   (2) (Repealed)

3 Objects
   (1) The objects of this Act are as follows:
       (a) to encourage the development of a competitive market in gas, so as to promote
           the thermally efficient use of gas and to deliver a safe and reliable supply of gas in
           compliance with the principles of ecologically sustainable development contained
           in section 6 (2) of the Protection of the Environment Administration Act 1991,
           (b) to regulate gas reticulation and gas supply, so as to protect the interests of
               customers,
               (b1) to facilitate the continuity of supply of natural gas to customers,
               (c) to promote the safe use of gas.
   (2) For the purpose of enabling the objects of this Act to be achieved, the Minister, the
       Tribunal and any review panel each have the duties set out in subsections (3)-(6).
   (3) In relation to licensed distributors involved in the reticulation of gas, the duties are as
       follows:
           (a) to ensure that such persons satisfy, so far as it is economical for them to do so,
               all reasonable demands for the conveyance of gas,
           (b) to take proper account of the business interests of such persons and the ability
               of such persons to finance the provision of gas reticulation services,
           (c), (d) (Repealed)
           (e) to take proper account of the interests of gas users in respect of transportation

(b) to promote the efficient and safe operation of gas distribution pipelines and gas distribution systems.

(4) (Repealed)

(5) In relation to gas users, the duties are to promote the efficient and safe use of gas.

(6) Nothing in this section permits or requires this Act to be construed in a way that is inconsistent with the National Gas (NSW) Law or the National Gas (NSW) Regulations or the National Energy Retail Law (NSW) or the National Energy Retail Regulations (NSW).

(7) Nothing in subsections (2)-(6) gives rise to, or can be taken into account in, any civil cause of action.

4 Definitions

(1) Expressions used in this Act that are defined in the Dictionary at the end of this Act have the meanings set out in the Dictionary.

(2) Words and expressions used in this Act (other than "distributor") have the same meaning as they have in the National Energy Retail Law (NSW) but (unless otherwise expressly provided) have that meaning only in relation to the supply of natural gas.

Part 2 – Natural gas authorisations and pricing orders

Division 1 – Authorisations

5 Prohibition of unauthorised gas reticulation

(1) A person must not operate a distribution pipeline for the purpose of conveying natural gas to any other person otherwise than under the authority of an authorisation. Maximum penalty: 500 penalty units (in the case of a corporation) and 50 penalty units (in any other case).

(2) A person does not operate a distribution pipeline for the purpose of conveying natural gas to another person merely because the person supplies natural gas to that other person by means of a distribution pipeline.

(3) (Repealed)

6 Authorisations

Subject to any conditions imposed by or under this Act, a "reticulator's authorisation" authorises its holder, and any other person specified in the authorisation, to operate the distribution pipeline so specified for the purpose of conveying natural gas to other persons.

7 Applications

(1) An application for an authorisation or for the transfer of an authorisation:

(a) must be accompanied by such fee as may be determined by the Minister, and
(b) must contain such information as may be determined by the Minister, and
(c) must be lodged at the office of the Tribunal.

(2) Such an application may only be made on behalf of a person who is a body corporate.

8 Public consultation

(1) Before determining an application for an authorisation or for the transfer of an authorisation, the Minister must cause notice of the application to be published in the Gazette and in such other manner as the Minister is satisfied is likely to bring the notice to the attention of members of the public.

(2) The notice must indicate:

(a) the nature of the authorisation to which the application relates, and
(b) the identity of the proposed holder of the authorisation, and
(c) the district in which the authorisation, if granted or transferred, would operate, and
(d) where submissions on the application should be lodged, and
(e) the time (being at least 40 days from the date on which the notice is first
published) within which any such submissions should be lodged, and
(f) such other matters as may be prescribed by the regulations.

(3) The Minister must give due consideration to matters arising from any submissions under this section.

