

**SAINT VINCENT AND THE GRENADINES**  
**STATUTORY RULES AND ORDERS,**  
**1987 NO. 1**

---

(Gazetted 20th January, 1987).

---

IN EXERCISE of the powers conferred by Section 45 of the Fisheries Act, 1986 (No. 8 of 1986) the Minister makes the following Regulations:—

**PART I PRELIMINARY**

1. **Citation.** These Regulations may be cited as the Fisheries Regulations 1987.

**PART II FISHERIES ADVISORY COMMITTEE**

**FISHERIES ADVISORY COMMITTEE**

2. (1) There is hereby established a Fisheries Advisory Committee.
- (2) The Fishery Advisory Committee shall be composed of the following persons:
- (a) The Permanent Secretary, in the Ministry with responsibility for fisheries who shall be the Chairman;
  - (b) The Chief Fisheries Officer, who shall be the Secretary;
  - (c) At least 3 persons who shall be appointed by the Minister from among professional fishermen to represent the views of professional fishermen;
  - (d) Such other persons as the Minister may think fit to appoint.
- (3) The quorum for conducting the business of the Fisheries Advisory Committee shall be 4 members including the Chairman and the Secretary.
- (4) The Fisheries Advisory Committee may invite the head of any government department or his representative or such other person as it may think fit, to participate in its meetings where matters of concern to that department or person are being discussed or where it considers that his presence would benefit the deliberations of the Committee.

(5) The functions of the Fisheries Advisory Committee shall be:

- (a) to advise the Minister on fisheries management and development;
- (b) to consider and advise the Minister on the plan for the management and development of fisheries in the fishery waters and on each review of the plan;
- (c) to consider and advise the Minister on the need for any amendment to the Act or to these Regulations;
- (d) to consider and advise the Minister on any proposals for access agreements, joint venture investment in fisheries, or development projects in the fisheries sector;
- (e) to consider and advise the Minister on initiative for the regional harmonization of fisheries regimes, including any regional licensing scheme for foreign fishing vessels;
- (f) to advise the Minister on the coordination of the policies and activities of Government departments and ministries with respect to any of the above matters;
- (g) such other functions as the Minister may from time to time assign to the Fisheries Advisory Committee.

(6) The Fisheries Advisory Committee may establish its own procedures.

### **PART III FOREIGN FISHING LICENCES**

#### **APPLICATIONS**

3. Every application for a foreign fishing licence shall be:

- (a) in the appropriate form, or contain the information set out, in Schedule I to these Regulations; and
- (b) addressed to the Minister and be in writing, or in the form of a telex or cable.

#### **LICENCE FORM**

4. Every foreign fishing licence shall:

- (a) be in writing in the form set out in Schedule 2 to these Regulations ;  
or
- (b) be in the form of a telex or cable containing the information set out in Schedule 2 to these Regulations.

## FEES

5. (1) The fee payable for the issue of a licence in respect of a foreign fishing vessel is the amount set out for vessels of that kind in Schedule 3 to these Regulations.

(2) No foreign fishing licence shall be issued unless the Minister is satisfied that any fees payable in respect of that licence have been paid and that adequate arrangements have been made for the payment of any royalties and other charges payable under Section 14 of the Act.

## GENERAL CONDITIONS

6. (1) Every foreign fishing licence issued under Section 8 of the Act shall be subject to the following general conditions:

- (a) No fishing shall be undertaken in the fishery waters except as authorized by the licence;
- (b) Any change in the information set out in the application form shall be notified to the Chief Fisheries Officer as soon as practicable and, in any case, not later than 7 days from the date of the change;
- (c) No fish may be trans-shipped from or onto the vessel while in the fishery waters except with the permission of the Chief Fisheries Officer and in accordance with such conditions as he may specify;
- (d) The master and each member of the crew of the vessel shall while in the fishery waters comply with any directions given to him by any authorized officer and, in particular, shall on request by the officer:
  - (i) stop the vessel;
  - (ii) permit an authorized officer to board the vessel and co-operate with him in any inspection; and
  - (iii) bring the vessel into port.
- (e) The master of the vessel shall, while in the fishery waters, take all reasonable measures and precautions to avoid causing damage to any local fishing operations including non-commercial operations.

