The Secretary of State makes the following Order in exercise of the powers conferred by section 188 of the Marine and Coastal Access Act 2009(1).

Citation, commencement and expiry

(2) It comes into force on 1st April 2011.

(3) Article 8 ceases to have effect on 1st April 2015.

Interpretation

“transfer date” means 1st April 2011;

“the transferee” means the IFC authority referred to in article 3(2);

“the transferor” means the local fisheries committee referred to in article 3(1).

(2) Expressions used in this Order that are also used in Chapters 1 and 2 of Part 6 of the Marine and Coastal Access Act 2009 have the meaning they bear in those Chapters.

Transfer of employees

3.—(1) This paragraph applies in relation to any person (a “relevant employee”) who, immediately before the transfer date, was employed by or on behalf of a local fisheries committee listed in the left hand column of the table in Schedule 1 (“the transferor”) and whose contract of employment was not terminated before the transfer date (whether by expiry of notice, effluxion of time or otherwise).

(1) 2009 c.23.
(2) On the transfer date, all relevant employees transfer to, and become employees of, the IFC authority listed in the corresponding entry to the transferor in the right hand column of the table in Schedule 1 ("the transferee").

   (b) anything done before the transfer date by, or in relation, to the transferor in respect of a relevant employee or their contract of employment, is deemed to have been done by, or in relation to, the transferee.

(5) Paragraphs (2) to (4) do not transfer a relevant employee's contract of employment, or the rights, powers, duties and liabilities under or in connection with that contract, if the employee has objected to the transfer to the transferee and had informed the transferor of that objection on or before 31st March 2011.

(6) Where a relevant employee so objects, their contract of employment with the transferor is terminated immediately before the date on which the transfer would have occurred and that employee is not to be treated, for any purpose, as having been dismissed by the transferor.

(7) Nothing in this article affects any right of a relevant employee to terminate their contract of employment with the transferor if (apart from the change of employer) a substantial and detrimental change is made to the employee's working conditions.

Transfer of property, rights and liabilities

4.—(1) On the transfer date, the following transfer to and vest in the transferee—

(3) On and after the transfer date, all property of a relevant council held for the purposes of the transferor immediately before that date is held by the council for the purposes of the transferee.

(4) Paragraph (1) has effect in spite of any provision (of whatever nature) that would prevent or restrict the transfer of the property, rights or liabilities in question otherwise than by that paragraph.
