unamended regulation means this regulation as in force immediately before 1 July 2006.

‘116 Existing buyer licences, carrier boat licences and commercial fisher licences

- ‘(1) This section applies to a buyer licence, carrier boat licence or commercial fisher licence (an ***existing licence***) in force immediately before 1 July 2006.
- ‘(2) From 1 July 2006, the term of an existing licence is taken to be the term that ends on its cancellation or surrender or other expiry under the Act.
- ‘(3) The chief executive must issue to the holder of an existing licence a licence (the ***replacement licence***) of the same type to replace the existing licence.
- ‘(4) The replacement licence—
 - (a) must not take effect before 1 July 2006; and
 - (b) must be the same, or substantially the same as the existing licence it replaced.

‘117 Primary commercial fishing boat licences under the unamended regulation

- ‘(1) A primary commercial fishing boat licence (the ***old licence***) under the unamended regulation that is in force immediately before 1 July 2006 is, on 1 July 2006, taken to be a commercial fishing boat licence (the ***converted licence***).
- ‘(2) If—
 - (a) the fishery symbol ‘L5’ was written on the old licence; and
 - (b) the fishery symbol ‘L4’ was not written on the old licence;

the fishery symbol ‘L4’ is taken to be written on the converted licence instead of the fishery symbol ‘L5’.

-
- ‘(3) For section 53(1)(b), the number of other boats decided, under section 33,²³ to be authorised for use under a fishery symbol for a commercial fishery identified in the converted licence is taken to be the following number (the **designated number** of tender boats for the fishery symbol)—
- (a) for the fishery symbol ‘L4’ if subsection (2) applies—the number of tender commercial fishing boat licences under the unamended regulation schedule 12, part 5,²⁴ in force for the fishery symbol ‘L5’ written on the old licence;
 - (b) for the fishery symbol ‘L4’ if subsection (2) does not apply or if the fishery symbol is ‘SM’, ‘L1’, ‘L2’, ‘L3’, ‘L6’, ‘L7’, ‘R’ or ‘RQ’—the number of tender commercial fishing boats that, under the unamended regulation, may be used in the fishery with the primary boat;
 - (c) otherwise—an unlimited number.
- ‘(4) The term of the converted licence is taken to be the term that ends on its cancellation or surrender or other expiry under the Act.
- ‘(5) The chief executive must issue to the holder of the converted licence a commercial fishing boat licence (the **replacement licence**) to replace the converted licence.
- ‘(6) Subsection (5) applies despite section 42B.²⁵
- ‘(7) Subject to subsections (8) and (9), the replacement licence must be the same, or substantially the same, as the old licence.

-
- (c) must, despite section 33,²⁶ provide, in the way required under that section, for each fishery symbol written on the licence, to have the designated number of tender boats for the fishery symbol.
 - ‘(9) If, under subsection (2), the fishery symbol ‘L4’ is taken to be written on the converted licence, the replacement licence—
 - (a) must not have the fishery symbol ‘L5’ written on it; and
 - (b) must have the fishery symbol ‘L4’ written on it together with the designated number of tender boats for the fishery symbol, in the way required under section 33.
 - ‘(10) For a fishery symbol movement application relating to the converted or replacement licence, the number of tender boats for each fishery symbol written on the licence is to have been decided under section 33.

‘118 Authorities to take under the unamended regulation

- ‘(1) An authority to take under the unamended regulation that is in force immediately before 1 July 2006 is, on 1 July 2006, taken to be a commercial harvest fishery licence (the *converted licence*).
- ‘(2) The term of the converted licence is taken to be the term that ends on its cancellation or surrender or other expiry under the Act.
- ‘(3) The chief executive may issue to the holder of the converted licence a commercial harvest fishery licence (the *replacement licence*) to replace the converted licence.
- ‘(4) The replacement licence—
 - (a) must not take effect before 1 July 2006; and
 - (b) must be the same, or substantially the same as the converted licence.

‘119 Particular general fisheries permits

- ‘(1) This section applies if a general fisheries permit in force immediately before 1 July 2006 authorises—
 - (a) the conduct of commercial fishing tours in offshore waters using a boat; or
 - (b) an activity mentioned in section 55 or 56.²⁷
- ‘(2) To the extent the general fisheries permit authorises the tours, the permit is, on 1 July 2006, taken to be a charter fishing licence (the ***converted licence***) to conduct the tours.
- ‘(3) The term of the converted licence is taken to be the term that ends on its cancellation or surrender or other expiry under the Act.
- ‘(4) The chief executive must issue to the holder of the general fisheries permit a charter fishing licence (the ***new licence***) to conduct the tours, to replace the converted licence.
- ‘(5) To the extent the general fisheries permit is for activities mentioned in section 55, the permit is, on 1 July 2006, taken to be a developmental fishing permit for the same activities.
- ‘(6) The chief executive must issue to the holder of the general fisheries permit a developmental fishing permit for the activities mentioned in subsection (5).
- ‘(7) To the extent the general fisheries permit is for activities mentioned in section 56, the permit is, on 1 July 2006, taken to be an indigenous fishing permit for the same activities.
- ‘(8) The chief executive must issue to the holder of the general fisheries permit an indigenous fishing permit for the activities mentioned in subsection (7).
- ‘(9) A licence or permit required to be issued under this section must not take effect before 1 July 2006.
- ‘(10) The conditions of a licence or permit issued under this section are the conditions of the general fisheries permit that are relevant to the activities authorised under the licence or permit.

27 Section 55 (Developmental fishing permit) or 56 (Indigenous fishing permit)

- ‘(11) This section does not affect the general fisheries permit to the extent it is for activities not mentioned in subsection (1).

‘120 Fees paid under old schedule 10

- ‘(1) This section applies if—
- (a) before 1 July 2006, a person who holds an authority pays the chief executive an annual fee under old schedule 10; and
 - (b) the payment relates to all or part of a financial year starting on or after 1 July 2006; and
 - (c) the amount paid is more than—
 - (i) if the payment was for all of the financial year—the fee payable under new schedule 10 for the year (the *new schedule 10 fee*); or
 - (ii) if the payment was for part of the financial year—the proportion of the fee payable under new schedule 10 attributable to that part of the year.
- ‘(2) The chief executive must credit the amount of the overpayment to any future fees payable under new schedule 10 for authorities held by the person from 1 July 2006.
- ‘(3) However, subsection (2) does not limit section 113.²⁸
- ‘(4) In this section—

new schedule 10 means schedule 10 as in force from time to time from 1 July 2006.

old schedule 10 means schedule 10 as in force from time to time before 1 July 2006.

overpayment means the difference between the amount of the payment and—
