## Approval of New Drugs Notification

The list of new drugs set out in the Schedule to this Notification (at page 103) has been consolidated as at 31st December 1977. This list is so voluminous and changes to it so frequent that, especially in view of its very limited use by the general public, it is not practicable to update it annually. The amendments to this list since 31st December 1977 are as follows: G.N.'s 19, 27, 42, 114, 148 and 178/1978, and 12, 95, 111, 146, 163 and 221/1979; \*172; 173, 175 and 176/1981; 39, 45, 109, 116, 122 and 171/1983; 13, 48, 93, 121/1984; 74, 104, 130, 131 and 173/1985.

#### ADMINISTRATION AND ENFORCEMENT

Appointment of analysts and inspectors.

**20.** The Minister may appoint one or more persons to be analysts or inspectors for the purpose of this Act and shall furnish every such person with a certificate of his appointment as such.

Power of inspector to enter, examine, take samples, make copies of documents, demand information and seize articles.

**21. (1)** An inspector may at any reasonable time—

- (a) enter any place where on reasonable grounds he believes any article to which this Act or the Regulations apply is manufactured, prepared, preserved, packaged or stored, examine any such article and take samples thereof, and examine anything that he reasonably believes is used or capable of being used for the manufacture, preparation, preservation, package or storing;
- (b) open and examine any receptacle or package that on reasonable grounds he believes contains any article to which this Act or the Regulations apply;
- (c) examine any books, documents or other records found in any place mentioned in paragraph (a) which on reasonable grounds he believes contain or are likely to contain any information relevant to the enforcement of this Act with respect to any article to which this Act or the Regulations apply and make copies thereof or extracts therefrom; and
- (d) seize and detain for such time as may be necessary any article by means of or in relation to which he reasonably believes any provision of this Act, or the Regulations has been violated.

(2) For the purposes of subsection (1), the expression "article to which this Act or the Regulations apply" includes—

- (a) any food, drug, cosmetic or device;
- (b) anything used for the manufacture, preparation, preservation, packaging or storing thereof; and
- (c) any labelling or advertising material.

(3) An inspector on entering any place pursuant to subsection (1) shall if so required produce his certificate of appointment to the person in charge thereof.

(4) The owner or person in charge of a place entered by an inspector pursuant to subsection (1) and every person found therein shall give the inspector all reasonable assistance in his power and furnish him with such information as he may reasonably require.

(5) Any person who—

- (a) fails to comply with subsection (4);
- (b) obstructs an inspector in the carrying out of his duties under this Act or the Regulations;
- (c) knowingly makes any false or misleading statement either verbally or in writing to any inspector engaged in carrying out his duties under this Act or the Regulations; or
- (d) removes, alters or interferes in any way with any article seized under this Act without the authority of an inspector,

is guilty of an offence.

(6) Any article seized under this Act may at the option of an inspector be kept or stored in the building or place where it was seized or may at the direction of an inspector be removed to any other proper place.

**22.** (1) Any inspector when authorised thereto by the Minister shall have the right to examine any customs entries of food, drugs or cosmetics imported into Trinidad and Tobago and to take samples thereof and to submit the samples to an analyst for analysis or examination.

*Power of  
inspector with  
regard to  
importations.*

(2) In any case where samples are taken such food, drug or cosmetic shall not be delivered to the importer until the analyst has reported upon the samples taken.

(3) If it appears from the report of the inspector or the

analyst that the sale of the food, drug or cosmetic would be in violation of this Act or the Regulations if sold in Trinidad and Tobago, the food, drug or cosmetic shall not be admitted for use as a food, drug or cosmetic.

**Forfeiture.**

**23.** (1) An inspector shall release any article seized by him under this Act when he is satisfied that all the provisions of this Act and the Regulations with respect thereto have been complied with.

(2) Where an inspector has seized an article under this Act and the owner thereof or the person in whose possession the article was at the time of seizure consents to the destruction thereof the article shall be thereupon forfeited to the State and may be destroyed or otherwise disposed of as the Minister may direct.

(3) Where a person has been convicted of an offence under this Act or the Regulations, the Court or magistrate may order that any article by means of or in relation to which the offence was committed or any article or thing of a similar nature belonging to or in the possession of the accused or found with the article, whether or not the article or thing has been proved to be in violation of this Act, or the Regulations, be forfeited, and upon such order being made, the articles and things shall be forfeited to the State and may be disposed of as the Minister may direct.

(4) Without prejudice to the operation of subsection (3), a magistrate having jurisdiction in the place where any article was seized under this Act may, on the application of an inspector and on such notice to such persons as the magistrate directs, order that the article and all articles of a similar nature found therewith, whether or not the articles are proved to be in violation of this Act and the Regulations, be forfeited to the State to be disposed of as the Minister may direct, if the magistrate finds, after making such inquiry as he considers necessary, that the article so seized is one by means of or in relation to which any of the provisions of this Act or the Regulations were violated.

