The Scottish Ministers make the following Regulations in exercise of the powers conferred by section 2(2) of, and paragraph 1A of Schedule 2 to, the European Communities Act 1972(a) and all other powers enabling them to do so.

These Regulations make provision for a purpose mentioned in section 2(2) of the European Communities Act 1972 and it appears to the Scottish Ministers that it is expedient for references to EU instruments in these Regulations, to be construed as reference to those instruments as amended from time to time.

There has been consultation as required by Article 9 of Regulation (EC) No 178/2002 of the European Parliament and of the Council laying down the general principles and requirements of food law, establishing the European Food Safety Authority and laying down procedures in matters of food safety(b).

EXPLANATORY NOTE
(This note is not part of the Regulations)

These Regulations repeal and replace the Milk and Milk Products (Pupils in Educational Establishments) (Scotland) Regulations 2001 (the “2001 Regulations”) (as amended) in light of changes in EU law. Regulation 7 of these Regulations provides for the revocation of the 2001 Regulations and the other provisions which have amended the 2001 Regulations.

The new EU law deals with the same subject matter as the EU law which it revokes and replaces i.e. the rules governing the provision of Union aid for milk and other products in educational establishments.

National “top-up” aid payments are permitted by Article 23a(6) of Regulation (EU) No 1308/2013 (as amended). Regulation 3 of these Regulations provides that any National aid payment shall be subject to the same rules, requirements and conditions as apply to Union aid.

These Regulations also provide for the withholding or recovery of any Union aid or any National aid to which an applicant is not entitled or where the applicant is in breach of any commitments given as a condition of such Union aid or National aid (regulation 4). Regulation 5 provides for interest to be charged.

Regulation 6 amends the Common Agricultural Policy Non-IACS Support Schemes (Appeals) (Scotland) Regulations (SSI 2004/278) in consequence of the changes being made to EU law. This is to allow appeals under this scheme to continue to be made under those regulations.

These Regulations provide that reference to all European instruments are to be construed as references to those instruments as amended from time to time.