(2) Every foreign fishing licence issued under Section 8 of the Act in respect of a foreign fishing vessel with an overall length of 60 feet or more shall be subject to the following general conditions in addition to the general conditions prescribed in the preceding sub regulation:

- (a) The vessel shall at all times while in the fishery waters:

- (i) fly the flag of its flag state; and
  - (ii) display in such a way as to be clearly visible both from the sea and from the air, in letter and numbers at least one metre high on a contrasting background,
    - (A) its international radio call sign; or
    - (B) the number assigned to it on any regional register established under Section 6 (f) of the Act.
- (b) The master of the vessel shall cause a logbook to be maintained on a daily basis in such form as the Chief Fisheries Officer may from time to time require for the purpose of recording the fishing operations of the vessel while within the fishery waters;
- (c) The logbook maintained under paragraph (b) shall be transmitted in its original and unaltered form to the Chief Fisheries Officer or to any other person or organization designated by him;
  - (i) not later than 45 days after the completion of the voyage to which the logbook relates; or
  - (ii) at any other time at the request of the Chief Fisheries Officer or of any authorized officer.
- (d) The master of the vessel shall cause reports in the form specified by the Chief Fisheries Officer to be made to the Chief Fisheries Officer or to such other person or organization as the Chief Fisheries Officer may designate containing the information set out in paragraph (e) at the following times:
  - (i) immediately upon entry into fishery waters;
  - (ii) every Wednesday or such other day that the Chief Fisheries Officer may specify while the vessel is in the fishery waters;
  - (iii) immediately upon departure from the fishery waters; and
  - (iv) such other times as the Chief Fisheries Officer may specify.
- (e) Each report made under paragraph (d) shall contain details of:
  - (i) the international radio call sign (or the number assigned to the vessel under any regional register);
  - (ii) the position of the vessel at the time of reporting;

- (iii) the total catch by species on board the vessel at the time of reporting;
  - (iv) such other matters relating to the fishing operations as the Chief Fisheries Officer may from time to time require.
  - (f) The master or owner of the vessel or his authorized local representative shall notify the Chief Fisheries Officer or such other person or organization as the Chief Fisheries Officer may designate of the estimated time of entry of the vessel into any port in St. Vincent and the Grenadines at least 24 hours prior to such entry.
  - (g) The master of the vessel shall, while in the fishery waters, allow any fisheries officer or other person designated in writing by the Chief Fisheries Officer to board and remain on board the vessel as an observer and shall:
    - (i) allow the observer full access to all equipment, including navigation and communication equipment, records and documents and to any fish on board the vessel;
    - (ii) allow the observer to make such tests, observations and records and to take and remove such samples as he may reasonably require in connection with the vessel's activities in the fishery waters; and
    - (iii) provide, without charge, food and accommodation as at least equivalent to that provided for officers of the vessel.
  - (h) The master of the vessel shall proceed to such port or place as the Chief Fisheries Officer may require to allow an observer to board or disembark from the vessel.
- (3) Every foreign fishing licence issued under Section 8 of the Act in respect of a foreign fishing vessel with an overall length of less than 60 feet shall be subject to the following general conditions in addition to the general conditions prescribed in sub regulation 1:
- (a) The vessel shall at all times while in the fishery waters display in such a way as to be clearly visible from both air and sea the registration or licence number assigned to that vessel by its country of origin or where no such registration or licence number has been assigned to it, such other marking as will adequately identify the vessel and its country of origin.
  - (b) The master of the vessel shall while in the fishery waters maintain such record of catches and other information in such form as the Chief Fisheries Officers may require.

- (c) The master of the vessel shall provide such information on the fishery operations carried out in the fishery waters, in such form and at such times as the Chief Fisheries Officer may require.
- (4) Any records, log books or notifications required to be maintained or made under this Regulation shall be maintained or made in English.

#### STORAGE OF GEAR

7. (1) The following is the prescribed manner in which fishing gear shall be stored for the purposes of section 9 of the Act:

- (a) the fishing gear shall be stored in such a manner that it is not readily available for fishing;
- (b) the fishing gear shall be stored wholly on board the vessel;
- (c) All nets, trawlboard and weights shall be disconnected from the towing or hauling wires or ropes and all mechanical hauling devices shall be sufficiently disconnected as to be incapable of immediate use;
- (d) where possible the fishing gear shall be stored below deck; any fishing gear carried on or above deck shall be secured to some part of the superstructure or hull of the vessel.

(2) For the purpose of this regulation and of section 9 of the Act, the term fishing gear shall include any net, line, hook, float, pole, rope, trap, boat or helicopter that may be used in the act of fishing.

(3) Where the fishing gear of a foreign fishing vessel which is prohibited by section 8 of the Act from fishing within the fishery waters is not stowed in the manner prescribed by this regulation while within the fishery waters, the master, owner and charterer of that vessel each commits an offence and is each liable on summary conviction to a fine not exceeding \$5,000.00.

#### FORM OF LICENCE AND APPLICATION

8. Every licence in respect of a local fishing vessel and every application for such a licence shall be in writing in the appropriate form set out in Schedules 4 and 5 to these Regulations.

#### FEES

9. The fees payable for the issue or renewal of a licence in respect of a local fishing licence is the amount set out in the Schedule 6 to these Regulations.

