(a) any sea, river, stream, estuarine or lagoon areas or any naturally occurring body of fresh water, containing natural deposits of inland or marine products; and

(b) man-made sites used for the cultivation of aquaculture and inland and marine products;

“relay area” means any sea, estuarine or lagoon area or man-made site approved by the competent authority with boundaries clearly marked and indicated by buoys, posts or any other fixed means and used exclusively for the natural purification or bivalve molluscs;

“Veterinary Committee” means the Veterinary Committee established under section 7.

(2) An authorized officer shall, in the execution of his duties under this Act, have, exercise and enjoy all the powers, authority, privileges and immunities of a Constable under the Constabulary Force Act.

3. The objects of this Act shall be—

(a) to advance public health and safety standards in the export of aquaculture, inland and marine products and their by-products intended for human consumption;

(b) to specify and maintain international standards of production, harvesting, processing, handling, storage and transport of such products and by-products

[The inclusion of this page is authorized by L.N. 3/2001]
and to establish systems for ensuring rapid adoption and, where necessary, reinforcement of such standards;

(c) to monitor the hygiene and sanitary conditions of vessels and establishments engaged in the processing of aquaculture, inland and marine products and their by-products.

PART II.  *Inspection and Certification of Aquaculture, Inland and Marine Products and their By-products*

4.—(1) The Minister may, from time to time, designate as inspectors for the purposes of this Act, public officers or other persons who, by training and experience, are, in his opinion, qualified to be so designated.

(2) Each inspector shall be furnished with an identification card and shall, on entering any place for the purpose of carrying into effect any of the functions specified in section 5, produce the identification card when required.

(3) The designation of any person as an inspector shall be published in the *Gazette*.

5.—(1) The functions of an inspector shall be—

(a) to inspect processing establishments, factory vessels, freezer vessels or carrier vessels in order to—

   (i) ensure compliance with provisions of this Act or any regulations made hereunder or any condition subject to which a licence is granted;

   (ii) examine the premises, facilities, equipment and staff in order to determine whether they

[The inclusion of this page is authorized by L.N. 3/2001]
comply with the requirements of the Public Health Act and this Act or any regulations made hereunder with respect to standards of sanitation and hygiene;

(iii) verify whether aquaculture, inland and marine products and their by-products and any equipment, material or other item used or found in any processing establishment, factory vessel, freezer vessel or carrier vessel are handled and treated correctly;

(iv) ensure the correct application and functioning of purification and conditioning systems;

(v) monitor the use of health marks;

(vi) determine the suitability of any processing establishment, factory vessel, freezer vessel or carrier vessel for the processing of aquaculture, inland or marine products or their by-products to be granted a licence and an operating certificate under this Act or any regulations made hereunder;

(b) to monitor the relay and production areas of aquaculture, inland and marine products for the purposes of—

(i) controlling any malpractice with regard to the origin and destination of aquaculture, inland and marine products and their by-products;

(ii) determining the microbiological quality of live marine products in relation to such areas;

(iii) detecting the presence of toxin-producing plankton, biotoxins and chemical contaminants in aquaculture, inland and marine products and their by-products;

[The inclusion of this page is authorized by L.N. 3/2001]
(c) to monitor the implementation of any plans or schemes established by the competent authority;

(d) to examine any aquaculture, inland or marine product or its by-product;

(e) to certify for export, any such aquaculture, inland or marine product or its by-product;

(f) to take samples of any aquaculture, inland or marine product or its by-product or any other article, from any place within a licensed processing establishment or licensed vessel in order to determine whether proper sanitary conditions are being maintained;

(g) to inspect any container, vehicle, aircraft or vessel which is used or intended to be used for the storage or transportation of aquaculture, inland or marine products or their by-products;

(h) to open and examine any container, vehicle or other storage device at licensed processing establishments or on licensed vessels which is reasonably believed to contain any aquaculture, inland or marine product or its by-product;

(i) to tag—

(i) any aquaculture, inland or marine products or their by-products and any container or package in which they are stored, which contravene or which the inspector believes to contravene the requirements of this Act and any regulations made hereunder; and

(ii) any equipment which is not in use or should not be used;

(j) to give directives to the owner, agent or person in charge of any container, vehicle, aircraft, boat or vessel which is used or intended to be used for the
storage or transportation of aquaculture, inland or marine products or their by-products;

(k) to examine and, where necessary, make copies of or take extracts from any records and documents in relation to any aquaculture, inland or marine products or their by-products which consignors are required to keep pursuant to this Act or any regulations made hereunder.

