(b) give any person on the premises an opportunity to allow entry to the premises.

WELS inspector must give the occupier of the premises a receipt for the material.

(2) The Regulator may make copies of the material.

(3) The Regulator may examine or test the material, even though that might result in
damage or destruction of the material or a reduction in its value.

(4) The Regulator must return or release the material when the first of the following
occurs:
(a) the material is no longer needed for the purposes for which it was seized or
secured;
(b) the period of 90 days that begins on the day on which the material was seized

57—Returning evidential material

If the Regulator cannot, despite making reasonable efforts, locate the owner of
evidential material, the Regulator may dispose of the material in such manner as the
Regulator thinks appropriate.
Division 3—Applying for warrants to enter WELS premises

58—Ordinary warrants

(1) A WELS inspector may apply to a magistrate for the issue of a search warrant in relation to particular WELS premises.

(2) The magistrate may issue the warrant if the magistrate is satisfied, by evidence on oath or by affidavit, that it is necessary to enter the WELS premises for 1 or more of the following purposes:
   (a) determining whether a person is complying with this Act;
   (b) investigating a possible offence against this Act.

(3) However, the magistrate must not issue the warrant unless the WELS inspector or some other person has given to the magistrate, either orally or by affidavit, such further information (if any) as the magistrate requires concerning the grounds on which the issue of the warrant is being sought.

(4) The warrant must—
   (a) authorise the WELS inspector to enter the premises using such assistance and such force to enter the premises as is necessary and reasonable; and
   (b) state whether the entry is authorised to be made at any time of the day or night or during specified hours of the day or night; and
   (c) specify the day (not more than 1 week after the issue of the warrant) on which the warrant ceases to have effect; and
   (d) state the purpose for which the warrant is issued.

59—Warrants by telephone, fax etc

(2) The magistrate may—
   (a) require communication by voice to the extent that it is practicable in the circumstances; and
   (b) make a recording of the whole or any part of any such communication by voice.

(3) Before applying for the warrant, the WELS inspector must prepare an affidavit of the kind mentioned in section 58(2) that sets out the grounds on which the warrant is sought.

(4) If it is necessary to do so, the WELS inspector may apply for the warrant before the affidavit is sworn or affirmed.

(5) If the magistrate is satisfied—
   (a) after having considered the terms of the affidavit; and
(b) after having received such further information (if any) as the magistrate requires concerning the grounds on which the issue of the warrant is being sought, that there are reasonable grounds for issuing the warrant, the magistrate may complete and sign the same warrant that the magistrate would issue under section 58 if the application had been made under that section.

(6) If the magistrate completes and signs the warrant—

(a) the magistrate must—

(i) tell the WELS inspector what the terms of the warrant are; and

(ii) tell the WELS inspector the day on which and the time at which the warrant was signed; and

(iii) tell the WELS inspector the day (not more than 1 week after the magistrate completes and signs the warrant) on which the warrant ceases to have effect; and

(iv) record on the warrant the reasons for issuing the warrant; and

(b) the WELS inspector must—

(i) complete a form of warrant in the same terms as the warrant completed and signed by the magistrate; and

(ii) write on the form the name of the magistrate and the day on which and the time at which the warrant was signed.

(7) The WELS inspector must also, not later than the day after the day of expiry or execution of the warrant, whichever is the earlier, send to the magistrate—

(a) the form of warrant completed by the WELS inspector; and

(b) the affidavit referred to in subsection (3), which must have been duly sworn or affirmed.

(8) When the magistrate receives those documents, the magistrate must—

(a) attach them to the warrant that the magistrate completed and signed; and

(b) deal with them in the way in which the magistrate would have dealt with them if the application had been made under section 58.

(9) A form of warrant duly completed under subsection (6) is authority for the same powers as are authorised by the warrant signed by the magistrate.

(10) If—

(a) it is material, in any proceedings, for a court to be satisfied that an exercise of a power was authorised by this section; and

(b) the warrant signed by the magistrate authorising the exercise of the power is not produced in evidence,

the court must assume, unless the contrary is proved, that the exercise of the power was not authorised by such a warrant.
