

Toxic Chemical Substances Handling Application Fee Standards

Original six articles promulgated by Environmental Protection Administration Order Huan-Shu-Tu-Tzu No. 05829 on February 5, 1997

Revisions to six articles promulgated by Environmental Protection Administration Order Huan-Shu-Tu-Tzu No. 0036691 on June 24, 1998

Revisions to six articles promulgated by Environmental Protection Administration Order Huan-Shu-Tu-Tzu No. 0960062832A on August 22, 2007; the name was also revised; the original name was “Toxic Chemical Substances Handling Permit Application Fee Standards”

Article 1

These Standards are determined pursuant to Article 40 of the Toxic Chemical Substances Control Act (herein referred to as “this Act”).

Article 2 Fees designated in these Standards shall include review fees and certificate fees, and specifically the following items:

- I. Permits: for the manufacture, import, and sale of the Class 1, Class 2, and Class 3 toxic chemical substances.
- II. Registration documents: for the use and storage of Class 1, Class 2, and Class 3 toxic chemical substances.
- III. Approval documents: for the manufacture, import, sale, use, and storage of Class 1, Class 2, and Class 3 toxic chemical substances, when the total quantity handled is less than the large-scale handling standard officially announced pursuant to Article 11, Paragraph 2 of this Act.
- IV. Application for removal of restriction or prohibition on Class 1, Class 2, and Class 3 toxic chemical substances in accordance with Article 7, Paragraph 3 of this Act.

Article 3

The competent authority shall collect the following review fees for the issuance, approval, extension or modification of all types of handling permits, registration documents, approval documents, and application for removal of restriction or prohibition on Class 1, Class 2, and Class 3 toxic chemical substances pursuant to this Act:

Application item	Permit	Registration document	Approval document	Application for removal of restriction or prohibition on Class 1, Class 2, and Class 3 toxic chemical substances
New application	NT\$3,000	NT\$2,000	NT\$1,000	NT\$20,000
Extension	NT\$1,500	NT\$1,000	NT\$500	

Application item	Permit	Registration document	Approval document	Application for removal of restriction or prohibition on Class 1, Class 2, and Class 3 toxic chemical substances
Change of handling site	Change of manufacturing or storage area: NT\$3,000	Change of use or storage area: NT\$2,000	Change of manufacture, use, or storage area: NT\$1,000	
Other content apart from change of handling site. There shall be no fee for only changing the handler's basic information, however	NT\$900	NT\$600	NT\$300	

When an applying for the extension or modification of the permit, registration document, or approval document in the foregoing paragraph, and simultaneously applying for the modification of more content items, the sole review fee shall be that for the extension or modification item with the highest fee.

Article 4

The competent authority shall collect the following certificate fees for the issuance, approval, extension or modification of all types of handling permits, registration documents, or approval documents, pursuant to this Act:

- I. Permit: NT\$1,000.
- II. Registration document: NT\$500.
- III. Approval document: NT\$300.

Article 5

The competent authority shall not collect a certificate fee when, due to service needs, it must notify holders to renew certificates in the foregoing article.

Article 6

These Standards shall take effect on the date of promulgation.