(3) An inspector may—

(a) in accordance with the provisions and procedures specified in regulations made under section 37—
   (i) detain any aquaculture, inland or marine products or their by-products or any article which is at a processing establishment, factory vessel, freezer vessel or carrier vessel, if he reasonably believes that there is a contravention of any provision of this Act or those regulations;
   (ii) condemn, seize and destroy any aquaculture, inland or marine products or their by-products that are detained pursuant to subparagraph (i);

(b) prohibit the receipt, storage or transportation for the purposes of export, or the export or entry for export of any aquaculture, inland or marine product or its by-product that he believes on reasonable grounds were harvested, handled or processed in contravention of this Act or any regulations made hereunder.

PART III. Administration

6.—(1) For the purposes of this Act, the competent authority shall—

(a) develop and implement policies and programmes

[The inclusion of this page is authorized by L.N. 3/2001]
to safeguard the public health of consumers of aquaculture, inland and marine products and their by-products;

(b) provide appropriate training programmes and consulting services relating to all aspects of the production, harvesting, processing, handling, storage and transport of aquaculture, inland and marine products and their by-products;

(c) grant licences and operating certificates—
   (i) in respect of the exportation of aquaculture, inland and marine products and their by-products;
   (ii) for the operation of processing establishments, factory vessels, freezer vessels and carrier vessels;

(d) promote public awareness and understanding of issues related to the production, harvesting, processing, handling, storage and transport of aquaculture, inland and marine products and their by-products;

(e) ensure and verify that only live aquaculture, inland and marine products are harvested exclusively from approved demarcated production areas;

(f) establish and maintain an official register of all licensed processing establishments, licensed vessels and consignors;

(g) compile a list of licensed processing establishments, licensed vessels and consignors;

(h) issue an export health certificate for each consignment in accordance with this Act and any regulations made hereunder;

(i) operate and maintain appropriate laboratories for the purpose of this Act;

[The inclusion of this page is authorized by L.N. 3/2001]
(j) establish systems for obtaining the assistance of such other laboratories as the competent authority considers necessary;

(k) assign an identification number to every licensed processing establishment, licensed vessel and consignor;

(l) demarcate and approve production areas, or make changes to areas so demarcated from which aquaculture and inland and marine products shall be harvested for export;

(m) compile a list of production areas referred to in paragraph (l) or changes thereof and publish that list in the Gazette.

(n) monitor demarcated production areas to ensure compliance with the provisions of this Act and any regulations made hereunder;

(o) order the closure of demarcated production areas for the purposes of prohibiting the harvesting of aquaculture, inland and marine products or as the case may be, particular types of aquaculture, inland or marine products or their by-products;

(p) perform such other functions pertaining to the export of aquaculture, inland and marine products and their by-products as may be assigned to it, from time to time, by the Minister.

7. There is hereby established a Veterinary Committee for the purposes of this Act and the provisions of the Schedule shall have effect as to the constitution of the Veterinary Committee and otherwise in relation thereto.

[The inclusion of this page is authorized by L.N. 3/2001]
8.—(1) The functions of the Veterinary Committee shall be—

(a) to determine, after consultation with the competent authority, the method of shipment and packaging necessary for transport of aquaculture, inland and marine products and their by-products;

(b) to consult with the competent authority on matters under this Act requiring such consultation;

(c) to carry out such investigations as it considers necessary in relation to the operation of any licensed processing establishment, licensed vessel, or any consignor;

(d) to prepare and submit to the competent authority, annual reports regarding the export of aquaculture, inland and marine products and their by-products;

(e) to advise the competent authority on general policy relating to the export of aquaculture, inland and marine products and their by-products or any other matters in respect of which advice is sought by the competent authority;

(f) to initiate, carry out or support, research which, in its opinion, is relevant to any of its functions; and

(g) to perform such other functions pertaining to the export of aquaculture, inland and marine products and their by-products as may be assigned to it from time to time by the Minister.