9 Determination of applications
(1) The Minister may determine an application for an authorisation or for the transfer of an authorisation by granting or transferring the authorisation (either unconditionally or subject to conditions of the kind referred to in section 11) or by refusing the application.
(2) An application may be refused on any of the following grounds:
   (a) that the proposed holder of the authorisation fails to satisfy such technical or prudential criteria as have been adopted by the Minister to determine whether a person is able to operate a viable business as an authorised reticulator,
   (b) such grounds as may be prescribed by the regulations,
   (c) such grounds as the Minister considers relevant, having regard to the interests of consumers and the need to promote a competitive market for natural gas, to prevent misuse of market power and to ensure the security and reliability of the New South Wales supply system for natural gas.
(3) The Minister must endeavour to determine an application within 6 months after it is made.

10 Duration of authorisations
Subject to the conditions imposed on it, an authorisation remains in force until it is cancelled.

11 Conditions of authorisations
(1) An authorisation is subject to the following conditions:
   (a) the conditions imposed by this Act and the regulations,
   (b) such other conditions (not inconsistent with those imposed by this Act and the regulations) as the Minister may from time to time impose in relation to the authorisation.

   (c) a condition requiring the holder of the authorisation to continue to satisfy such technical or prudential criteria as have been adopted by the Minister to determine whether a person is able to operate a viable business as an authorised reticulator,
   (d) a condition requiring the holder of the authorisation to maintain specified insurance cover in respect of specified risks,
   (e) a condition requiring the holder of the authorisation:
      (i) to prepare, and submit to the Minister for approval, a plan setting out (in accordance with guidelines established by the Minister) the holder's policies, practices and procedures with respect to the conduct of its affairs under the authorisation, and
      (ii) to conduct its affairs under the authorisation in accordance with the plan as so approved,
   (f) a condition requiring the holder of the authorisation to furnish to the Minister (at such times and in respect of such periods as the Minister may determine) such information as the Minister may determine to enable the Minister to ascertain whether or not the holder is complying with the conditions imposed on the
authorisation by this Act or the regulations or by the Minister,
(g) a condition requiring the holder of the authorisation to develop and implement
a strategy promoting the adoption of thermally efficient appliances and efficient
energy-use practices.
(3) The Minister may not impose conditions on an authorisation with respect to the terms
on which an authorised reticulator grants access to its distribution pipelines.
(4) (Repealed)
11A Authorisation conditions relating to energy ombudsman scheme
(1) It is a condition of a reticulator's authorisation that:
   (a) the authorisation holder must be a member of the energy ombudsman scheme,
   and
   (b) the authorisation holder is bound by, and must comply with, any decision of
       the energy ombudsman under the scheme relating to a dispute or complaint
       involving the authorisation holder and a small customer. The energy ombudsman
       has power to deal with disputes between retailers and customers under this Act, see
       sections 96A and 96B of the Electricity Supply Act 1995 and the regulations under
       that Act.
(2) This section does not apply in respect of an authorised reticulator if the authorised
    reticulator is exempt from the requirement to be a member of the energy ombudsman
    scheme.
(3) The Minister may, by order in writing, exempt an authorised reticulator from the
    requirement to be a member of the energy ombudsman scheme if of the opinion that the
    authorised reticulator is not currently engaging in any activities for which an
    authorisation is required.
(4) In this section:"energy ombudsman scheme" means the scheme established under
12 Variation of conditions of authorisations
(1) The Minister may vary the conditions of an authorisation, either on his or her own
    motion or on the application of the holder of the authorisation.
(2) In the case of an application to vary the conditions of an authorisation so as to extend
    a distribution district, section 8 applies to the application in the same way as it applies to
    an application for an authorisation.
(3) An application to vary the conditions of an authorisation so as to extend a distribution
    district must be accompanied by such fee as may be determined by the Minister.
13 Enforcement of authorisations by the Minister
(1) The Minister may do either or both of the following:
   (a) the Minister may impose a monetary penalty not exceeding $100,000 on the
       holder of an authorisation,
   (b) the Minister may cancel an authorisation.
(2) Action may be taken under this section only if the holder of the authorisation has
    knowingly contravened:
   (a) the requirements of this Act or the regulations, or
   (b) the conditions of the authorisation.
(3) Nothing in this section prevents an authorisation from being cancelled at the request
    of its holder.
13A Enforcement of authorisations by Tribunal
(1) The Tribunal may impose a monetary penalty on the holder of an authorisation.
(2) The Tribunal may, instead of imposing a monetary penalty, require the holder of the
    authorisation to take such action as the Tribunal considers appropriate in the
    circumstances, including (for example) requiring the sending of information to customers
    or the publication of notices in newspapers.
(3) The Tribunal may not require action to be taken under subsection (2) by the holder of
    an authorisation if the cost of that action would exceed the monetary penalty that the
Tribunal could impose under this section on the holder.

