

Aprueban diversos listados referidos a la situación de embarcaciones pesqueras de mayor escala

RESOLUCION MINISTERIAL N° 200-98-PE

Lima, 20 de abril de 1998

CONSIDERANDO:

Que el Artículo 2° del Decreto Ley N° 25977 - Ley General de Pesca, establece que son patrimonio de la Nación los recursos hidrobiológicos contenidos en las aguas jurisdiccionales del Perú y, en consecuencia, *corresponde al Estado regular el manejo integral y la explotación racional de dichos recursos, considerando que la actividad pesquera es de interés nacional;*

Que los Artículos 43° y 44° de la citada Ley, disponen que para la operación de embarcaciones pesqueras de bandera nacional, las personas naturales y jurídicas requerirán del permiso de pesca correspondiente, el mismo que es un derecho específico que el Ministerio de Pesquería otorga a plazo determinado para el desarrollo de la actividad pesquera;

Que el Artículo 4° del Decreto Supremo N° 010-97-PE, establece que las medidas de reducción del esfuerzo pesquero también se aplican para el caso de los recursos plenamente explotados, cuando la dimensión de la flota, o la sustitución de embarcaciones que no hayan realizado esfuerzo pesquero significativo, pueda potencialmente poner en riesgo de sobreexplotación a un recurso o pueda implicar la reducción significativa de los días de pesca del conjunto de la flota;

Que el Artículo 5° del Decreto Supremo a que se hace referencia en el considerando precedente, faculta al Ministerio de Pesquería para que mediante Resolución Ministerial emita periódicamente un listado actualizado de las embarcaciones pesqueras de mayor escala que se encuentren autorizadas a realizar actividades extractivas, conforme al Decreto Supremo N° 008-97-PE y las Resoluciones que las incorporen;

Que mediante la Resolución Ministerial N° 131-98-PE de fecha 13 de marzo de 1998, se publicó la relación de embarcaciones arrastreras de mayor escala que han cumplido e incumplido con presentar el Certificado de Inspección de Condición, dispuesto por la Resolución Ministerial N° 782-97-PE;

Que mediante la Resolución Ministerial N° 137-98-PE de fecha 17 de marzo de 1998, se publicó la relación de embarcaciones pesqueras cerqueras de mayor escala que han cumplido e incumplido con presentar el Certificado de Inspección de Condición o Peritajes de Garantía, dispuesto por las Resoluciones Ministeriales N°s. 781-97-PE y 030-98-PE; disponiéndose que los armadores de embarcaciones pesqueras consignadas en los Anexos 2 y 4 de la citada Resolución, cuyos Certificados de Inspección de Condición o Peritajes de Garantía presentaron observaciones, tenían plazo hasta el 16 de abril de 1998 para subsanarlas;

Que, asimismo, la Resolución a que se refiere el considerando precedente establece que las embarcaciones pesqueras consignadas en el Anexo 3 de dicha norma no son consideradas para los efectos de la autorización de incremento de flota mediante la sustitución de la capacidad de bodega a que se refiere el Artículo 24° de la Ley General de Pesca y los Artículos 19° y 24° de su Reglamento, teniendo los armadores correspondientes plazo hasta el 16 de abril de 1998 para presentar el Certificado de Inspección de Condición, conforme a lo establecido en la Resolución Ministerial N° 132-98-PE, fecha a partir de la cual el Ministerio de Pesquería procederá a la cancelación definitiva de los permisos de pesca correspondientes y al retiro de las embarcaciones pesqueras cuyos armadores no cumplan con presentar dicho certificado del Anexo 1 del Decreto Supremo N° 008-97-PE y de las normas complementarias que las incorporaron;

Que mediante Resolución Ministerial N° 142-98-PE se estableció que los armadores cuyas embarcaciones pesqueras se encuentran consignadas en el Anexo 5 de la Resolución Ministerial N° 137-98-PE tenían plazo hasta el 27 de marzo de 1998

para presentar el Certificado de Inspección de Condición o Peritajes de Garantía, siempre y cuando dichos documentos hubieran sido emitidos con anterioridad al 1 de marzo del presente año;

Que habiéndose vencido los plazos establecidos en las Resoluciones Ministeriales N°s. 137-98-PE y 142-98-PE se ha concluido con la evaluación correspondiente de la documentación presentada por los armadores y empresas pesqueras, por lo que es necesario actualizar el listado de embarcaciones pesqueras de mayor escala que se encuentran autorizadas a realizar actividades extractivas, así como oficializar la situación legal de las embarcaciones pesqueras, con relación a lo dispuesto en el Artículo 24° de la Ley General de Pesca y los Artículos 19° y 24° de su Reglamento;

Que el Artículo 1° del Decreto Supremo N° 002-98-PE, establece que entre otros, los armadores de embarcaciones pesqueras censadas y verificadas podrán solicitar la autorización de incremento de flota y el correspondiente permiso de pesca para la extracción de recursos hidrobiológicos subexplotados e inexplorados, siempre que la normatividad vigente permita el acceso a la pesquería solicitada y se cumpla con los requisitos del Texto Único de Procedimientos Administrativos del Ministerio de Pesquería;

De conformidad con lo establecido en los Artículos 4° y 5° del Decreto Supremo N° 010-97-PE, las disposiciones contenidas en las Resoluciones Ministeriales N°s. 131-98-PE, 137-98-PE y 142-98-PE y las facultades otorgadas al Ministerio de Pesquería mediante la Décimo Tercera de las Disposiciones Complementarias, Transitorias y Finales del Reglamento de la Ley General de Pesca;

Con la opinión favorable del Viceministro;
