Second  
Schedule.  
Form A.

4.—(1) Application for a river raft licence shall be made in writing to the Authority in the form prescribed as Form A in the Second Schedule and shall be addressed to the secretary of the Authority.

(2) Subject to the provisions of regulation 5, every application for a river raft licence, properly made and referred to the Authority, shall be considered on its merits by the Authority which may, in its discretion, grant or refuse such licence or may grant such licence subject to such conditions as it may think fit.

(3) Where the Authority grants a licence subject to conditions, the Authority may from time to time vary such conditions as it considers necessary or expedient and may suspend or revoke such licence for a breach of any condition specified in such licence.

5.—(1) Before considering an application for a river raft licence, the Authority shall require a rafting officer to examine the river raft and to report on its condition to the Authority.

(2) Where, upon examination, the rafting officer is satisfied that the river raft for which the application for a river raft licence is made is suitable for the purpose and in good condition, he shall issue to the applicant a certificate of fitness in respect of such river raft and shall forward a copy of such certificate of fitness to the Authority.

(3) Every applicant for a river raft licence shall produce the river raft in respect of which the licence is required for examination by a rafting officer at such time and such place as the rafting officer may specify.

(4) A river raft licence shall not be granted by the Authority in respect of any river raft unless there is in force a certificate of fitness issued by a rafting officer in respect of such river raft.

**6.** Every river raft licence granted under these Regulations shall be in the form prescribed as Form B in the Second Schedule and shall be valid for a period of one calendar year from the date on which it is issued unless it is sooner revoked or cancelled. Form B.

**7.—(1)** Where it appears to a rafting officer, on the inspection of a river raft in respect of which a certificate of fitness has been issued, that such river raft is no longer suitable for the purpose or is no longer in good condition, the rafting officer may revoke such certificate of fitness.

(2) Where he has revoked a certificate of fitness pursuant to the provisions of paragraph (1), a rafting officer shall forthwith report such revocation to the Authority.

(3) Where there is in force in respect of a river raft a river raft licence issued by the Authority, and a rafting officer reports to the Authority that the certificate of fitness in respect of such river raft has been revoked, the Authority may suspend such river raft licence until such time as it is satisfied that there is again in force a valid certificate of fitness in respect of such river raft.

**8.—(1)** Every river raft for which a river raft licence has been granted (hereinafter referred to as a "licensed river raft") shall—

- (a) have its licence number clearly painted thereon;

(2) Every person who operates a licensed river raft in contravention of this regulation shall be liable to have his licence suspended or revoked.

10. Where the Authority is satisfied—

- (a) that a licensed river raft has been lost or destroyed or has become unserviceable;
- (b) that the period for which the river raft licence in respect of such raft was issued has not expired; and
- (c) that the holder of the river raft licence in respect of such river raft has replaced such river raft with a serviceable river raft in respect of which he has been granted a certificate of fitness and has complied with all the requirements for the licensing of a river raft,

the Authority may cancel the licence in respect of the original river raft and may issue a licence for the serviceable river raft for the unexpired period of the original licence without the payment of a further licensing fee.

11.—(1) No licensed river raft shall be under way on any river specified in the Fourth Schedule unless it is under the control of a raftsman licensed in accordance with the provisions of these Regulations.

(2) Any person who—

- (a) operates a licensed river raft without being licensed as a raftsman; or
- (b) either on his own behalf or acting as an agent for some other person, knowingly employs any person who is not a licensed raftsman to operate a licensed river raft,

13.—(1) Subject to the provisions of regulation 14, every application for a raftsman's licence, properly made and referred to the Authority, shall be considered on its merits by the Authority which may, in its discretion, grant or refuse such licence or may grant such licence subject to such conditions as it may think fit.

(2) Where the Authority grants a raftsman's licence subject to conditions, the Authority may from time to time vary such conditions as it may think necessary, and may suspend or revoke such licence for a breach of any condition specified in such licence.

14. Before considering an application for a raftsman's licence, the Authority—

- (a) shall require a rafting officer to examine the applicant and submit to the Authority a report on his ability to operate a river raft and his suitability to be a raftsman;
- (b) may require the applicant to submit to the Authority a certificate from the Medical Officer (Health) for the parish that he is not suffering from any disease or physical disability such as would be likely to cause the operation by him of a river raft to be a source of danger to any passenger on such raft or to any member of the public.

15.—(1) Every raftsman's licence granted under these Regulations shall be in the form prescribed as Form D in the Second Schedule and shall be valid for a period of one calendar year from the date on which it is issued unless it is sooner revoked or cancelled. Form D.

(2) Where a raftsman's licence has been suspended or revoked, such raftsman shall not, during the period of such suspension or after such revocation, perform the duties of a raftsman or take or attempt to take any passengers on any licensed river raft.

Provided that, in such a case, the Authority or any committee to which it delegates such functions by virtue of paragraph 13 of the Schedule to the Act, shall, within twenty-one days of such suspension, conduct an enquiry into the matter in accordance with the provisions of regulation 32.

(2) Any person who, during such suspension or after such discontinuance, takes or attempts to take passengers rafting on any licensed river raft shall be guilty of an offence and liable on summary conviction thereof before a Resident Magistrate to a fine not exceeding two hundred dollars and, in default of payment thereof, to imprisonment for a period not exceeding six months.
