(This note is not part of the Regulations)

These Regulations prescribe various matters for the purposes of section 108 of the Town and Country Planning Act 1990.

Section 108 provides for the payment of compensation in certain cases where planning permission for development granted by a development order or a local development order is withdrawn and where on an application for planning permission for that development, the application is refused or permission is granted subject to conditions.

These Regulations prescribe types of development for the purposes of section 108(2A) and (3C) (regulation 2), prescribe the manner in which planning permission is to be withdrawn (regulation 3) and prescribe the manner, and maximum period, in which notice of withdrawal, revocation, amendment or directions is to be given (regulations 4 and 5).