## **GROUND S FOR REFUSAL OF A LICENCE**

10. No licence in respect of a local fishing vessel may be issued or renewed unless:

- (a) an application has been made in accordance with Regulation 8 and is true and correct in every way;
- (b) any information requested by the Minister or the Chief Fisheries Officer and relevant to the proposed fishing operation has been provided in the manner requested;
- (c) the fee prescribed under Regulation 9 has been paid.

## **GENERAL CONDITIONS**

11. Every licence in respect of a local fishing vessel shall be subject to the following general conditions:

- (a) Any change in the information set out in the application form shall be notified to the Chief Fisheries Officer as soon as practicable and in any case no later than 7 days from the date of the change.
- (b) The vessel shall display the identification markings assigned to it by the Chief Fisheries Officer in such manner as he may require.
- (c) The vessel shall comply with the law relating to safety and with such safety standards as the Chief Fisheries Officer may from time to time determine by Notice published in the Gazette.
- (d) No fishing shall be undertaken except as authorized by the licence.
- (e) No fish may be trans-shipped from or onto the vessel except with the permission of the Chief Fisheries Officer and in accordance with such conditions as he may specify.
- (f) The master of the vessel shall, if so required by the Chief Fisheries Officer, cause a logbook to be maintained on a daily basis in such form as the Chief Fisheries Officer may from time to time require for the purpose of recording the fishing operations of the vessel.
- (g) Any logbook maintained under the preceding paragraph shall be transmitted in its original and unaltered form to the Chief Fisheries Officer at such time as he may require.
- (h) The master and each member of the crew of the vessel shall comply with any direction given to him by an authorized officer.

- (i) The master and each member of the crew of the vessel shall comply with the requirements of the Act and of any Regulations or other instruments made under the Act.
- (j) If the vessel is fishing in waters other than the fishery waters, the vessel shall comply with such written laws relating to fishing of any other country, if any, as may be recognized by the Government of Saint Vincent and the Grenadines as having force in those waters.

## **PART V FISH PROCESSING ESTABLISHMENT LICENCES**

### **APPLICATIONS**

12. Every licence to operate a fish processing establishment and every application for such a licence shall be in the appropriate form set out in Schedules 7 and 8 to these Regulations.

### **ISSUE OF LICENCES**

13. No licence to operate a fish processing establishment shall be issued unless the Minister is satisfied that the establishment has been constructed in such a manner as to allow for its operation in accordance with any applicable standards set out by law.

### **FEES**

14. The fee payable for the issue or renewal of a licence to operate a fish processing establishment is the amount set out for establishments of that kind in Schedule 9 to these Regulations.

### **LICENCE CONDITIONS**

15. Every licence to operate a fish processing establishment shall be subject to the following conditions:

- (a) The establishment shall be maintained and operated in a clean and sanitary manner.
- (b) Accurate records shall be maintained relating to the operations carried out in the establishment, including records of the quantity, species and quality of fish imported, received, processed, sold or exported, and all such records shall be open to inspection by any authorized officer.
- (c) Returns concerning the operations of the establishments shall be made to the Chief Fisheries Officer as he may from time to time require.

## PART VI FISHERY CONSERVATION MEASURES

### LOBSTER

16. (1) In this Regulation "undersize" means:
  - (a) less than 25 centimetres (9 inches) in length when laid flat and measured from immediately behind the rostral horns to the rear edge of the telson or a carapace length of less than 95 millimetres (3 1/2 inches) measured from immediately behind the rostral horn to the maximum concavity of the rear edge of the carapace;
  - (b) less than one and a half pounds (680 grams) in weight; or
  - (c) having a tail weighing less than 7035 grams

  - (a) any lobster carrying eggs; or
  - (b) any lobster which is undersize; or
  - (c) any lobster which is moulting.
- (3) No person shall capture any lobster other than by hand, loop, pot or trap.
- (4) No person shall have in his possession or sell any lobster that has been speared, hooked or otherwise impaled.
- (5) No person shall remove the eggs from a lobster, or have in his possession, sell or purchase a lobster from which the eggs have been removed.
- (6) The close season for lobsters is 1st April to 31st October.
- (7) No person shall fish for lobster during the period of a close season for lobsters.
- (8) No person shall land from a fishing vessel any lobster that is not whole.
- (9) The sale of lobster is prohibited during the period of a close season for lobsters except that during the first fourteen days of that period, hotels and restaurants may sell lobster.

### TURTLE

17. (1) In this Regulation "undersize" means less than the weight specified for that species in Schedule 10.

