(b) in relation to property included in Schedule 1 by an amendment made by an Act--the date on which the amendment takes effect.

"transferor", in relation to property, means the person or body in whom or which the property was vested immediately before the transfer date.

18 Transfer of property described in Schedule 1 to Property NSW

(1) On the transfer date relating to property described in Schedule 1, the property vests in Property NSW for an estate in fee simple (or such other interest as is specified in the Schedule):

(a) without the need for any further conveyance, transfer, assignment or assurance, and
(b) subject to any trusts, estates, interests, dedications, conditions, restrictions and covenants to which the land was subject immediately before the transfer date.

(2) On the transfer date relating to property described in Schedule 1, the following provisions have effect:

(a) the rights or liabilities of the transferor in relation to the property become by virtue of this section the rights or liabilities of Property NSW,
(b) all proceedings relating to the property commenced before the transfer date by or against the transferor or a predecessor of the transferor and pending immediately before the transfer date are taken to be proceedings pending by or against Property NSW,
(c) any act, matter or thing done or omitted to be done in relation to the land before the transfer date by, to or in respect of the transferor is (to the extent to which that act, matter or thing has any force or effect) taken to have been done or omitted by, to or in respect of Property NSW,
(d) a reference in any Act, in any instrument made under any Act or in any document of any kind to the transferor or a predecessor of the transferor is (to the extent that it relates to that property or those rights or liabilities but subject to the regulations), to be read as, or as including, a reference to the transferee.

(3) Regulations may be made for or with respect to the conversion of references to the transferor in any document or class of document to references to the transferee as a consequence of any transfer of property under this Part.

19 Transfer of additional property to Property NSW--amendment of Schedule 1

(1) The Governor may, by order published on the NSW legislation website, amend Schedule 1 by inserting the description of any property.

(2) Property is authorised to be included in Schedule 1 by order under this section only if it is property of a government agency (including vacant Crown land). Subject to section 18 (1) (b), this section does not prevent land, the fee simple in which is vested in Her Majesty, the Crown or a government agency, from being transferred by order under this section even if the land is subject to other interests.
(3) Property is not authorised to be included in Schedule 1 by order under this section if it comprises, wholly or in part, any of the following:

(a) land that is reserved under the National Parks and Wildlife Act 1974 as a national park, historic site, state conservation area, regional park, nature reserve or karst conservation reserve or land that is acquired under Part 11 of the National Parks and Wildlife Act 1974,
(b) any area that is declared as a marine park under the Marine Estate Management Act 2014,
(c) any land that is reserved or dedicated under an Act for any purpose, being a reservation or dedication that can only be revoked by an Act,
(d) Crown managed land within the meaning of the Crown Land Management Act 2016 unless the Minister for Lands has given concurrence to the transfer of the particular land identified by the Minister administering this Act.

(4) Subject to the other provisions of this section, property may be transferred by order under this section despite any requirement of any other Act or law that relates to dealing with or disposing of the property.

20 Effect of transfer of property under this Part

(1) No compensation is payable to any person or body in connection with the operation of this Part.
(2) The operation of this Part is not to be regarded:

(a) as a breach of contract or confidence or otherwise as a civil wrong, or
(b) as a breach of any contractual provision prohibiting, restricting or regulating the assignment or transfer of assets, rights or liabilities, or
(c) as giving rise to any remedy by a party to an instrument, or as causing or permitting the termination of any instrument, because of a change in the beneficial or legal ownership of any asset, right or liability.

(3) The operation of this Part is not to be regarded as an event of default under any contract or other instrument.
(4) No attornment to the transferee by a lessee from a transferor is required.
(5) No provision in a lease transferred under this Part to Property NSW is breached solely because Property NSW sublets the property the subject of the lease to a government agency.

20A Transfers operate to revoke existing reservations or dedications

(1) This section applies to Crown land within the meaning of the Crown Land Management Act 2016.
(2) The vesting of Crown land under this Act revokes any dedication or reservation of the land under the Crown Land Management Act 2016.
(3) This section extends to any Crown land vested under this Act before the commencement of this section that was dedicated or reserved under the Crown Lands Act 1989.