**Analysis.**

**24.** (1) An inspector may submit any article seized by him or any sample therefrom or any sample taken by him to an analyst for analysis or examination.

(2) Where an analyst has made an analysis or examination he shall issue to the inspector a certificate or report setting forth the results of his examination or analysis.

**25. (1)** The Minister may make Regulations for carrying the purposes and provisions of this Act into effect, and, in particular, but not so as to restrict the generality of the foregoing, may make Regulations—

- (a) declaring that any food or drug or class of food or drugs is adulterated if any prescribed substance or class of substances is present therein or has been added thereto or extracted or omitted therefrom;
- (b) respecting—
  - (i) the labelling and packaging and the offering, exposing and advertising for sale of food, drugs, cosmetics and devices;
  - (ii) the size, dimensions, fill and other specifications of packages of food, drugs, cosmetics and devices;
  - (iii) the sale or the condition of sale of any food, drug, cosmetic or device; and
  - (iv) the use of any substance as an ingredient in any food, drug, cosmetic or device,to prevent the consumer or purchaser thereof from being deceived or misled as to its quantity, character, value, composition, merit or safety or to prevent injury to the health of the consumer or purchaser;
- (c) prescribing standards of composition, strength, potency, purity, quality or other property of any article of food, drug, cosmetic or device;
- (d) as regards the importation of foods, drugs, cosmetics and devices in order to ensure compliance with this Act and the Regulations;
- (e) as regards the method of preparation, manufacture, preserving, packing, storing and testing of any food, drug, cosmetic or device in the interest of or for the prevention of injury to, the health of the consumer or purchaser;
- (f) requiring persons who sell food, drugs, cosmetics or devices to maintain such books and records as may be prescribed or as the Minister considers necessary for the proper enforcement and administration of this Act and the Regulations;
- (g) as regards the powers and duties of inspectors and analysts and the taking of samples and the seizure, detention, forfeiture and disposition of articles;

- (h) exempting any food, drug, cosmetic or device from all or any of the provisions of this Act or the Regulations and prescribing the conditions of the exemption;
- (i) prescribing forms for the purposes of this Act and the Regulations;
- (j) providing for the analysis of food, drugs or cosmetics at the request of members of the public and prescribing a tariff of fees to be paid for the analysis;
- (k) providing for the making of special Schedules of drugs and for the listing or describing of drugs therein and for the conditions under which the drugs shall be sold including the process or condition of manufacture, the kind and conditions of the premises wherein manufactured, the qualification of technical staff engaged therein, and such other matters as are necessary to ensure that any drug so listed and described will not be unsafe for use;
- (l) adding anything to any of the Schedules, in the interest of, or for the prevention of injury to, the health of the consumer or purchaser, or deleting anything therefrom; and
- (m) prescribing anything authorised or required to be prescribed under this Act.

(2) Regulations made under this section may prescribe in respect of any contravention thereof or failure to comply therewith a fine of three hundred dollars or imprisonment for three months on summary conviction.

Drug Advisory  
Committee and  
Food Advisory  
Committee.  
[39 of 1968].

**26. (1)** The Minister may establish in the interest and for the protection of public health—

- (a) a Drug Advisory Committee to assist and advise him with respect to—
  - (i) drug standards, schedules of drugs, conditions of sale of drugs; and
  - (ii) cosmetic standards, labelling of cosmetics, and any other matters connected therewith;
- (b) a Food Advisory Committee to assist and advise him with respect to food standards, labelling and other matters connected with the manufacture and distribution of food.

(2) The committees mentioned in subsection (1) shall be representative of lay and professional interests and shall comprise such persons as by reason of their knowledge, interest and experience are considered suitable for appointment thereto.

27. Where a person committing an offence against this Act is a body corporate, the chairman, president, the officers and every director thereof concerned in the management of the body corporate, is guilty of the same offence unless he proves that the act constituting the offence took place without his knowledge or that he exercised all due diligence to prevent the commission thereof.

Offences by corporations.

28. A prosecution for an offence under this Act or the Regulations may be instituted, heard, tried or determined in the place in which the offence was committed or the subject-matter of the prosecution arose or in any place in which the accused is apprehended or happens to be.

Jurisdiction.

29. (1) Subject to subsection (2), in a prosecution for the sale of any article in contravention of this Act or the Regulations, if the accused proves to the satisfaction of the court or magistrate that—

Defences.

- (a) he purchased the article from another person in packaged form and sold it in the same package and in the same condition the article was in at the time he purchased it; and
- (b) that he could not with reasonable diligence have ascertained that the sale of the article would be in contravention of this Act or the Regulations,

the accused shall be acquitted.

(2) Subsection (1) shall not apply in any prosecution unless the accused, on or before the day fixed for the trial, has given to the prosecutor notice in writing that he intends to avail himself of the provisions of the said subsection and has disclosed to the prosecutor the name and address of the person from whom he purchased the article and the date of purchase.