(4) If the Tribunal requires information to be sent to a customer under subsection (2), the holder of the authorisation may satisfy that requirement by sending the information to the customer with the next account or bill to be sent to the customer by the holder or, if the holder is sending other information to that customer before the next account or bill, with that other information.

(5) Action may be taken under this section only if the holder of the authorisation has knowingly contravened the conditions of the authorisation.

(6) The monetary penalty that the Tribunal may impose under this section must not exceed $10,000 for the first day on which the contravention concerned occurs and a further $1,000 for each subsequent day (not exceeding 30 days) on which the contravention continues.

(7) The Tribunal must not take action under this section unless:

(a) the Tribunal has considered whether the contravention has been or is likely to be the subject of any other penalty or action or any claim for compensation, and is satisfied that it is nevertheless appropriate to take action under this section, and

(b) the Tribunal has considered the action that the holder of the authorisation has taken or is likely to take in respect of the contravention and the cost to the holder in taking that action, and is satisfied that it is nevertheless appropriate to take action under this section.

(8) The Tribunal is required to consider the seriousness of the contravention concerned in determining to impose a monetary penalty under this section.

(9) The Tribunal must not take action under this section in respect of a contravention if the Minister has already taken action under section 13 in respect of the contravention.

(10) Nothing in this section affects the Minister's powers under section 13 in respect of a contravention, whether or not the Tribunal has already taken action under this section in respect of the contravention.

14 Holder of authorisation to be notified of proposed action

(1) The Minister must not take action under section 11, 12 or 13, or the Tribunal must not take action under section 13A, unless:

(a) notice of the proposed action has been given to the holder of the authorisation, and

(b) the holder of the authorisation has been given a reasonable opportunity to make submissions with respect to the proposed action, and

(c) the Minister or Tribunal has given due consideration to any such submissions.

(2) In addition, the Minister must not take action under section 13, or the Tribunal must not take action under section 13A, in respect of any contravention referred to in that section unless:

(a) notice of the contravention has been given to the holder of the authorisation, and

(b) the holder of the authorisation has been given a reasonable opportunity to discontinue the contravention and take such steps (if any) as are specified in the notice to remedy the effects of the contravention, and

(c) the holder of the authorisation has failed to discontinue the contravention or take those steps.

(3) Subsection (1) does not apply to action taken at the request of the holder of the authorisation.

15 Annual authorisation fees

(1) The Minister may require the holder of an authorisation to pay to the Minister such amount, by way of an annual authorisation fee, as the Minister may from time to time determine on the advice of the Treasurer.

(2) The amount of an annual authorisation fee must be determined in such a manner that
the amount payable by the holder of the authorisation for a particular year is equivalent to
the amount estimated by the Treasurer as being the cost to the State of administering this
Act and the National Gas (NSW) Law during that year (or the cost of doing so during any
previous year to the extent to which that cost has not previously been taken into
consideration in any estimate under this section) in relation to that holder.

(3) It is a condition of an authorisation that the holder of the authorisation must comply
with all relevant requirements under this section.

