The Honorable Diego T. Benavente  
Speaker, House of Representatives  
Eleventh Northern Marianas  
Commonwealth Legislature  
Saipan, MP 96950

and

The Honorable Paul A. Manglona  
President of the Senate  
Eleventh Northern Marianas  
Commonwealth Legislature  
Saipan, MP 96950

Dear Mr. Speaker and Mr. President:

This is to inform you that I have signed into law House Bill No. 11-358, cited as the "Commonwealth Environmental Amendments Act of 1999," which was passed by the Eleventh Northern Marianas Commonwealth Legislature.

This legislation is necessary to be consistent and to bring the Commonwealth into compliance with federal environmental laws and regulations that apply in the CNMI. In addition, the modifications to our existing environmental laws contained in this measure will bring the Commonwealth closer to compliance with the actions required to be taken under the Administrative Order regarding the Puerto Rico Dump.

This measure also provides for an establishment of a special account in which certain funds are deposited, to be expended by the Director of the Division of Environmental Quality (DEQ) or his/her designee. For clarification purpose, such funds must still be specifically identified and appropriated through the process of an appropriation bill before they can be expended.

This bill becomes Public Law No. 11-103. Copies bearing my signature are forwarded for your reference.

Sincerely,

PEDRO P. TENORIO

CC: Director, Division of Environmental Quality; Special Assistant for Programs & Legislative Review

BE IT ENACTED BY THE ELEVENTH NORTHERN MARIANAS COMMONWEALTH LEGISLATURE:

Section 1. Short Title. This act may be cited as the "Commonwealth Environmental Amendments Act of 1999".

Section 2. Findings. The Legislature finds and declares that as a policy, the Commonwealth should update its environmental laws to be consistent and compatible with applicable federal EPA requirements. Towards that end, the amendments made in this Act will make our present environmental laws consistent with applicable federal laws and regulations.

Section 3. Amendments. 2 CMC, Division 3, Chapter 1, Article 3, §3131 is hereby amended by adding a new subsection (i) and amending §3131(c) and (h) to read as follows:

"(i) After exhausting administrative appeals procedures, a person shall be allowed under this Chapter, as a matter of right, to file a civil action within the limits prescribed by law.

§3131(c). If any person fails to comply with any provision of this chapter, or any regulation or order issued under this chapter, or any term of a permit granted pursuant to this chapter, after notice of failure and the expiration of any reasonable period allowed for corrective action, the person is liable for a civil or criminal penalty of not more than $25,000 for each day of the continuance of the violation. A person is liable for an additional penalty for any amount expended by any agency of the Commonwealth in taking any necessary action to reverse or reduce any
significant adverse effect of the violation when the person is unwilling or unable to do
so. If appropriate, any permit granted to a person pursuant to this chapter may be
revoked, suspended, or modified. The director may assess, collect, and compromise
any penalty. No penalty shall be assessed until the person charged with a violation has
been given an opportunity for a hearing before the Director or a person designated by
the Director for that purpose; provided, in emergencies the Director may summarily
suspend a permit pending proceeding under this subsection.

§3131(h). Any penalty or fine collected pursuant to this section and any permit

inspecting the premises and appropriate documents to determine compliance with
applicable regulations and/or the terms of any permit. The inspection may be made
with or without advance notice to any organization if done for a good purpose, at the
discretion of the Director, but shall be made at reasonable times unless an emergency
dictates otherwise."

Section 5. Amendments. 2 CMC, Division 3, Chapter 1, Article 3 is hereby amended
by adding a new §3135 to read as follows:

"§3135. Division of Environmental Quality Special Fund Account. The
Secretary of Finance shall establish a special fund account called the Division of
Environmental Quality Special Fund Account. All penalties and fines collected
pursuant to this section and any permit fee collected pursuant to regulations issued
under the authority of 2 CMC $3121 shall be deposited in this account. Such funds
shall not be subject to fiscal year limitation. The Director, or his or her designee, shall