30. (1) A certificate of an analyst stating that he has analysed or examined an article or a sample submitted to him by an inspector and stating the result of his examination shall be admissible in evidence in a prosecution for an offence under this Act or the Regulations, and shall be *prima facie* proof of the statements contained in the certificate, subject to the right of the party against whom it is produced to require the attendance of the

Evidence and sufficiency of proof.

analyst for the purpose of cross-examination; but no such certificate shall be received in evidence unless the party intending to produce it has, before the trial, given to the party against whom it is intended to be produced, reasonable notice of the intention together with a copy of the certificate.

(2) Proof that a package containing any article to which this Act or the Regulations apply bore a name or address purporting to be the name or address of the person by whom it was manufactured or packaged shall be *prima facie* proof, in a prosecution for an offence under this Act or the Regulations, that the article was manufactured or packaged, as the case may be, by the person whose name or address appeared on the package.

(3) In a prosecution for an offence under this Act or the Regulations it shall be sufficient proof of the offence to establish that it was committed by an employee or agent of the accused whether or not the employee or agent has been prosecuted for the offence; and for the purposes of this subsection, any person selling or ostensibly employed to sell shall be presumed to be employed to sell.

(4) In a prosecution for an offence under this Act or the Regulations a copy of any document or record or an extract therefrom certified to be a true copy by the inspector who made it pursuant to section 21(1)(c) shall be receivable in evidence and shall be *prima facie* proof of the contents thereof.

(5) Where a person is prosecuted under this Act for having manufactured an adulterated food or drug for sale, and it is established that—

- (a) the food or drug has by Regulation been declared to be adulterated if any prescribed substance has been added thereto; and
- (b) the person had in his possession or on his premises any such prescribed substance,

the onus of proving that the food or drug was not adulterated by the addition of the substance shall be on the accused.

**Presumptions.**

**31.** For the purpose of this Act and the Regulations thereunder—

- (a) any article commonly used for human consumption shall if sold be presumed, until the contrary is proved, to have been sold for human consumption;
- (b) any article commonly used for human consumption which is found on premises used for the preparation,

storage, or sale of that article and any article commonly used in the manufacture of products for human consumption which is found on premises used for the preparation, storage or sale of these products, shall be presumed, until the contrary is proved, to be intended for sale, or for manufacturing products for sale, for human consumption;

- (c) any substance capable of being used in the composition or preparation of any article commonly used for human consumption which is found on premises on which that article is prepared shall, until the contrary is proved, be presumed to be intended for such use.

**32. (1)** The Minister may order that the manufacturer of any article of food, drug or cosmetic shall furnish a declaration in prescribed form that the article in question as manufactured by him has been made in accordance with all requirements of this Act and the Regulations, and any person who fails to comply with any such order is guilty of an offence.

*Declaration by manufacturer and certificate in respect of imported foods, drugs, cosmetics, or devices.*

(2) Except as provided by the Regulations, no article of food, drug, cosmetic or device shall be imported into Trinidad and Tobago unless the article wholly conforms to the law of the country in which it was manufactured or produced and is accompanied by a certificate in prescribed form and manner that the article does not contravene any known requirement of the law of that country and that its sale therein would not constitute a violation of the law thereof.

**33.** Every person who commits an offence under this Act is liable—

*Penalties.*

- (a) on summary conviction for a first offence to a fine of one thousand five hundred dollars and to imprisonment for three months, and for a subsequent offence to a fine of three thousand dollars and imprisonment for six months; and
- (b) on conviction on indictment to a fine of fifteen thousand dollars and to imprisonment for three years.

**34.** A prosecution under section 33(a) may be instituted at any time within twelve months from the time the subject-matter of the prosecution arose.

*Time limit on prosecutions.*

Phenothiazine derivatives, the following and their salts:  
    Acepromazine  
    Chlorpromazine  
    Fluphenazine  
    Levomepromazine (or Mepromazine or Methotrimeprazine)  
    Perphenazine  
    Pecazine (or Mepazine)  
    Prochlorperazine  
    Promazine  
    Thiethylperazine  
    Thiopropazate  
    Thiopropazine  
    Thioridazine  
    Trifluoperazine  
    Trifluopromazine  
    Trimeprazine  
Phenylbutazone and its salts  
Prothipendyl hydrochloride  
Pyrazinamide

Rauwolfia, and the following Rauwolfia alkaloids and their salts and derivatives:

Deserpidine

Raubasine

Rescinnamine

Reserpine

Sex Hormones, natural and synthetic, or their derivatives (except cosmetic preparations for external use and oral contraceptive preparations which have been shown to have no significant side effects)

Sulfinpyrazone and its salts

Tetrabenazine

Thiotepa

Thiouracil and its derivatives

Thyroid

Thyroxin and its salts

Tranlycypromine

Tretamine

1-triiodothyronine

Trimethadione

All drugs containing more than 0.75 per cent by weight of Hexachlorophane (Synonyms:—Hexachlorophene, di—(3, 5, 6—Trichloro—2-Hydroxyphenyl)—Methane).