(4), (5) (Repealed)

16 (Repealed)

17 Appeals against decisions concerning authorisations

(1) A person aggrieved by any of the following decisions of the Minister may appeal to
the Supreme Court against the decision:
   (a) a decision cancelling an authorisation,
   (b) a decision imposing a condition on an authorisation (other than a condition
       imposed when the authorisation is granted),
   (c) a decision varying the conditions of an authorisation,
   (d) a decision refusing an application for the transfer of an authorisation,
   (e) a decision imposing a monetary penalty on the holder of an authorisation.

(2) An appeal is to be by way of a new hearing and fresh evidence, or evidence in
addition to or in substitution for the evidence on which the original decision was made,
may be given on the appeal.

(3) For the purposes of an appeal, the Minister may certify in writing that a specified
policy applies to the subject matter of the appeal.

(4) In deciding an appeal to which such a certificate relates, the Supreme Court is
required to apply the policy so certified, except to the extent to which the application of
that policy would be contrary to law.

(5) The decision of the Supreme Court in respect of an appeal is taken to be the decision
of the Minister and is to be given effect to accordingly.

17A Administrative review of certain decisions concerning authorisations

(1) The holder of an authorisation who is aggrieved by a decision of the Tribunal to take
action under section 13A in relation to the holder of the authorisation may apply to the
Civil and Administrative Tribunal for an administrative review under the Administrative
Decisions Review Act 1997 of the decision.

(2) Section 53 (Internal reviews) of the Administrative Decisions Review Act 1997
does not apply to such a decision of the Tribunal.

18 Register of authorisations

(1) A register of authorisations is to be kept at the office of the Tribunal.

(2) The register is to contain details of all authorisations that are granted or transferred,
including details concerning the conditions imposed on them by the Minister, and is also
to contain details of all determinations made by the Minister with respect to
authorisations and their conditions.

(3) The register is to be kept available for inspection by members of the public, free of
charge, during normal office hours.

(4) Copies of entries in the register are to be made available to members of the public, at
cost, during normal office hours.

(3) Except to the extent to which the regulations otherwise provide, Division 7 of Part 3 of the Independent Pricing and Regulatory Tribunal Act 1992 applies to an investigation under this section in the same way as it applies to an investigation under that Act, and so applies as if a reference in that Division to the Tribunal were a reference to a review panel.
(4), (5) (Repealed)
(6) The decision of the review panel on the matter under review:
   (a) takes effect on the day on which it is given, or on such later day as may be specified in the decision, and
   (b) has effect as if it were a decision or order, as the case requires, of the person by whom the original decision or order was made, and

for the purpose of enabling the Tribunal to ascertain whether or not the holder of the authorisation is complying with the requirements of this Act.
(2) It is a condition of an authorisation that its holder must comply with the requirements of any such direction.
(3) It is the duty of the Tribunal to notify the Minister if it becomes aware of any contravention of this Part by the holder of an authorisation.
(4) In this section, a reference to the holder of an authorisation extends (in the case of a body corporate) to any of its related bodies corporate within the meaning of the Corporations Act 2001 of the Commonwealth.

      (i) to prepare, and submit to the Minister for approval, a plan setting out (in accordance with guidelines established by the Minister) the holder's policies, practices and procedures with respect to the conduct of its affairs under the licence, and
      (ii) to conduct its affairs under the licence in accordance with the plan as so approved,
   (f) a condition requiring the holder of the licence to furnish to the Minister (at such times and in respect of such periods as the Minister may determine) such information as the Minister may determine to enable the Minister to ascertain whether or not the holder is complying with the conditions imposed on the licence.
by this Act or the regulations or by the Minister. 

(3) The Minister may not impose a condition on a licence of the kind referred to in subsection (2) (b) (ii) unless the Minister has entered into an undertaking, on behalf of the State, to indemnify the holder of the licence with respect to the costs incurred by the holder in complying with the requirements of the condition.

41 Variation of conditions of licences

(1) The Minister may vary the conditions of a licence, either on his or her own motion or on the application of the holder of the licence.

(2) In the case of an application to vary the conditions of a licence so as to extend a distribution district, section 37 applies to the application in the same way as it applies to an application for a licence.

(3) An application to vary the conditions of a licence so as to extend a distribution district must be accompanied by such fee as may be determined by the Minister.

42 Enforcement of licences by the Minister

(1) The Minister may do either or both of the following:

   (a) the Minister may impose a monetary penalty not exceeding $100,000 on the holder of a licence,

   (b) the Minister may cancel a licence.

(2) Action may be taken under this section only if the holder of the licence has knowingly contravened:

   (a) the requirements of this Act or the regulations, or

   (b) the conditions of the licence.

(3) Nothing in this section prevents a licence from being cancelled at the request of its holder.

42A Enforcement of licences by Tribunal

(1) The Tribunal may impose a monetary penalty on the holder of a licence.

(2) The Tribunal may, instead of imposing a monetary penalty, require the holder of the licence to take such action as the Tribunal considers appropriate in the circumstances, including (for example) requiring the sending of information to customers or the publication of notices in newspapers.

(3) The Tribunal may not require action to be taken under subsection (2) by the holder of a licence if the cost of that action would exceed the monetary penalty that the Tribunal could impose under this section on the holder.

(4) If the Tribunal requires information to be sent to a customer under subsection (2), the holder of the licence may satisfy that requirement by sending the information to the customer with the next account or bill to be sent to the customer by the holder or, if the holder is sending other information to that customer before the next account or bill, with that other information.

(5) Action may be taken under this section only if the holder of the licence has knowingly contravened the conditions of the licence.

(6) The monetary penalty that the Tribunal may impose under this section must not exceed $10,000 for the first day on which the contravention concerned occurs and a further $1,000 for each subsequent day (not exceeding 30 days) on which the contravention continues.

(7) The Tribunal must not take action under this section unless:

   (a) the Tribunal has considered whether the contravention has been or is likely to be the subject of any other penalty or action or any claim for compensation, and is satisfied that it is nevertheless appropriate to take action under this section, and

   (b) the Tribunal has considered the action that the holder of the licence has taken or is likely to take in respect of the contravention and the cost to the holder in taking that action, and is satisfied that it is nevertheless appropriate to take action under this section.
The Tribunal is required to consider the seriousness of the contravention concerned in determining to impose a monetary penalty under this section.

The Tribunal must not take action under this section in respect of a contravention if the Minister has already taken action under section 42 in respect of the contravention.

Nothing in this section affects the Minister's powers under section 42 in respect of a contravention, whether or not the Tribunal has already taken action under this section in respect of the contravention.

43 Holder of licence to be notified of proposed action

(1) The Minister must not take action under section 40, 41 or 42, or the Tribunal must not take action under section 42A, unless:
   (a) notice of the proposed action has been given to the holder of the licence, and
   (b) the holder of the licence has been given a reasonable opportunity to make submissions with respect to the proposed action, and
   (c) the Minister or Tribunal has given due consideration to any such submissions.

(2) In addition, the Minister must not take action under section 42, or the Tribunal must not take action under section 42A, in respect of any contravention referred to in that section unless:
   (a) notice of the contravention has been given to the holder of the licence, and
   (b) the holder of the licence has been given a reasonable opportunity to discontinue the contravention and take such steps (if any) as are specified in the notice to remedy the effects of the contravention, and
   (c) the holder of the licence has failed to discontinue the contravention or take those steps.

(3) Subsection (1) does not apply to action taken at the request of the holder of the licence.

44 Annual licence fees

(1) The Minister may require the holder of a licence to pay to the Minister such amount, by way of an annual licence fee, as the Minister may from time to time determine on the advice of the Treasurer.

(2) The amount of an annual licence fee must be determined in such a manner that the amount payable by the holder of the licence for a particular year is equivalent to the amount estimated by the Treasurer as being the cost to the State of administering this Act during that year in relation to that holder.

(3) It is a condition of a licence that the holder of the licence must comply with all relevant requirements under this section.

