6 National Residue Survey Account

(1) There is continued in existence the National Residue Survey Account.

Note: The Account was established by subsection 5(3) of the Financial Management Legislation Amendment Act 1999.

(2) The Account is a special account for the purposes of the Public Governance, Performance and Accountability Act 2013.

7 Credit of amounts to National Residue Survey Account

There must be credited to the Account:

(a) amounts appropriated by Parliament for the purposes of the National Residue Survey; and

(b) in respect of each amount of National Residue Survey Levy collected by or on behalf of the Commonwealth—an amount equal to that amount of levy; and

(c) in respect of each amount of penalty collected by or on behalf of the Commonwealth in connection with National Residue Survey Levy—an amount equal to that amount of penalty; and

(d) amounts equal to amounts paid to the Commonwealth for the purposes of the National Residue Survey or the Account; and

(e) amounts equal to income from the investment of an amount standing to the credit of the Account.

Note: An Appropriation Act provides for amounts to be credited to a special account if any of the purposes of the special account is a purpose that is covered by an item in the Appropriation Act.

8 Debits from Account

(1) Amounts standing to the credit of the Account may be debited for the following purposes:
Section 8

(a) making payments for purposes related to:

   (ii) the testing, either on a random basis or in specific cases, of applicable products or the environment for the purpose of tracing the sources of contaminants and determining the causes of contamination; and
   (iii) the testing and reporting of the level of contaminants in applicable products or the environment, and any associated activities, for the purpose of investigating the potential sources, and determining the potential causes, of such contaminants; and
   (iv) the prevention of contamination in, and the management of risks associated with, contamination of applicable products;

(b) if an amount that was credited to the Account was given by a person or body to the Commonwealth for a particular purpose but has not been fully spent for that purpose—repaying the unspent amount to the person or body.

(2) Amounts may be debited from the Account equal to expenditure incurred by the Commonwealth in relation to:
   (a) the collection and recovery of amounts referred to in paragraph 7(b) or (c); or
   (b) the administration of paragraph 7(b) or (c); or
   (c) the carrying out of any activities of kinds referred to in paragraph (1)(a) or any related activities.

(3) An amount that has been credited to the Account under an Appropriation Act may be debited from the Account.

(4) Without limiting the generality of subsection (2), the reference in that subsection to expenditure incurred includes a reference to:
   (a) remuneration and allowances paid to staff; and
   (b) other expenditure incurred in relation to the provision of staff or the provision of the services of staff; and
Section 8

(c) expenditure incurred in relation to surveys conducted for the purpose of monitoring the level of contaminants; and
(d) expenditure incurred in relation to the provision of accommodation or administrative support.
Part 5—Miscellaneous

(b) amounts debited from the Account during that financial year;
and
(c) financial statements relating to the Account for that financial year; and
(d) a description of activities undertaken in relation to the National Residue Survey during that financial year.

11 Release of information

(1) Subject to subsection (2), information collected under activities referred to in section 8 using amounts debited from the Account that identifies a particular person may not be released to any other person.

(2) Information of a kind mentioned in subsection (1) may be released:

(a) to authorities of the Commonwealth, of a State or of a Territory that are responsible for the monitoring or regulation of agricultural or veterinary chemical residues and contaminants in applicable products or the environment for the purpose of such monitoring or regulation or the management of associated risks; and
(b) to a person whom the Secretary has approved in writing to be an appropriate person to be granted access to the information.

(3) The Secretary may approve a person to be an appropriate person for the purposes of paragraph (2)(b) only if the Secretary is...
satisfied that the person requires the relevant information to enable the person to monitor, regulate or manage agricultural or veterinary chemical residues or contaminants in applicable products or the environment.

(4) An approval is to specify:
   (a) each person who may be granted access to the relevant information under paragraph (2)(b); and
   (b) the purpose or purposes for which the information can be used.

(5) A person to whom information is released under paragraph (2)(b) commits an offence if the information is used otherwise than for a purpose specified in the approval.
