

**COUNCIL REGULATION (EC) No 2093/2000
of 28 September 2000
prohibiting imports of Atlantic swordfish (*Xiphias gladius*) originating in Belize and Honduras**

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty establishing the European Community, and in particular Article 133 thereof,

Having regard to the proposal from the Commission,

Whereas:

- (1) Fishery resources, which are an exhaustible natural resource, must be protected in the interests of biological balances and global food security.
- (2) The International Commission for the Conservation of Atlantic Tuna (ICCAT), to which the European Community is a Contracting Party, adopted in 1995, an Action Plan to ensure the effectiveness of the conservation Programme for Atlantic Tuna, to ensure the effective conservation of this species.
- (3) The stock concerned cannot be managed effectively by the ICCAT contracting parties, whose fishermen are obliged to reduce their catches of Atlantic swordfish, unless all non-contracting parties cooperate with ICCAT and comply with its conservation and management measures.
- (4) In 1998 ICCAT identified Belize and Honduras as countries whose vessels fish Atlantic swordfish in a manner which diminishes the effectiveness of the organisation's swordfish conservation measures, substantiating its findings with data concerning catches, trade and the observation of vessels.
- (5) ICCAT's attempts to encourage the two countries to comply with measures for the conservation and management of Atlantic swordfish have been to no avail.
- (6) ICCAT has recommended the contracting parties to take appropriate measures to prohibit imports from Belize and Honduras of Atlantic swordfish products in any

form; these measures will be lifted as soon as it is established that the countries in question have brought their fishing practices into line with ICCAT's measures; these measures must therefore be implemented by the Community, having the sole competence in this matter.

- (7) These measures are compatible with the Community's obligations under other international agreements,

HAS ADOPTED THIS REGULATION:
