Cap. 68:03

Plant Protection

Interpretation.

2. In this Act—

“animal organism” means any animal organism in whatever stage of existence such animal organism may be;

“disease” means any abnormal conditions of plants, communicable or believed to be communicable by the transfer of a causative agent or by the propagation of the affected plants, which the Minister may, by order, from time to time declare to be a disease within the meaning of this Act;

“diseased” means affected with disease;

“disinfection” means the utilisation of any substance or process designed to prevent, eliminate or reduce any disease or pest with which plants or parts of plants may be affected;

“imported” means brought into Guyana by any means whatsoever;

“land” includes plantation and nursery;

“notifiable disease” means any disease which the Minister may, by order, from time to time, declare to be a notifiable disease within the meaning of this Act;

“notifiable pest” means any pest which the Minister may, by order, from time to time, declare to be a notifiable pest within the meaning of this Act;

“nursery” means any land or place whereon is grown or kept any plant intended for sale or distribution;

“occupier” in relation to any land or building means the person in actual occupation thereof, or, if there is no such person, the person entitled to occupy such land or building;

“owner” means the person who is for the time being entitled to receive the rent of any land, or who, if the same were let to a tenant at a rack rent, would be entitled to receive such rent;

“package” includes any container, box, covering, wrapper, or anything whatsoever in which plants are, or have been imported, kept or conveyed;

“pest” means any parasitical, epiphytal or other animal or vegetable organism inimical to the growth or existence of living plants or injurious to plant products, and any other agent capable of producing a communicable disease of plants, which the Minister may, by order, from time to time, declare to be a pest within the meaning of this Act;

“plant” includes any tree, shrub, herb or vegetable; any cutting, bulb, seed, bud or graft; and the fruit or any other part of any plant; and the whole or any part of any growing, dying or dead plant, including any pod, husk or skin;

“Plant Protection Officer” means the Chief Plant Protection Officer and any person or persons appointed as a Plant Protection Officer under this Act;

“vegetable organism” means any vegetable organism in whatever stage of existence such organism may be.

3. The Minister may appoint some qualified person as Chief Plant Protection Officer under this Act, and such other persons as may be necessary as Plant Protection Officers to act under him.

Appointment of officers.

4. The Minister may by order—

Power to make orders.

(a) prohibit, control or restrict the transport of any diseased plant, or of any plant appearing to be affected with any pest or disease, or of anything whatever, whether of a nature similar to a plant or not likely to infect any plant with any pest or disease;

(b) prohibit, control or restrict the cultivation and harvesting either throughout Guyana, or in any specified area thereof, of any plant when, in the opinion of the Minister, such measures are necessary for the control or eradication of any pest or disease;

LAWS OF GUYANA

(c) direct, authorise or control the quarantine of infected areas;

(d) direct and specify the precautions to be taken to prevent the spread of plant diseases or pests;

(e) authorise or require the inspection before import or export of any plant or article likely to infect any plant with any pest or disease, and provide for the grant of a certificate as to the results of any such inspection;

(f) direct or authorise the disinfection or treatment of any plant and of any article likely to infect any plant with a pest or disease;

(g) authorise the immediate destruction without compensation of any plant or article which on inspection appears to be infested or infected with any pest or disease;

(h) direct or authorise the detention of classes of imported plants in any specified place and specify the precautions to be observed during such detention;

(i) require plants, or any class or classes of plants, to be accompanied on importation by a plant certificate issued by a competent person or persons.

Occupier to give notice of notifiable disease or pest.
[6 of 1997]

5. (1) The occupier of any land, on which any notifiable disease or notifiable pest occurs shall as soon as practicable give notice thereof to a Plant Protection Officer.

(2) Any occupier who fails to give such notice shall be liable on summary conviction to a fine of thirty-two thousand five hundred dollars.

(3) In any proceedings under this section it shall be no defence that the occupier was not aware of the occurrence of such disease or pest unless it shall be shown to the satisfaction of the court that he and the persons employed by him on the land took all reasonable steps to discover such occurrence.

Power of entry.

6. (1) Subject to any regulations made under this Act a Plant Protection Officer may at all reasonable times enter without notice (with or without assistance as may to him seem fit) upon any land, or into any building or part of any building, not being a dwelling-house, for the purpose of searching and examining any animal or vegetable organism

LAWS OF GUYANA

or any disease-infected or pest-infected plant, soil, manure, straw, package or packing material and may remain thereon or therein so long as may be reasonably necessary for any such purpose.

(2) Before entering on any such land or building under the provisions of this section the Plant Protection Officer shall inform the occupier, if present at the time, of his intention to do so.

7. A Plant Protection Officer may by notice in writing in the form in the Schedule served upon the occupier of any land, require him to take at his own expense and within a time specified in the notice, running from the date of service, all such measures as may be necessary for the eradication or the prevention of the spread of any disease or pest including in such measures the total destruction if necessary of any plant whether infected by any disease or infested with any pest or not.

Procedure for eradication of diseases and pests.
Schedule.

8. (1) If an occupier fails to take any measures which by a notice under section 7 he is required to take, a Plant Protection Officer may, on the expiration of the time specified in such notice, enter upon the land and cause such measures to be taken.

Non-compliance with notice.

(2) Any expenses incurred by the Plant Protection Officer in connection with such measures shall be paid by the person in default:

Provided that it shall be lawful for the Minister to dispense with the payment of such expenses in cases where, owing to the person in default being in needy circumstances, or for any other reason, the Minister thinks fit so to do.

(3) The Chief Plant Protection Officer shall in respect of the expenses so incurred have a lien upon the land affected by the notice which shall be preferent over all claims except those due to the State, and may recover such expenses as a debt in a court of competent jurisdiction or enforce the payment thereof by parate execution.

9. (1) Where any Plant Protection Officer finds any nursery or any part of any nursery to be affected by any disease or pest he may by notice in writing served upon the occupier declare such nursery or part thereof to be under quarantine.

Quarantine of nurseries.

LAWS OF GUYANA

8

Cap. 68:03

Plant Protection

(2) The notice shall remain in force until a Plant Protection Officer shall have given the owner or occupier of the nursery affected a certificate in writing that the nursery is free from disease and pest.

(3) While the notice is in force no person shall remove or cause to be removed any plant or any soil, manure, package, or any vegetable or animal organism from the area under quarantine.

(4) The occupier of a nursery having his nursery or any part thereof thus placed under quarantine may, upon application to a Plant Protection Officer, have his nursery examined free of charge to determine whether or not the disease or pest has been eradicated.

Service of notice in absence of occupier.

10. If there is no person in actual occupation of any land, or if the occupier cannot be found, service of any notice under this Act may be made by affixing the same in some conspicuous place on the land.

Compensation.

11. It shall be lawful for the Minister, out of moneys provided for that purpose by Parliament, to make grants by way of compensation to occupiers and to owners (according to their respective interests) in respect of healthy plants destroyed in order to prevent the increase of any disease or pest or the spread of any disease or pest into adjoining lands.

Informality not to invalidate proceedings.

12. Proceedings taken under this Act shall not be rendered invalid by reason of the informality of any order or notice made or given except as against any person prejudiced by such informality.

Offences.
[6 of 1997]

13. Every person who—

(a) in any manner obstructs or impedes any person in the execution of any of the powers conferred by this Act or by regulations or orders made thereunder; or

(b) knowingly introduces any disease or pest into any cultivated or uncultivated land or to any plant whether cultivated or not cultivated; or

(c) fails to comply with or acts in contravention of any of the provisions of this Act or any regulations or orders made thereunder or any order given in pursuance thereof, when no other penalty is provided in this Act,

shall be liable on summary conviction for every such offence to a fine of thirteen thousand dollars and to imprisonment for three months.

14. (1) All proceedings for offences and penalties under this Act may be instituted under the Summary Jurisdiction Acts.

Legal proceedings.

(2) All proceedings under this Act shall be taken in the name of a Plant Protection Officer and shall not be deemed to affect any civil liability which may exist independently thereof.

15. (1) In any trial for an offence under this Act the certificate of the Chief Plant Protection Officer, purporting to be signed by him as such, shall be sufficient evidence as to the identification of any notifiable disease or pest under this Act.

Certificate of Chief Plant Protection Officer sufficient evidence in certain cases.

(2) In any case where a person is charged under section 5 (2) for failing to give any notice which he is required to give under this Act the certificate of the Chief Plant Protection Officer, purporting to be signed by him as such, that no notice has been served shall be sufficient evidence for the purpose of any proceedings under this Act for failure to give such notice to a Plant Protection Officer.

16. The Minister may make regulations for all or any of the following purposes—

Power of Minister to make regulations. [11 of 1943]

(a) for prohibiting, restricting or regulating the importation into Guyana of—

- (i) any plant, vegetable organism or package;
- (ii) any article or class of articles, whether of a nature similar to plants or not;
- (iii) any animal or animal organism;

likely to cause infection by any animal or vegetable organism or other agent which is or is believed to be inimical to the growth of plants;

(b) for authorising or requiring the inspection before import of any plant or article likely to infect any plant with any animal organism or vegetable organism or other agent which is or is believed to be inimical to the growth of plants;

(c) for authorising or requiring the disinfection, treatment, destruction and disposal without compensation of any diseased plant or of any plant appearing to be infected with any animal or vegetable organism or other agent which is or is believed to be inimical to the growth of plants, or of anything whatever, whether of a nature similar to a plant or not, likely to infect any plant with any animal or vegetable organism or other agent which is or is believed to be inimical to the growth of plants;

(d) for directing or authorising the disinfection, treatment and fumigation of buildings, vehicles, vessels or aircraft suspected of harbouring any pest or article likely to infect any plant with disease or used or suspected of having been used for the storage or conveyance of anything likely to infect a plant with any pest or disease;

(e) for prohibiting the importation of any plant or plants except at specified ports or places of entry;

(f) for directing or authorising the detention of any imported plant or plants in any specified place and prescribing the precautions to be observed during such detention;

(g) for requiring the importation of any plant or plants to be accompanied by a plant certificate issued by an authorised person or persons;

(h) for authorising or requiring the issue and revocation of licences for and the inspection of nurseries in which plants are reared for the purposes of sale and the imposition of fees for such licences, and the regulation of the sale or removal of plants, whether reared in nurseries or not;

(i) for regulating or prohibiting the removal from any land or building, or the transference or conveyance from any part of Guyana to any other part thereof, of any plant, soil, manure, straw, package, vegetable organism, or animal organism;