45 Appeals against decisions concerning licences

(1) A person aggrieved by any of the following decisions of the Minister may appeal to the Supreme Court against the decision:
   (a) a decision cancelling a licence,
   (b) a decision imposing a condition on a licence (other than a condition imposed when the licence is granted),
   (c) a decision varying the conditions of a licence,
   (d) a decision refusing an application for the transfer of a licence,
   (e) a decision imposing a monetary penalty on the holder of a licence.

(2) An appeal is to be by way of a new hearing and fresh evidence, or evidence in addition to or in substitution for the evidence on which the original decision was made, may be given on the appeal.

(3) For the purposes of an appeal, the Minister may certify in writing that a specified policy applies to the subject matter of the appeal.

(4) In deciding an appeal to which such a certificate relates, the Supreme Court is required to apply the policy so certified, except to the extent to which the application of that policy would be contrary to law.
(5) The decision of the Supreme Court in respect of an appeal is taken to be the decision of the Minister and is to be given effect to accordingly.

45A Administrative review of certain decisions concerning licences

(1) The holder of a licence who is aggrieved by a decision of the Tribunal to take action under section 42A in relation to the holder of the licence may apply to the Civil and Administrative Tribunal for an administrative review under the Administrative Decisions Review Act 1997 of the decision.

(2) Section 53 (Internal reviews) of the Administrative Decisions Review Act 1997 does not apply to such a decision of the Tribunal.

46 Register of licences

(1) A register of licences is to be kept at the office of the Tribunal.
(2) The register is to contain details of all licences that are granted or transferred, including details concerning the conditions imposed on them by the Minister, and is also to contain details of all determinations made by the Minister with respect to licences and their conditions.
(3) The register is to be kept available for inspection by members of the public, free of charge, during normal office hours.
(4) Copies of entries in the register are to be made available to members of the public, at cost, during normal office hours.

Part 4 – Gas works

Division 1 – Powers and duties relating to gas works

47 Erection and placement of gas works

(1) This section applies to work connected with the erection, installation, extension, alteration, maintenance and removal of gas works.
(2) For the purposes of this Act, a network operator:
   (a) may carry out work to which this section applies, and
   (b) in particular, may carry out any such work on a public road.
(3) Work to which this section applies is exempt from the requirement for an approval under the Local Government Act 1993 except in relation to buildings.
(4) However, no such work (other than routine connections, repairs or maintenance work) may be carried out unless:
   (a) notice of the proposal to carry out the work has been given to the local council, and
   (b) the local council has been given a reasonable opportunity (being at least 40 days from the date on which the notice was given) to make submissions to the network operator in relation to the proposal, and
   (c) the network operator has given due consideration to any submissions so made.
(5) Subsection (4) does not apply to the carrying out of any such work to cope with emergencies.

48 Damage to be made good

(1) If a public road or public reserve is damaged by any work carried out by a network operator, the local council or roads authority may require the network operator to make good the damage without delay.
(2) If the network operator fails to carry out appropriate work in accordance with any such requirement, the local council or roads authority may carry out the work itself.
(3) The cost of carrying out the work may be recovered by the local council or roads authority in a court of competent jurisdiction as a debt owed to it by the network operator.

49 Altering position of conduits

(1) A network operator may serve a written notice on a person if:
   (a) the network operator needs an alteration to be made in the position of a
conduit owned by the person, and
(b) the alteration would not permanently damage the conduit or adversely affect its operation.

(2) The notice:
(a) must specify the work to be carried out, and
(b) must specify a reasonable time within which the work is to be carried out, and
(c) must include an undertaking by the network operator to pay the reasonable cost of carrying out the work.

(3) If the work is not carried out as required by the notice, the network operator may carry out the work in a manner that does not permanently damage the conduit or adversely affect its operation.

(4) In this section, "conduit" means anything that is in or under a public road (or any other land on which no building or other structure is located) and is used for the conveyance of a substance, energy or signals.

50 Obstruction of gas works
(1) This section applies if a network operator has reasonable cause to believe that any structure of thing placed in, on or near its gas works is destroying, damaging or interfering with those works.

