7 Access roads within national parks etc

(1) In this clause: **"access roads"** means the roads, tracks, trails and other means of access referred to in subclause (2) (a)-(c). **"private land holding"** means land held:

   (a) by an owner within the meaning of the **National Parks and Wildlife Act 1974**, or

   (c) roads, tracks, trails and other means of access through those lands to State forests or private land holdings that adjoin or are in the vicinity of the lands.

(3) The access roads to which this clause applies are not, on the commencement of this Act, reserved as, or as part of, a national park, nature reserve or state conservation area by this Act but vest in the NPW Minister on behalf of the Crown for the purposes of Part 11 of the **National Parks and Wildlife Act 1974** for an estate in fee simple, freed and discharged from:

   (a) all trusts, obligations, estates, interests, rights of way or other easements, and

   (b) any dedication, reservation, Crown grant or vesting to which the lands were subject, and any such dedication, reservation, grant or vesting is revoked.

(4) The access roads may continue, subject to this clause, to be used for the purposes for which they were used immediately before the commencement of this Act.

(5) Before 31 December 2003, the NPW Minister must, under section 149 of the **National Parks and Wildlife Act 1974**, grant a right of way over an access road to which this clause applies for the benefit of a private land holding in order to replace any right of way duly granted under section 20A of the **Forestry Act 1916** for the benefit of that land holding and in force immediately before the commencement of this Act. An order under this subclause may be published only with the concurrence of the Minister administering the **Forestry Act 1916**.
On the publication of an order under subclause (6):

   (b) the access roads that are not so excluded are reserved as part of the national park, nature reserve or state conservation area within which they are situated.

Nothing in this clause affects the exercise of any power, authority, duty or function by the NPW Minister or any other person under and in accordance with the National Parks and Wildlife Act 1974 in relation to any access road to which this clause applies.

While a private land holding is in private ownership, nothing in this clause authorises the NPW Minister to close any access road that comprises the only practical means of access to the land holding.

This clause has effect despite the provisions of the Forestry Act 1916.

8 Status of land vested in NPW Minister
   (1) Any land that is vested by this Act in the NPW Minister for the purposes of Part 11 of the National Parks and Wildlife Act 1974 is taken to have been acquired by that Minister under that Part, and may be dealt with by that Minister as if it had been so acquired.