(2) The Veterinary Committee shall make recommendations—

(a) in respect of the grant of licences and operating certificates in respect of processing establishments, factory vessels, freezer vessels, carrier vessels and consignors; and

[The inclusion of this page is authorized by L.N. 3/2001]
(b) the export of aquaculture, inland and marine products and their by-products.

(3) In the exercise of its functions under this Act the Veterinary Committee may—

(a) summon and examine witnesses;
(b) require the production of documents; and
(c) administer oaths.

PART IV. Restrictions on Export of Aquaculture, Inland and Marine Products and their By-products and Operation of Processing Establishments, Factory Vessels, Freezer Vessels and Carrier Vessels

9. Except under and in accordance with the provisions of this Act and any regulations made hereunder, no person shall—

(a) export or enter for export any aquaculture, inland or marine products or their by-products; or

(b) operate a processing establishment, factory vessel, freezer vessel or carrier vessel for the production, harvesting, processing, handling, storage or transport of any aquaculture, inland or marine product or its by-product for export.

PART V. Application, Grant, Refusal, Renewal, Suspension and Revocation of Licence and Appeal

10.—(1) Every person who proposes to export or enter for export any aquaculture, inland or marine product or its by-product shall apply in the prescribed form and manner to the competent authority for a licence to do so.
11.—(1) Every person who proposes to operate a processing establishment, factory vessel, freezer vessel or carrier vessel shall apply to the competent authority in the prescribed form and manner for a licence to do so.

(2) An application under subsection (1) shall be accompanied by the prescribed application fee and such information or document, if any, as the competent authority may require.

12.—(1) Upon receipt of an application under section 11 the competent authority shall cause an inspector to carry out an inspection of the processing establishment, factory vessel, freezer vessel or carrier vessel to which the application relates.

(2) The inspector shall submit to the competent authority a report in the prescribed form in respect of an inspection carried out pursuant to subsection (1).

(3) The competent authority may—

(a) grant a licence upon payment of the prescribed licence fee; or

(b) refuse to grant a licence.

(4) A licence granted under this section shall be subject to such terms and conditions as may be specified therein.

(5) Where the competent authority grants a licence under this section it shall issue an operating certificate to the licensee.
(6) Where the competent authority refuses to grant a licence under this Act, it shall so inform the applicant in writing stating the reasons therefor.

13. A licence granted pursuant to this Act shall not be transferable and shall be valid for such period, not exceeding twelve months as is specified therein.

14.—(1) The competent authority may refuse to grant a licence under this Act—

(a) where the Veterinary Committee recommends such refusal on the ground that the issue of the licence would not be in the public interest, having regard to such factors as the Veterinary Committee considers relevant;

(b) where an application contains or is based on a false or misleading representation or information which is false in a material particular;

(c) to an individual who—

(i) is under the age of eighteen years;

(ii) is an undischarged bankrupt; or

(iii) has been convicted during the period of ten years immediately preceding the application of an offence specified in subsection (2);

(d) to a body corporate—

(i) in respect of which a resolution has been passed for voluntary winding up or an order has been made by a court of competent jurisdiction for its winding up;

(ii) if a receiver has been appointed to manage any of its assets;

[The inclusion of this page is authorized by L.N. 3/2001]
AQUACULTURE, INLAND AND MARINE PRODUCTS AND BY-PRODUCTS (INSPECTION, LICENSING AND EXPORT)

(iii) if, during the period of ten years immediately preceding the application any of its directors has been convicted of an offence specified in subsection (2); or

(iv) which has been convicted during the period of five years immediately preceding the application of an offence under this Act.

(2) The offence referred to in subsection (1) is—

(a) an offence against this Act or any regulations made hereunder;

(b) an offence involving fraud or dishonesty; or

(c) an offence under the Dangerous Drugs Act.

Renewal of licence.

15.—(1) A licence granted pursuant to this Act may be renewed by the competent authority if—

(a) application for such renewal is made not later than thirty days before the date of expiry or within such longer period as the competent authority may allow;

(b) the competent authority is satisfied that—

(i) the applicant is operating in compliance with the provisions of this Act or any regulations made hereunder;

(ii) the equipment in the licensed establishment or licensed vessel is being operated in an efficient and hygienic manner;

(iii) only those export operations for which the establishment or vessel is licensed are being carried out by the applicant;

(c) the applicant has paid—

(i) any fee charged by the competent authority for services performed at, or in respect of,
the establishment or vessel to which the application relates;

(ii) any other fees or charges payable pursuant to this Act or any regulations made hereunder in relation to that establishment or vessel;

(d) there has been no material change in the circumstances which existed at the time the licence was granted which would justify the application being treated as a new application in accordance with subsection (2);

(e) the applicant or his servant or agent has not been convicted of an offence specified in section 14 (2).

(2) Where—

(a) an application for the renewal of a licence is made after the expiration of the period specified in subsection (1) (a); or

(b) the competent authority is satisfied that a material change of circumstance has occurred since the licence or certificate was granted,

it shall treat the application as a new application, and accordingly, the provisions of sections 10, 11, 12 and 14 shall apply to that application.

16.—(1) Where the competent authority grants a licence for the operation of a processing establishment, factory vessel, freezer vessel or carrier vessel, it shall—

(a) allot an identification number to that establishment or vessel; and

(b) specify in the licence so granted—

(i) the export operations to which the licence relates; and

[The inclusion of this page is authorized by L.N. 3/2001]
(ii) the identification number allotted pursuant to paragraph (a).

(2) The number so assigned shall be affixed in the prescribed manner to the packaging of any product or by-product which is examined by an inspector and found to be in good condition and fit for export.

17. The competent authority shall not issue a licence retrospectively in respect of any aquaculture, inland or marine product or its by-product.

18.—(1) Subject to subsection (2), the competent authority may suspend a licence if—

(a) the licensee has failed to pay any fees or other charges required by this Act or any regulations made hereunder;

(b) the licensee is in breach of—

(i) any provision of this Act or any regulations made hereunder; or

(ii) any term or condition subject to which the licence is granted;

(c) it is satisfied that it is not possible to carry out a proper inspection of products and by-products processed by the licensee at an establishment or vessel;

(d) a licensee notifies the competent authority in writing that he intends to cease the operations for which he is licensed for the period stated in the notice.

(2) Before suspending a licence under subsection (1) (a), (b) or (c), the competent authority shall notify the licensee in writing of the proposed suspension—

(a) stating the reason therefor;
(b) requiring the licensee, in the case of a breach, to remedy the breach within the time specified in the notice.

(3) A licensee who is served with a notice under subsection (2) shall, after remedying the breach which gave rise to the suspension, notify the competent authority in writing that the breach has been remedied.

(4) The competent authority shall, upon receipt of a notice referred to in subsection (3), cause an inspection to be carried out and if on inspection, the inspector is satisfied that the breach has been remedied, he shall report in writing to the competent authority which shall withdraw the notice of suspension.

19.—(1) The competent authority may revoke a licence if it is satisfied that—

(a) a licensee has ceased to comply with the provisions of this Act or any regulations made hereunder in relation to the licensed processing establishment, vessel or export operations;

(b) the application for the licence contained any false or misleading information in any material particular;

(c) the licensee has failed to remedy a breach which gave rise to a suspension of the licence under section 18, within the time specified in a notice under subsection (2) of that section;

(d) any fee or other charge payable by the licensee remains unpaid for a period of ninety days after the suspension of the licence.

(2) Where a licence is revoked pursuant to this section—

---

[The inclusion of this page is authorized by L.N. 3/2001]
(a) any export health certificate issued to an operator or consignor shall cease to be valid;

(b) the licence shall be returned forthwith to the competent authority.

20.—(1) A person who is aggrieved by the decision of the competent authority not to grant a licence or to suspend or revoke his licence may appeal in writing to the Minister within fourteen days of the date of notification of the decision.

(2) The appeal shall set out the grounds of the appeal and shall be accompanied by copies of any correspondence, documents or statements relevant to the appeal.

(3) Notice in writing of the appeal together with copies of any correspondence, documents or statements referred to in subsection (2) shall be served on the competent authority.

(4) The Minister shall, within seven days of the receipt of an appeal under subsection (1), request the competent authority to furnish him, within seven days, with a statement in writing setting out the reasons for its decision.

(5) The Minister may order that any books, paper, documents or statements relating to the appeal which are in the possession of the person aggrieved or the competent authority be produced at the hearing of the appeal.

(6) The Minister shall cause all parties to the appeal to be informed—

(a) of the date of the hearing of the appeal;

(b) that they may appear in person or by their representative; and

(c) that they may summon witnesses in their cause.

[The inclusion of this page is authorized by L.N. 3/2001]
PART VI. Certificates and Records

21. Every licensee shall display the operating certificate issued to him in a conspicuous place in the licensed establishment or licensed vessel.

22. Every licensee shall apply to the competent authority for an export health certificate in respect of every consignment of aquaculture, inland and marine products and their by-products.

23. Every licensee shall keep such books, documents, records or things as may be prescribed.

PART VII. Offences and Penalties

24. Every person who exports or enters for export any aquaculture, inland or marine product or its by-product without a valid licence or export health certificate under this Act or any regulations made hereunder commits an offence, and is liable on summary conviction in a Resident Magistrate's Court to a fine not exceeding one million dollars or to imprisonment for a term not exceeding two years or to both such fine and imprisonment and, where the offence is continued after conviction, that person commits a further offence and is liable on summary conviction as aforesaid to a further fine not exceeding fifty thousand dollars per day for each day on which the offence is so continued.

25. Every person who—

(a) exports or enters for export any aquaculture, inland or marine product; or

(b) operates any processing establishment, factory vessel, freezer vessel or carrier vessel or any other
facility or installation for the purpose of harvesting, handling or processing for export, any aquaculture, inland or marine product or its by-product, in contravention of this Act and any regulations made hereunder, commits an offence, and is liable on summary conviction in a Resident Magistrate’s Court to a fine not exceeding one million dollars or to imprisonment for a term not exceeding two years or to both such fine and imprisonment, and where the offence is continued after conviction, he commits a further offence, and is liable on summary conviction as aforesaid to a further fine not exceeding fifty thousand dollars per day for each day on which the offence is so continued.

26. Every person who harvests, handles or processes for export or who exports any aquaculture, inland or marine product or its by-product originating in an area which is not approved by the competent authority under this Act commits an offence, and is liable on summary conviction in a Resident Magistrate’s Court to a fine not exceeding one million dollars or to imprisonment for a term not exceeding two years or to both such fine and imprisonment, and where the offence is continued after conviction, he commits a further offence, and is liable on summary conviction as aforesaid to a fine not exceeding fifty thousand dollars per day for each day on which the offence is so continued.

27. Any person who exports or enters for export, any aquaculture, inland or marine product or by-product without an identification number affixed to the packaging thereof as required by this Act and regulations made hereunder, commits an offence and is liable on summary conviction in a Resident Magistrate’s Court to a fine not exceeding four

[The inclusion of this page is authorized by L.N. 3/2001]
hundred thousand dollars or to imprisonment for a term not exceeding six months or to both such fine and imprisonment.

28. Any person who operates his business for the purposes of export of aquaculture, inland or marine product or its by-product in any period during which his licence is suspended or revoked, commits an offence and is liable on summary conviction in a Resident Magistrate’s Court to a fine not exceeding two million dollars or to imprisonment for a term not exceeding three years or to both such fine and imprisonment, and where the offence is continued after conviction he commits a further offence and is liable on summary conviction as aforesaid to a further fine not exceeding one hundred thousand dollars per day for each day on which the offence is so continued.

29. Any authorized officer who in the performance of his functions under this Act—

(a) accepts a bribe in cash, goods, service or kind; or

(b) falsifies any record or report,

commits an offence and is liable on summary conviction in a Resident Magistrate’s Court to a fine not exceeding one million dollars or to imprisonment for a term not exceeding twelve months or to both such fine and imprisonment.

30. Every person who—

(a) for the purposes of obtaining, whether for himself or for any other person, the issue, grant or renewal of any licence under this Act, makes any declaration or statement which is false or misleading in any particular;

[The inclusion of this page is authorized by L.N. 3/2001]
(b) knowingly furnishes to an authorized officer any document containing information which is false or misleading;

c) knowingly utters, produces, or makes use of any such declaration or statement or any document containing any false declaration or statement;

d) falsifies or amends any information contained in a licence or operating certificate, commits an offence and shall be liable on summary conviction in a Resident Magistrate's Court to a fine not exceeding two million dollars or to imprisonment for a term not exceeding three years or to both such fine and imprisonment.

