing proceedings for:
(a) a declaration of contravention; or
(b) a pecuniary penalty order.

61AII Civil proceedings after criminal proceedings

The Federal Court must not make a declaration of contravention or a pecuniary penalty order against a person for a contravention of a civil penalty provision if the person has been convicted of an offence constituted by conduct that is substantially the same as the conduct constituting the contravention.

61AIJ Criminal proceedings during civil proceedings

(1) Proceedings for a declaration of contravention or a pecuniary penalty order against a person for a contravention of a civil penalty provision are stayed if:
(a) criminal proceedings are started or have already been started against the person for an offence; and
(b) the offence is constituted by conduct that is substantially the same as the conduct alleged to constitute the contravention.

(2) The proceedings for the declaration or order may be resumed if the person is not convicted of the offence. Otherwise, the proceedings for the order are dismissed.
61AIK Criminal proceedings after civil proceedings

Criminal proceedings may be started against a person for conduct that is substantially the same as conduct constituting a contravention of a civil penalty provision regardless of whether:

(a) a declaration of contravention has been made against the person; or

(b) a pecuniary penalty order has been made against the person.

61AIL Evidence given in proceedings for penalty not admissible in criminal proceedings

Evidence of information given or evidence of production of documents by an individual is not admissible in criminal proceedings against the individual if:

(a) the individual previously gave the evidence or produced the documents in proceedings for a pecuniary penalty order against the individual for a contravention of a civil penalty provision (whether or not the order was made); and

(b) the conduct alleged to constitute the offence is substantially the same as the conduct that was claimed to constitute the contravention.

However, this does not apply to a criminal proceeding in respect of the falsity of the evidence given by the individual in the proceedings for the pecuniary penalty order.

Subdivision J—Court order to pay amount equivalent to avoided charge

61AJA Order to pay amount equivalent to avoided charge

(1) This section applies if:

(a) a court convicts a person of an offence against this Act or orders a person to pay a pecuniary penalty for a contravention of a civil penalty provision; and

(b) the person would not have committed the offence or contravention if the conduct constituting the offence or
contravention had been authorised by a permission granted under the regulations for the purposes of a zoning plan or a provision of this Act; and
(c) the permission would have been a chargeable permission.

(2) In addition to any fine or sentence of imprisonment imposed on the person for the offence or contravention, the court may, on application by the Authority, order the person to pay to the Authority, on behalf of the Commonwealth, a penalty of an amount determined by the court under subsection (3).

(3) In determining the penalty, the court must have regard to the amount of charge that would have been payable if the person had been the holder of the chargeable permission referred to in paragraph (1)(c) at all times when the person engaged in conduct constituting the offence or contravention (whether or not the person was convicted, or ordered to pay a pecuniary penalty, in respect of each particular instance of the conduct).

(4) To avoid doubt, the total of the penalties that may be payable by a person in relation to an offence or contravention of a civil penalty provision may, because of this section, exceed the maximum penalty set out at the foot of the offence or civil penalty provision.

Subdivision K—Publicity orders

61AKA  Publicity orders

A court that:
(a) convicts a person of an offence against this Act; or
(b) makes a declaration of contravention against a person, or imposes a pecuniary penalty on a person, for a contravention of a civil penalty provision;
may make an order that the person take action specified in the order to publicise either or both of the following:
(c) the offence or contravention;
(d) any penalty imposed.
Division 2—Other enforcement-related matters

Subdivision A—Infringement notices

61ALA Infringement notices

(1) The regulations may make provision enabling a person who is alleged to have committed:
   (a) an offence against:
      (i) subsection 38BA(3); or
      (ii) subsection 38EA(4); or
   (b) an offence against the regulations;
       to pay a specified penalty to the Commonwealth as an alternative to prosecution.

(2) The penalty must not exceed an amount equal to one-fifth of the maximum fine that a court could impose on the person for that offence.

Subdivision B—Evidentiary matters

61AMA Content of evidentiary certificate

If the CEO has reason to believe that any of the following is the case, the CEO may issue a written certificate to that effect:
   (a) that a specified document is a copy of a permission, authority or notice under this Act;
   (b) that on a specified day, or during a specified period, a specified person was or was not authorised to engage in conduct by a specified permission granted under the regulations or specified authority given in accordance with such a permission;
   (c) that on a specified day, a specified person was given a specified notice, order or direction under this Act;
   (d) that a specified fee or charge under this Act is payable by a specified person;
(e) that a specified fee or charge under this Act payable by a specified person has not been paid by a specified day;

(f) that a specified location at which, or specified area of waters in which, a person, animal, plant, aircraft, vessel or platform is alleged to have been at a specified time is in the Great Barrier Reef Region, the Marine Park or in a specified zone;

(g) that specified information obtained from the vessel monitoring system of a vessel shows that the vessel was, at a specified time, at a specified location or in a specified area of waters;

(h) that specified information obtained from the vessel monitoring system of a vessel shows that the vessel was, at a specified time, travelling at a specified speed.

61AMB Evidentiary effect of certificate

(1) In any proceedings:
   (a) in relation to an offence against this Act; or
   (b) in relation to a contravention of a civil penalty provision; or
   (c) for an injunction under section 61AGA; or
   (d) to set aside an enforceable direction under section 61ADF;
   a certificate under section 61AMA is prima facie evidence of the matters in the certificate.

(2) A document purporting to be a certificate under section 61AMA must, unless the contrary is proved, be taken to be such a certificate and to have been properly issued.