(2) In those circumstances, a network operator:
(a) may serve a written notice on the person having control of the structure or thing requiring that person to modify or remove it, or
(b) in an emergency, may, at its own expense, modify or remove the structure or thing itself.

(3) A notice under subsection (2) (a):
(a) must specify the work to be carried out, and
(b) must specify a reasonable time within which the work is to be carried out.

(4) If the person fails to carry out the work in accordance with the requirement, the network operator may carry out the work itself.

(5) The costs of:
(a) carrying out the work, and
(b) repairing any damage done to the network operator's gas works by the structure or thing,
may be recovered by the network operator in a court of competent jurisdiction as a debt owed to it by the person.

(6) A network operator may apply for an injunction to prevent a structure or thing being placed in, on or near its gas works.

50A Excavation work affecting gas works
(1) This section applies if a network operator has reasonable cause to believe that the carrying out or proposed carrying out of excavation work in, on or near its gas works:
(a) could destroy, damage or interfere with those works, or
(b) could make those works become a potential risk to public safety.

(2) In those circumstances, a network operator may serve a written notice on the person carrying out or proposing to carry out the excavation work requiring the person:
(a) to modify the excavation work, or
(b) not to carry out the excavation work, but only if the network operator is of the opinion that modifying the excavation work will not be effective in preventing the destruction or damage of, or interference with, the gas works concerned or in preventing those works becoming a potential risk to public safety.

(3) A notice under subsection (2) must specify the excavation work that is to be modified or not carried out.

(4) A network operator may recover the following costs in a court of competent jurisdiction as a debt owed to it by a person who carried out excavation work the subject
of a notice under subsection (2):

(a) the costs incurred in replacing any of the network operator's gas works destroyed by the excavation work,
(b) the costs incurred in repairing any damage to the network operator's gas works caused by the excavation work,
(c) the costs incurred in remedying or mitigating any interference with the network operator's gas works caused by the excavation work.

(5) A network operator may apply for an injunction to prevent the carrying out of excavation work in, on or near its gas works.
(6) A network operator may take action under this section even if the person carrying out the excavation work owns or occupies the land in, on or over which the network operator's gas works are situated.

51 Charges for placement of gas works
No annual or other periodic or special charge is payable by a network operator to a local council or roads authority in respect of any gas works located in a public reserve or public road or in respect of the space in a public reserve or public road that is occupied by any such works.

52 Ownership of gas works
(1) A network operator is the owner of its gas works, whether or not the land in, on or over which they are situated is owned by the network operator.
(2) A network operator's gas works are not to be taken in execution of any judgment against a person other than the network operator under any process of a court.
(3) The provisions of this section have effect despite anything contained in section 42 of the Real Property Act 1900.

53 Interruption to gas supply for maintenance
A network operator may interrupt the supply of gas to a customer, at such reasonable times as the network operator determines:

(a) for the purpose of inspecting, testing or carrying out repairs or maintenance work on its gas works, or
(b) for such other purpose as the network operator considers necessary for the safe and efficient operation of its gas works.

54 (Repealed)
Division 2 – Powers of entry
55 Powers of entry
(1) A gas industry inspector may enter any premises for the purpose of exercising any function conferred or imposed on a network operator by or under this Act, including:
(a) carrying out preliminary investigations in connection with the proposed installation or extension of gas works, or
(b) installing, extending, maintaining, repairing or removing gas works, or
(c) reading gas meters, or
(d) checking if the network operator's conditions relating to tariffs and the use of gas are being complied with, or
(e) ascertaining whether an offence against this Act or the regulations has been committed, or
(f) monitoring any excavation work in accordance with regulations under section 64C, or
(g) exercising any function conferred on the network operator by section 50 or 50A.

(2) A government inspector may enter any premises for the purpose of ascertaining whether an offence against this Act or the regulations has been committed.
(2A) (Repealed)
(3) Except in emergencies, the power of entry may be exercised only during daylight hours.

