The Scottish Ministers make the following Regulations in exercise of the powers conferred by section 2(2) of, and paragraph 1A of schedule 2 of the European Communities Act 1972(1) and all other powers enabling them to do so.

These Regulations make provisions for a purpose mentioned in section 2(2) of the European Communities Act 1972 and it appears to the Scottish Ministers that it is expedient for any reference to an Annex to Commission Implementing Regulation (EU) 2015/1375 laying down specific rules on official controls for Trichinella in meat to be construed as references to that Annex as amended from time to time.

There has been consultation as required by Article 9 of Regulation (EC) No. 178/2002 of the European Parliament and of the Council laying down the general principles and requirements of food law, establishing the European Food Safety Authority and laying down procedures in matters of food safety(2).

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Food Hygiene (Scotland) Regulations 2006 (“the Principal Regulations”) implementing Commission Implementing Regulation (EU) No. 2015/1375 (“the Codification Regulation”) which codifies certain provisions laying down specific rules on official controls for *Trichinella* in meat.

Regulation 3 amends various definitions in the Principal Regulations to omit references to repealed EU Regulation and insert references to the Codification Regulation.

Regulation 2(5) of the Principal Regulations provides that any reference to an EU instrument defined in schedule 1 of those Regulations is ambulatory, i.e. it is a reference to that instrument as any Annex to it is amended from time to time.

No business and regulatory impact assessment has been prepared for these Regulations as no impact upon business, charities or voluntary bodies is foreseen.
