ADMINISTRATIVE ORDER

No. 2007-0044

SUBJECT: Amendment to Section VIII. 3 of Administrative Order No. 18-A s. 1993 dated January 23, 1993 entitled "Standards of Quality Requirements for the Processing, Packaging, and Labelling of Bottled Drinking Water"

I. RATIONALE

Section VIII. 3 of Administrative Order No. 18-A s. 1993 calls for the use of packaging materials of bottled drinking water, to wit:

"Bottles and caps shall be manufactured from virgin materials (i.e. materials which have not been recycled)."

Such requirement has become an impediment for the entry of safe packaging materials produced using acceptable re-cycling processes. With the emergence and existence of such acceptable re-cycling technologies amendment to the above requirement becomes imperative.

II. OBJECTIVES

This Order is hereby issued to:

- 1) Amend the specific provision of AO No. 18-A s. 1993
- 2) Guide all concerned Parties

III. AMENDMENT

Section VIII. 3 of Administrative Order No. 18-A s. 1993 is hereby amended to be read as follows:

"Bottles and caps shall be manufactured preferably from virgin materials (i.e. materials which have not been recycled). The use of recycled materials shall only be allowed when proofs of safety are provided and demonstrated by an applicant firm to the Bureau of Food