      (ii) the date and source of that valuation,

(4) A government agency that is a statutory body must, at intervals of not more than 3 years, review a valuation of the current market value of land to which subsection (2) (d) applies.

Schedule 2 has effect.

24 (Repealed)

date of assent to this Act.

**Schedule 2 Savings, transitional and other provisions**

(Section 23)

**Part 1 – General**
1 Regulations
(1) The regulations may contain provisions of a savings or transitional nature consequent on the enactment of this Act or any Act that amends this Act.
(2) Any such provision may, if the regulations so provide, take effect from the date of assent to the Act concerned or a later date.
(3) To the extent to which any such provision takes effect from a date that is earlier than the date of its publication in the Gazette, the provision does not operate so as:
(a) to affect, in a manner prejudicial to any person (other than the State or an authority of the State), the rights of that person existing before the date of its publication, or
(b) to impose liabilities on any person (other than the State or an authority of the State) in respect of anything done or omitted to be done before the date of its publication.

Any thing that was done before the commencement of this clause that could have been validly done under this Act if the amendments made to this Act by the Statute Law (Miscellaneous Provisions) Act 2008 had been in force when it was done is taken to have been validly done on and from the time when it was done.

3 Transfer of certain property removed from Schedule 1
(1) This clause applies to Lot 7, Section 5 in Deposited Plan 759003.
(2) On the transfer date, the property to which this clause applies vests in the original owner for an estate in fee simple:
(a) without the need for any further conveyance, transfer, assignment or assurance, and
(b) subject to any trusts, estates, interests, dedications, conditions, restrictions and covenants to which the land was subject immediately before the transfer date.
(3) Sections 18 (2) and 20 (1)-(4) apply, with any necessary modifications, to, and in respect of, the transfer of the property by the operation of this clause in the same way as those provisions apply to and in respect of the transfer of property under Part 4.
(4) For the avoidance of doubt, in section 18 (2), as applied:
(a) a reference to the transfer date is taken to be a reference to the transfer date within the meaning of this clause, and
(b) a reference to Government Property NSW is taken to be a reference to the original owner, and
(c) a reference to the transferor is taken to be a reference to Government Property NSW.
(5) In this clause: "original owner" means the government agency which held the property to which this clause applies immediately before it was vested in Government Property NSW by this Act. "transfer date" means the date on which the description of the property to which this clause applies was omitted from Schedule 1 by the Statute Law (Miscellaneous Provisions) Act 2009.

4 Transfer date of amended descriptions
For the avoidance of doubt, the amendment of the description of a lease listed in Schedule 1 by
the Statute Law (Miscellaneous Provisions) Act 2009 does not affect the date on which the transfer of that lease was purported to occur.

**Part 4 – Provisions consequent on enactment of Environmental Planning and Assessment Amendment Act 2012**

5 Definition
In this Part:

"amending Act" means the Environmental Planning and Assessment Amendment Act 2012.

6 Change of name of State Property Authority to Government Property NSW
The substitution of section 4 of this Act by the amending Act effects the alteration of the name of the State Property Authority in terms of section 53 of the Interpretation Act 1987 and accordingly that section applies.

Section 53 of the Interpretation Act 1987 provides that if an Act alters the name of a body or office:

(a) the body or office continues in existence under its new name so that its identity is not affected, and
(b) a reference in any Act or instrument, or in any other document, to the body or office under its former name is to be read as a reference to the body or office under its new name (except in relation to matters that occurred before the alteration took place).

**Part 5 – Provision consequent on enactment of Statute Law (Miscellaneous Provisions) Act (No 2) 2016**

7 Change of name of Government Property NSW to Property NSW
The substitution of section 4 of this Act by the Statute Law (Miscellaneous Provisions) Act (No 2) 2016 effects the alteration of the name of Government Property NSW in terms of section 53 of the Interpretation Act 1987 and accordingly that section applies.
