Schedule

All those pieces or parcels of land situated and being at Glover Island , in the Electoral Districts of Humber East, Grand Falls-Windsor-Buchans and St. George's-Stephenville East in the Province of Newfoundland and Labrador , abutted and bounded as follows, that is to say:

Beginning at a point on the northeasterly shoreline of Glover Island, that point being 90 metres above mean sea level where a brook flows into Grand Lake and having coordinates east 460 209.900 metres, north 5 416 240.146 metres, more or less;

Then running along the sinuosities of the shoreline of Glover Island in a general clockwise direction at 90 metres above mean sea level for a distance of 86.386 kilometres, more or less, to the point of beginning.

The above described piece or parcel of land being subject to a Newfoundland and Labrador Hydro Line Easement 38.1 metres wide, extending through the land in the northeast along the existing transmission line from east 460 806.291 metres, north 5 412 807.808 metres, to east 457 059.565 metres, north 5 414 079.338 metres, more or less.

The above described piece or parcel of land containing 176.503 kilometres squared, more or less.

Reserving and excepting out of the above described pieces or parcels of land, however, all those pieces or parcels of land lawfully alienated from the Crown.

All bearings and coordinates being referred to Zone 21 of the Universal Transverse Mercator Projection, North American Datum 1983.
