(4) The warrant must:

(a) state the offence to which the warrant relates; and
(b) describe the premises to which the warrant relates; and
(c) describe the kinds of evidential material that are to be searched for under the warrant; and
(d) state the name of the authorised officer who is to be responsible for executing the warrant; and
(e) state the period for which the warrant remains in force, which must not be more than 7 days; and
(f) state whether the warrant may be executed at any time or only during particular hours.

(5) The warrant must also state that the warrant authorises the seizure of a thing (other than evidential material of the kind referred to in paragraph (4)(c)) found at the premises in the course of the search that the executing officer or an officer assisting believes on reasonable grounds to be:

(a) evidential material in relation to an offence to which the warrant relates; or
(b) evidential material in relation to another offence against this Act;

if the executing officer or an officer assisting believes on reasonable grounds that seizure of the thing is necessary to prevent its concealment, loss or destruction or its use in committing an offence against this Act.

(6) Paragraph (4)(e) does not prevent the issue of successive warrants in relation to the same premises.

(7) If the application for the warrant is made under section 10G, this section applies as if:

(a) subsection (2) referred to 48 hours rather than 72 hours; and
(b) paragraph (4)(e) referred to 48 hours rather than 7 days.

   (b) to exercise powers of the kind set out in paragraphs 10(b) to (e) (inclusive); and
   (c) to search the premises and any thing on the premises for the kinds of evidential material specified in the warrant, and to seize things of those kinds found at the premises; and

      (i) evidential material in relation to an offence to which the warrant relates; or
      (ii) evidential material in relation to another offence against this Act;
      if the executing officer or an officer assisting believes on reasonable grounds that seizure of the thing is necessary to prevent its concealment, loss or destruction or its use in committing an offence against this Act.

(2) If the warrant states that it may be executed only during particular hours, the warrant must not be executed outside those hours.

(3) If things are seized under a warrant, the warrant authorises the executing officer to make the things available to officers of other agencies if it is necessary to do so for the purpose of investigating or prosecuting an offence to which the things relate.
Division 4—Warrants granted by telephone or other electronic means

10G Warrants may be granted by telephone or other electronic means

(1) An authorised officer may apply to a magistrate for a warrant under section 10B or 10E by telephone, fax or other electronic means:
   (a) in an urgent case; or
   (b) if the delay that would occur if an application were made in person would frustrate the effective execution of the warrant.

(2) The magistrate may require voice communication to the extent that it is practicable in the circumstances.

(3) An application under this section must include all information required to be provided in an ordinary application for a warrant under section 10B or 10E, as the case requires, but the application may, if necessary, be made before the information is sworn or affirmed.

(4) If a magistrate to whom an application is made under this section is satisfied:
   (a) after having considered the information mentioned in subsection (3); and
   (b) after having received any further information that the magistrate requires about the grounds on which the issue of the warrant is being sought;

that there are reasonable grounds for issuing the warrant, the magistrate may complete and sign the same form of warrant that would be issued under section 10B or 10E, as the case requires.

(5) If a magistrate signs a warrant under subsection (4):
   (a) the magistrate must notify the authorised officer, by telephone, fax or other electronic means, of the terms of the
warrant and the date on which and the time at which it was signed, and write on it the reasons for the granting of the warrant; and

(b) the officer must complete a form of warrant in the terms notified to the officer by the magistrate and write on it the name of the magistrate and the date on which and the time at which the warrant was signed.

(6) If an authorised officer completes a form of warrant under subsection (5), the officer must, not later than the day after the day on which the warrant ended or was executed, whichever is the earlier, give or transmit to the magistrate who signed the warrant the form of warrant completed by the officer and, if the information mentioned in subsection (3) was not sworn or affirmed, that information duly sworn or affirmed.

(7) The magistrate must attach to the documents provided under subsection (6) the warrant signed by the magistrate.

(8) A form of warrant duly completed by an authorised officer under subsection (5) is, if it is in accordance with the terms of the warrant signed by the magistrate, authority for any entry, search, seizure, or other exercise of power that the warrant so signed authorises.

(9) If:

(a) it is material, in any proceedings, for a court to be satisfied that an exercise of power was authorised under this section; and

(b) the warrant signed by the magistrate under this section authorising the exercise of power is not produced in evidence;

the court must assume, unless the contrary is proved, that the exercise of power was not authorised by such a warrant.
