   Maximum penalty: $2 500.

   Expiation fee: $315.

(2) Without limiting the manner in which the Corporation may authorise a person to enter and remain on land, the Corporation may authorise members of the public to enter and remain on its land by notice published in the Gazette.

(3) A notice referred to in subsection (2) may be varied or revoked by the Corporation by subsequent notice published in the Gazette.
(4) An authorisation under this section is subject to conditions imposed—
   (a) by this section; or
   (b) by regulation; or
   (c) by including them in a notice published in the Gazette under subsection (2) or in any other form of authorisation given by the Corporation; or
   (d) by direction of a person under subsection (5); or
   (e) by 2 or more of those methods.

(5) A person acting with the authority of the Corporation (whether an employee of the Corporation or not) may give directions to a person on, or about to enter, land referred to in subsection (1) in relation to their entry, or their right to remain on, the land.

(6) A direction given to a person under subsection (5) is a condition of that person's authorisation to enter and remain on the land.

(7) It is a condition of an authorisation under this section (except in the case of a person who has been exempted from this condition by the Corporation) that a person who is on land referred to in subsection (1)—
   (a) must carry with him or her identification that shows his or her name and his or her current residential address; and
   (b) must present the identification to a person who is entitled to give directions under subsection (5) when requested to do so.

(8) A person must not give directions under subsection (5) or make a request under subsection (7)(b) unless he or she—
   (a) carries identification issued by the Corporation that states that he or she is authorised to act under this section; and
   (b) presents, or makes a genuine attempt to present, the identification to a person for inspection when giving a direction to the person under subsection (5) or when requesting to see the person's identification under subsection (7).

(9) A person who contravenes or fails to comply with a condition to which an authorisation is subject is guilty of an offence.

(3) The Corporation may accept a surrender of such a lease on such terms and conditions, and may allow such concessions and remissions, as the Corporation thinks fit.
(4) During the term of a lease under this section—
   (a) the lessee may have and exercise, in relation to the infrastructure subject to
       the lease, all such rights, powers and privileges vested in and exercisable by
       the Corporation (under this or any other Act) as the Governor may from time
       to time declare by proclamation; and
   (b) the infrastructure subject to the lease may be taken to be infrastructure of the
       lessee (for the purposes of this or any other Act) to such extent as the
       Governor may from time to time declare by proclamation.

(5) In this section—

   infrastructure has the same meaning as in the Water Industry Act 2012 and includes
   any property connected to such infrastructure.

18C—Recovery of amounts due to Corporation

(1) Subject to subsection (2), any amount (other than a pecuniary penalty) due to the
    Corporation with respect to the provision of a water service or a sewerage service
    under the Water Industry Act 2012 or under an agreement to defer payment of an
    amount due with respect to the provision of a water service or a sewerage service
    under the Water Industry Act 2012 will, until payment, be and remain a first charge on
    the land in relation to which the relevant services have been provided.

(2) An amount referred to in subsection (1) that is payable in relation to land that
    comprises the whole or part of the common property of a scheme under the
    Community Titles Act 1996 or the Strata Titles Act 1988 is not a charge on the
    common property but is, instead, a first charge on each of the lots or units of the
    community or strata scheme.

(3) No statute of limitations or other Act will bar or in any way affect any action or other
    legal proceeding for the recovery of any such amount.

18D—Power to sell land

(1) If any designated charges are in arrears for a period of 2 years, the Corporation may
    publish a notice in the prescribed manner and form for the purposes of this section.

(2) If, after at least 1 year from the publication of a notice under subsection (1), all or any
    of the relevant designated charges remain unpaid, the Corporation may, with the
    approval of the Minister, take action to sell the relevant land.

(3) Before the Corporation sells land in pursuance of this section, the Corporation must
    serve notice on the owner and occupier of the land—
       (a) stating the period for which the designated charges have been in arrears; and
       (b) stating the amount of the total liability presently outstanding and charged on
           the land; and
       (c) stating that if that amount is not paid in full within 1 month of service of the
           notice (or such longer time as the Corporation may allow), the Corporation
           intends to sell the land under this section.

(4) A copy of a notice must be served on—
       (a) any registered mortgagee or encumbrancee of the land; and
       (b) the holder of any caveat over the land.
(5) If the outstanding amount is not paid in full within the time allowed under subsection (3), the Corporation may proceed to sell the land.

(6) The sale will, except in the case of land held from the Crown under a lease, licence or agreement to purchase, be by public auction (and the Corporation may set a reserve price for the purposes of the auction).

(7) An auction under this section must be advertised on at least 2 separate occasions in a newspaper circulating generally throughout the State.

(8) If, before the date of the auction, the outstanding amount and the costs incurred by the Corporation in proceeding under this section are paid to the Corporation, the Corporation must withdraw the land from auction.

(9) If—
   (a) an auction fails; or
   (b) the land is held from the Crown under a lease, licence or agreement to purchase,
the Corporation may sell the land by private contract for the best price that the Corporation can reasonably obtain.

(10) Any money received by the Corporation in respect of the sale of land under this section will be applied as follows:
   (a) firstly—in paying the costs of the sale and any other costs incurred in proceeding under this section;
   (b) secondly—in discharging the liability for the designated charges and any other liabilities to the Corporation in respect of the land;
   (c) thirdly—in discharging any liability to the Crown for rates, charges or taxes (including rates, charges or taxes that are a charge on the land);
   (d) fourthly—in discharging any liability to a council for rates or any other liability to a council in respect of the land;
   (e) fifthly—in discharging any liabilities secured by registered mortgages, encumbrances or charges;
   (f) sixthly—in discharging any other mortgages, encumbrances and charges of which the Corporation has notice;
   (g) seventhly—in payment to the former owner of the land.

(11) If the former owner cannot be found after making reasonable inquiries as to his or her whereabouts, an amount payable to the former owner must be dealt with as unclaimed money under the Unclaimed Moneys Act 1891.

(12) If land is sold by the Corporation in pursuance of this section, an instrument of transfer executed by the Corporation will operate to vest title to the land in the purchaser.

(13) If the Corporation cannot sell the land under this section after taking all reasonable steps to do so—
   (a) the Corporation may, by notice in the Gazette, assume title to the land (and title will then, by force of this subsection, vest in the Corporation); and
(b) the value of the land vested in the Corporation under paragraph (a), as at the
date of the notice under that paragraph, will be deducted from any
outstanding amount and the costs incurred by the Corporation in proceeding
under this section.

(14) The title vested under subsection (12) or (13) will be free of—

(a) all mortgages, charges and caveats; and

(b) except in the case of land held from the Crown under lease or licence—all
leases and licences.

(15) An instrument of transfer passing title to land in pursuance of a sale under this section
must, when lodged with the Registrar-General for registration or enrolment, be
accompanied by a statutory declaration made by the chief executive officer of the
Corporation stating that the requirements of this section in relation to the dealing with
the land have been observed.

(16) The chief executive officer of the Corporation must, as soon as is reasonably
practicable after the publication of a notice under subsection (13), inform the
Registrar-General of the publication of the notice and lodge with the
Registrar-General a statutory declaration stating that the requirements of this section
in relation to dealing with the land have been observed.

(18) A reference in this section to land, or title to land, held from the Crown under lease,
licence or agreement to purchase, is a reference to the interest of the lessee, licensee or
purchaser in the land.

(19) In this section—

designated charges means any amount (other than a pecuniary penalty) due to the
Corporation with respect to the provision of a water service or a sewerage service
under the Water Industry Act 2012 or under an agreement to defer payment of an
amount due with respect to the provision of a water service or a sewerage service
under the Water Industry Act 2012.