31. Any person who threatens, assaults or obstructs an authorized officer acting in the execution of his duties under this Act commits an offence and shall be liable on summary conviction in a Resident Magistrate's Court to a fine not exceeding two hundred thousand dollars or to imprisonment for a term not exceeding twelve months.

32. Every person who—

(a) fails to keep any records or other documents required by this Act or any regulations made hereunder;

(b) fails, without reasonable excuse, to produce any such books, records or other documents, commits an offence and shall be liable on summary conviction in a Resident Magistrate's Court to a fine not exceeding two hundred thousand dollars, or to imprisonment for a term not exceeding six months or to both such fine and imprisonment.
PART VIII. Enforcement

33.—(1) An authorized officer (other than a person referred to in paragraph (a) of the definition of “authorized officer” in section 2 (1) may, for the purpose of the execution of this Act, enter at all reasonable times the business premises of any person exporting or suspected of exporting any aquaculture, inland or marine product or its by-product and inspect any book, document, permit, certificate or record or things relating thereto.

(2) An authorized officer referred to in subsection (1) may, during the course of an inspection pursuant to subsection (1), seize and detain—

(a) any product or by-product found therein; or

(b) any equipment or other article found therein,

which the authorized officer reasonably believes is being used in contravention of any provision of this Act.

34.—(1) Where an authorized officer referred to in section 33 has reasonable cause to suspect that—

(a) any aquaculture, inland or marine product or its by-product; or

(b) any vehicle, aircraft, vessel, article, enclosure, container or other storage facility, device or apparatus (hereinafter referred to as “specified equipment”), is being used or has been used in the commission of an offence against this Act, such authorized officer may, without a warrant, search the specified equipment, and if such search reveals evidence that the specified equipment is being used or has been used for the commission of any offence as aforesaid, the authorized officer may seize and detain the specified equipment.

(2) Where a person is convicted of an offence under this Act in relation to which any specified equipment seized and detained under subsection (1) is used in committing the offence, the Court may, on an application by the Director of Public Prosecutions order that the specified equipment be forfeited to the Crown.

35.—(1) Where the Director of Public Prosecutions proposes to apply to the Court for an order of forfeiture under subsection (2) of section 34 the Director of Public Prosecutions shall, subject to subsection (4) of this section, notify in writing the owner of and any person (if known) having an interest in the specified equipment that he proposes to apply for such an order.

(2) The owner or other person notified under subsection (1) may appear before the court at the hearing of the application and show cause why the specified equipment should not be forfeited.

(3) Where the Director of Public Prosecutions is unable to ascertain the owner of or any person having an interest in any specified equipment to which this section applies, he shall publish a notice in a daily newspaper circulating in Jamaica regarding the intention to apply to the Court for an order for forfeiture, not less than thirty days prior to the application.

(4) Notice shall not be required under subsection (1) if the seizure or detention of the specified equipment was made in the presence of the owner or person having an interest in the specified equipment.

(5) If, upon the application of a person prejudiced by an order made under subsection (2) of section 34, the Court is satisfied that it is just in the circumstances of the case to revoke such order, the Court may revoke such order.

upon such terms and conditions, if any, as it deems appropriate, and without prejudice to the generality of the foregoing, may require such person to pay in respect of storage, maintenance, administrative expenses, security and insurance of the specified equipment, such amount as may be charged by the person in whose custody the specified equipment was kept.

(6) An application to the Court under subsection (5) for the revocation of a forfeiture order shall be made within thirty days of the date of the making of such an order or such longer period not exceeding six months, as the Court may allow.

36. Where a Justice of the Peace is satisfied by information on oath by an authorized officer that there is reasonable ground for suspecting—

(a) that any aquaculture, inland or marine product or by-product is in the possession or under the control of any person on any premises in contravention of the provisions of this Act or of any regulations made hereunder; or

(b) that there is in the possession of or under the control of any person on any premises, any document directly or indirectly relating to or connected with any transaction or dealing in any aquaculture, inland or marine product or by-product which, if carried out would be an offence against this Act, or which relates to a transaction or dealing carried out or intended to be carried out in any place outside the Island and which would be an offence against the provisions of any corresponding law in force in that place,

the Justice of the Peace may grant a search warrant authorizing the authorized officer named in the warrant, at any