(3) A certificate must not be admitted in evidence under subsection (1) in proceedings in relation to an offence unless the person charged, or a solicitor who has appeared for the person in those proceedings, has, at least 14 days before the certificate is sought to be admitted, been given a copy of the certificate together with reasonable evidence of the intention to produce the certificate as evidence in the proceedings.

(4) Subject to subsection (5), if a certificate is admitted in evidence under subsection (1) in proceedings in relation to an offence, the
person charged with the offence may require the CEO to be called as a witness for the prosecution and cross-examined as if he or she had given evidence of the matters stated in the certificate.

(5) Subsection (4) does not entitle the person charged to require the CEO to be called as a witness for the prosecution unless the court, by order, allows the person charged to require the CEO to be so called.

(6) The Authority may certify that a document is a copy of a certificate under section 61AMA.

(7) This section applies to the certified copy as if it were the original.

61AMC Varying or revoking certificate

(1) The CEO may vary a certificate under section 61AMA as long as the variation is of a minor nature.

(2) If a certificate is varied, the CEO must give the person concerned a written notice setting out the terms of the variation.

(3) The CEO may revoke a certificate under section 61AMA.

(4) If a certificate is revoked, the CEO must give the person concerned a written notice stating that the certificate has been revoked.

61AMD Offences and contraventions in relation to fishing

(1) This section applies in relation to an offence against this Act, or a contravention of a civil penalty provision, constituted by conduct that is fishing, if the fishing involved a primary commercial fishing vessel or a dory.

(2) In determining, in the case of an offence or contravention involving a primary commercial fishing vessel:
   (a) the penalty, or the amount of a penalty, to be imposed on a person for the offence or contravention; or

(2A) Without limiting subsection (1), the regulations may prescribe measures for the management of the discharge of sewage from vessels in the Marine Park.

(3) Without limiting the generality of subsection (1) or (2), the regulations may be expressed to apply to or in relation to:

(a) the Marine Park;

(b) a specified part of the Marine Park in respect of which no zoning plan is in force;
(c) a specified zone; or  
(d) a specified part of a zone.

(4) A regulation is taken not to be inconsistent with a zoning plan merely because it:
(a) further regulates an activity that is allowed or permitted by the zoning plan; or  
(b) prohibits an activity that is otherwise allowed or permitted by the zoning plan.

(4A) Nothing in subsection (4) allows a regulation to allow or permit an activity that is otherwise prohibited by the zoning plan concerned.

(5) Regulations shall not apply to an area within the Marine Park in respect of which no zoning plan is in force if more than 5 years has elapsed since that area became part of the Marine Park.

(6) Subject to subsections (7) and (8) and to any contrary intention appearing in a law made after the commencement of this Act, a provision of the regulations has full force and effect notwithstanding that it is inconsistent with a law of the Commonwealth made before or after the commencement of this Act.

(7) A provision of the regulations regulating navigation in the Marine Park does not have any force or effect to the extent to which it is inconsistent with a law of the Commonwealth, but such a provision shall not be taken for the purposes of this subsection to be inconsistent with such a law if it can be complied with without contravention of that law.

(8) A provision of the regulations regulating the flying of aircraft over the Marine Park does not have any force or effect to the extent to which it is inconsistent with a law of the Commonwealth, but such a provision shall not be taken for the purposes of this subsection to be inconsistent with such a law if it can be complied with without contravention of that law.

(9) The power to make regulations conferred by this Act may be exercised:
(a) in relation to all cases to which the power extends, or in relation to all those cases subject to specified exceptions, or in relation to any specified cases or classes of case; and
(b) so as to make, as respects the cases in relation to which it is exercised, the same provision for all those cases or different provision for different cases or classes of case.

(10) The power to make regulations conferred by this Act shall not be taken not to include the power to make provision for or in relation to a matter by reason only of the fact that:
(a) a provision is made by this Act in relation to that matter or another matter; or
(b) power is expressly conferred by this Act to make provision by regulation for or in relation to another matter.

(11) The regulations may prescribe penalties not exceeding a fine of 50 penalty units for offences against the regulations.

Note: If a body corporate is convicted of an offence, subsection 4B(3) of the Crimes Act 1914 allows a court to impose a fine of an amount that is not greater than 5 times the maximum fine that could be imposed by a court on an individual convicted of the same offence.

(12) The limitation imposed by subsection (11) on the penalties that may be prescribed by the regulations does not prevent the regulations from requiring a person to make a statutory declaration.

(13) Despite subsection 14(2) of the Legislation Act 2003, the regulations may make provision in relation to a matter by applying, adopting or incorporating any matter contained in an instrument or other writing as in force or existing from time to time.

218 Great Barrier Reef Marine Park Act 1975

Compilation No. 34

Compilation date: 29/10/18

Registered: 14/11/18
Endnote 5—Editorial changes

In preparing this compilation for registration, the following kinds of editorial change(s) were made under the Legislation Act 2003.

Paragraph 48(1AA)(b)

Kind of editorial change

Change to punctuation

Details of editorial change

Schedule 1 item 30 of the Great Barrier Reef Marine Park Amendment (Authority Governance and Other Matters) Act 2018 instructs to insert subsection 48(1AA) before subsection 48(1).

The newly inserted paragraph 48(1AA)(b) appears as follows:

“(b) holds, or is acting, in an Executive Level 2, or equivalent, position.”

This compilation was editorially changed by moving the comma from after “or is acting” to after “or is acting in” to correct the punctuation.
