Conflict with Efficiency Nova Scotia Corporation Act
3 Where there is a conflict between this Act or the regulations and the Efficiency Nova Scotia Corporation Act or the regulations made pursuant to that Act, this Act and the regulations prevail. 2014, c. 5, s. 3.

Transfer of business information
4 (1) The Corporation shall, on or before the Implementation Date, transfer to the first franchise holder all of its business information, including any business information that is personal information.

(2) Information transferred pursuant to this Section is subject to the same conditions on the transfer to which it was subject when held by the Corporation.

(3) A transfer to the first franchise holder pursuant to this Section of information that is subject to any privilege, including solicitor-client privilege, does not constitute a waiver of the privilege.

(4) No person has or may maintain any cause of action or claim against Her Majesty in right of the Province, the Minister, the Corporation, Nova Scotia Power Incorporated or the first franchise holder arising from or in relation to any transfer of information by the Corporation to the first franchise holder pursuant to this Section. 2014, c. 5, s. 4.

Assignment of agreements
5 (1) Notwithstanding any agreement to the contrary and subject to the regulations, any agreement to which the Corporation is a party that is in effect immediately before the Implementation Date and not excluded from assignment by the regulations is assigned to the first franchise holder, effective on the Implementation Date.

(2) Where an agreement is assigned pursuant to subsection (1),

(a) the assignment is effective notwithstanding any restriction on transfer or assignment provided for in the agreement;

(b) the assignment is not subject to any notice requirement in the agreement or otherwise existing at law; and

(c) no person has or may maintain any cause of action or claim against Her Majesty in right of the Province, the Minister, the Corporation or the first franchise holder arising from or in relation to the assignment.

(3) Upon the assignment of an agreement pursuant to subsection (1), the first franchise holder has the same rights, privileges and obligations as the Corporation would have had if the Corporation had remained a party to the agreement. 2014, c. 5, s. 5.
Transfer of employees

6 (1) Notwithstanding any agreement to the contrary and subject to the regulations, every person who is an employee of the Corporation immediately before the Implementation Date becomes an employee of the first franchise holder on the Implementation Date and ceases to be an employee of the Corporation.

(2) The continuity of employment of an employee transferred pursuant to this Section is not broken by the operation of this Section.

(3) Every such employee’s employment by the first franchise holder is deemed to include the period of employment as an employee of the Corporation.

(4) The first franchise holder is bound by any employment agreement between the Corporation and an employee transferred pursuant to this Section as if the franchise holder were the Corporation. 2014, c. 5, s. 6.

Vesting of assets, liabilities and obligations

7 (1) Subject to the regulations and subsection (3), effective on the Implementation Date,

(a) all of the assets of the Corporation existing immediately before the Implementation Date, including, for greater certainty, the Fund, are vested in the first franchise holder; and

(b) all of the liabilities and obligations of the Corporation existing immediately before the Implementation Date become the liabilities and obligations of the first franchise holder.

(2) Upon the vesting of the Fund in the first franchise holder, the first franchise holder shall wind up the Fund as directed by the Review Board and is responsible for the management of the Fund until it is wound up.

(3) Any claim pursuant to the Excise Tax Act (Canada) and any related right of action are not affected by this Section. 2014, c. 5, s. 7.

Assets acquired on or after Implementation Date