56 Notice of entry
(1) Before an inspector exercises a power of entry under this Division, the network operator must give the owner or occupier of the land written notice of the intention to enter the land.
(2) The notice must specify the day on which the inspector intends to enter the land and must be given before that day.
(3) This section does not require notice to be given:
   (a) if entry to the land is made with the consent of the owner or occupier of the land, or
   (b) if entry is required for the sole purpose of reading a gas meter, or
   (c) if entry is required in an emergency.

57 Use of force
(1) Reasonable force may be used for the purpose of gaining entry to any land (other than such part of a building as is being used for residential purposes) under a power conferred by this Division, but only if authorised by the network operator in accordance with this section.
(2) The authority:
   (a) must be in writing, and
   (b) must be given in respect of the particular entry concerned, and
   (c) must specify the circumstances that must exist before force may be used.

58 Notification of use of force or urgent entry
(1) An inspector:
   (a) who uses force for the purpose of gaining entry to land, or
   (b) who enters land in an emergency without giving written notice to the owner or occupier of the land,
must promptly advise the network operator of that fact.
(2) The network operator must give notice of the entry to such persons or authorities as appear to the network operator to be appropriate in the circumstances.

59 Care to be taken
(1) In the exercise of a power under this Division, an inspector must do as little damage as possible.
(2) As far as practicable, entry onto fenced land is to be made through an existing opening in the enclosing fence or, if entry through an existing opening is not practicable, through a new opening.
(3) Any new opening is to be properly closed when the need for entry ceases.
(4) If, in the exercise of a power under this Division, any pit, trench, hole or bore is made, the network operator must, if the owner or occupier of the land so requires:
   (a) fence it and keep it securely fenced so long as it remains open or not sufficiently sloped down, and
   (b) without unnecessary delay, fill it up or level it or sufficiently slope it down.

60 Recovery of cost of entry and inspection
If an inspector enters any land for the purpose of making an inspection and, as a result of the inspection, the network operator requires any work to be carried out on the land, the network operator may recover the reasonable costs of the entry and inspection from the owner or occupier of the land.

61 Compensation
The network operator must pay compensation to the owner of any land in respect of which a power has been exercised under this Division for any loss or damage arising from the exercise of the power, but is not so liable to the extent to which the loss or damage arises from work done
for the purposes of an inspection which reveals that there has been a contravention by the owner of any provision of this Act or the regulations.

62 Certificates of authority to enter land
(1) A power of entry under this Division may not be exercised by an inspector unless the inspector:
   (a) is in possession of a certificate of authority issued by the network operator, and
   (b) produces the certificate when required to do so by the owner or occupier of the land.
(2) The certificate of authority:
   (a) must state that it is issued under this Act, and
   (b) must give the name of the person to whom it is issued, and
   (c) must describe the nature of the powers conferred and the source of those powers, and
   (d) must state the date (if any) on which it expires, and
   (e) must describe the kind of land to which the power extends, and
   (f) must be under the seal of the network operator or must bear the signature of the principal officer of the network operator, of a prescribed officer of the network operator or of an officer belonging to a prescribed class of officers of the network operator.

63 Entry to residential premises
A power of entry conferred by this Division is not exercisable in relation to such part of a building as is used for residential purposes except:

   (a) with the consent of the occupier of that part of the premises, or
   (b) for the sole purpose of reading a gas meter, or
   (c) under the authority conferred by a warrant of entry.

64 Warrants of entry
(1) The network operator may apply to an authorised officer for a warrant of entry if it is of the opinion that it is necessary for an inspector to enter and inspect any land (including any building used for residential purposes) for the purposes of this Act.
(2) An authorised officer to whom such an application is made may, if satisfied that there are reasonable grounds for doing so, issue a warrant of entry authorising an inspector named in the warrant to enter and inspect the land for the purposes of this Act.
(3) Division 4 of Part 5 of the Law Enforcement (Powers and Responsibilities) Act 2002 applies to a warrant of entry under this section in the same way as it applies to a search warrant under that Act.
(4) In this section: "authorised officer" has the same meaning as it has in the Law Enforcement (Powers and Responsibilities) Act 2002.