(2) No person shall:

- (a) disturb, take, sell, purchase or have in his possession any turtle eggs;
- (b) interfere with any turtle nest; or
- (c) take, sell, purchase or have in his possession any undersized turtle;
- (d) sell, purchase or have in his possession the shell of an undersize turtle;
- (e) take, sell, purchase or have in his possession any turtle or part thereof during the period of a close season for that species of turtle.

(3) The close season for turtle is 1st March to 31st July.

**CONCH**

18. (1) No person shall take sell or purchase or have in his possession any immature conch.
- (2) The Minister may by Notice published in the Gazette declare any period as a closed season for conch.
- (3) No person shall fish for conch during the period of a closed season for conch.
- (4) In this Regulation immature conch means:
- (a) a conch the shell of which is smaller than 7 inches (18 centimetres) in length; or
  - (b) a conch the shell of which does not have a flared lip; or
  - (c) a conch with a total meat weight of less than 8 ozs (225 grams) after removal of the digestive gland.

**CORAL**

19. No person shall take or collect coral from the fishery waters except with the written permission of the Chief Fisheries Officer in accordance with such conditions as he may specify.

**AQUARIUM FISH**

20. No person shall import, sell or export any aquarium fish except with the permission of the Chief Fisheries Officer and in accordance with such conditions as he may specify.

#### RESTRICTION ON USE OF SPEAR GUN

21. (1) No person shall use a spear gun (fish gun) for fishing in the fishery waters of Saint Vincent and the Grenadines without first having obtained written permission from the Minister for the use of that type of fishing gear in the fishery waters of Saint Vincent and the Grenadines.
- (2) Application for permission to use a spear gun in the fishery waters of Saint Vincent and the Grenadines shall be made to the Chief Fisheries Officer.
- (3) Subject to paragraph (4), the Minister may grant his permission upon an application made under paragraph (2) and may attach such conditions to the grant of his permission as he deems necessary.
- (4) The use of spear gun for fishing is prohibited in the conservation areas specified in Schedule 11.

#### PROHIBITION ON USE OF TANGLE NETS

22. No person shall use a tangle net for fishing in the fishery waters of Saint Vincent and the Grenadines,

#### MINIMUM SIZE FOR NETS

23. (1) The mesh size of a seine shall be not less than one inch square.
- (2) The mesh size of a "ballahoo net" shall be not less than one half of an inch square.

#### BALLAHOO NET NOT TO BE DRAWN UP ON LAND

24. No person shall draw or haul any ballahoo net from the water up onto the land, or up onto any wharf or jetty, or up into or on any boat, canoe, vessel, raft or other floating construction, lying at the time within fifty feet of the land.

#### FISHERIES RESEARCH

25. This part of these Regulations shall not apply to fishing operations which are conducted solely for the purpose of fisheries research provided that permission has been granted in respect of such operations by the Minister under Section 23 of the Act and that the operations are carried out in accordance with the conditions of such permission.

## PART VII FISH AGGREGATING DEVICES

### PLACING OF DEVICES

26. (1) No person shall place a fish aggregating device in the fishery waters except with the permission of the Chief Fisheries Officer and in accordance with such conditions as he may specify or as are otherwise specified in this Part of the Regulations.
- (2) The permission of the Chief Fisheries Officer under this Regulation may be given in the form of a telex or cable or in writing whether as a condition of the licence or otherwise, or, in the case of a fish aggregating device placed by or on behalf of the Fisheries Department, shall be implied.
- (3) Permission to place a fish aggregating device shall not confer any exclusive right to fish in the vicinity of the device.
- (4) The master of any vessel placing a fish aggregating device shall notify the Chief Fisheries Officer within 24 hours of the nature and location of the device.

### DESIGNATED FISH AGGREGATING DEVICE

27. (1) The Chief Fisheries Officer may, by Notice published in the Gazette declare any fish aggregating device to be a designated fish aggregating device for the purposes of this Regulation.
- (2) No person shall fish within a radius of one half of a nautical mile from a designated fish aggregating device except with the permission of the Chief Fisheries Officer and in accordance with such conditions as he may specify.

### MARKING OF DEVICES

28. Any fish aggregating device placed in the fishery waters shall:
- (a) be clearly marked with the name of the owner and of the vessel from which the device was placed;
  - (b) bear a radar reflector and such lights as shall be clearly visible at night from a distance of five nautical miles, and
  - (c) have such other equipment or markings as the Chief Fisheries Officer may require.

### DISPOSAL OF UNAUTHORIZED DEVICES

29. Any fish aggregating device placed in the fishery waters otherwise than in

accordance with a permission given under Regulation 21 may be used or disposed of in such manner as the Minister may direct.

## PART VIII MISCELLANEOUS PROVISIONS

### OFFENCES AND PENALTIES

30. Any person contravening any of these Regulations commits an offence and is liable on summary conviction to a fine not exceeding five thousand dollars.
