At an election, where the number of persons effectively nominated exceeds the number of vacancies, the candidates corresponding to the number of vacancies and receiving the largest number of votes shall be declared duly elected, but if for the filling of the last vacancy two or more candidates have the same number of votes, the persons to be elected from among them shall be determined on a casting vote by the Chairman of the meeting at which the election is held.

38. (1) For the purposes of enabling pharmacists to vote without attending the special general meeting (hereafter called “the election meeting”) convened for the election of members to the Council, the secretary shall issue by post a ballot paper to each pharmacist.
(2) Before the issue of ballot papers by post, the secretary shall appoint a date, time and place for the issue of postal ballot papers (being not less than fourteen days prior to the date appointed for the election meeting), and shall give at least two days notice in writing thereof to each candidate.

(3) At the time and place fixed under subregulation (2), the secretary shall, in the presence of all candidates who appear either in person or by representatives acceptable to the Council, issue to every qualified pharmacist at his address recorded in the Register of Pharmacists a ballot paper.

39. A ballot paper shall contain the names and addresses of all persons duly nominated for election and shall be in such form and contain such direction with respect to voting as the Council may determine, and ballot papers shall be numbered and issued consecutively.

40. As each ballot paper is issued, the secretary shall place his initials thereon and shall enter on a ballot list the number of the ballot paper and the name of the pharmacist to whom it is issued.

41. Immediately after all ballot papers are issued the secretary shall send them by prepaid post for delivery as addressed.

42. Every pharmacist to whom a ballot paper is issued shall, if he wishes to vote at the election of members to the Council, register his vote by marking the ballot paper in accordance with the direction contained thereon and shall sign and return the ballot paper in a sealed envelope clearly marked “ballot”—

(a) to the secretary, either by prepaid registered post or by causing the same to be delivered to the secretary so as to reach him, in either case, before the time appointed for the election meeting; or

(b) to the election meeting, by personally attending and delivering the same before the meeting proceeds to the counting of votes.
43. The secretary shall deliver every envelope containing a ballot paper to the Chairman of the meeting who shall cause the same to be opened in the presence of scrutineers appointed in accordance with regulation 45.

44. (1) A pharmacist who is present at the election meeting and states before any ballot is opened that he has not received a ballot paper shall, if he is then entitled to vote, be issued a ballot paper for the purpose of voting, and shall, if he wishes to vote, then and there mark his ballot paper and return the same folded to the Chairman.

(2) Regulation 40 applies to the issue of a ballot under this regulation, but if the name of the pharmacist is already entered on the ballot list—

(a) the earlier entry shall be cancelled;
(b) the second ballot paper issued shall be marked “second”; and
(c) the scrutineers shall on examining all the ballots returned, reject any other ballot paper which was previously issued to the pharmacist.

45. (1) The Council shall appoint scrutineers for the purpose of a general election and persons so appointed are entitled to attend the election meeting whether or not they are pharmacists.

(2) If there is no scrutineer appointed by the Council present at the election meeting, the Chairman shall appoint not less than two members present as scrutineers.

(3) Notwithstanding regulation 27, the election meeting may proceed to business as long as there are not less than seven members present.

46. Where a vacancy or temporary vacancy occurs in the membership of the Council and that vacancy or temporary vacancy is required to be filled by the Board, the Council shall summon a meeting of the Board for the purpose of filling that
vacancy before the second quarterly meeting of the Council to be held after the date on which the vacancy or temporary vacancy occurred; and the election procedure at that meeting shall be the same as that provided in the case of an election to be held at the annual general meeting and regulation 35(3) applies thereto as it applies to an election held at the annual general meeting.

47. Where a vacancy or temporary vacancy occurs in the membership of the Council and that vacancy is required to be filled by the Minister or the Medical Council, the secretary shall notify the Minister or the Medical Council in sufficient time to enable the vacancy or temporary vacancy to be filled before the second quarterly meeting of the Council to be held after the date on which the vacancy or temporary vacancy occurred.

GENERAL

48. The duties of the secretary are—

(a) to receive all moneys on behalf of the Council and to give receipts therefor;

(b) to pay out moneys when directed by the Council in discharge of the obligations of the Board or of the Council;

(c) to keep books of accounts as may be approved by the Council and to present the books for audit annually;

(d) to cause minutes to be taken and read to all meetings of the Council and of the Board;

(e) to deposit all moneys of the Board in such Bank as may be approved by the Council; and

(f) generally to superintend and administer the affairs of the Board under the direction of the Council.

49. (1) The Board shall at each annual general meeting appoint an auditor to hold office as such until the next annual general meeting.
(2) The Council may fill any casual vacancy occurring in the office of auditor.

(3) No member of the Council may hold office as auditor.

(4) An auditor may be paid such fees as the Council determines.

50. (1) The Council may appoint lecturers and examiners, but no member of the Council may be an examiner.

(2) Lecturers and examiners shall be paid such remuneration as the Council may from time to time determine.

51. The Seal of the Board shall be kept at the head office of the Board under the custody of the secretary and shall be affixed to all certificates of diplomas issued by the Council.

52. There shall be paid to the Council in respect of the matters referred to in the second column of the Second Schedule to these Regulations the fees respectively specified in the third column of that Schedule opposite the reference to such matters.
