

## GOVERNMENT OF ZAMBIA

STATUTORY INSTRUMENT NO. 104 OF 2013

**The Town and Country Planning Act**  
(Laws, Volume 16, Cap. 283)**The Town and Country Planning (Application)  
Order, 2013**

IN EXERCISE of the powers contained in section *Three* of the Town and Country Planning Act, the following Order is hereby made:

- |  |                    |
|--|--------------------|
| 1. This Order may be cited as the Town and Country Planning (Application) Order, 2013.                     | Title              |
| 2. The Act applies to the customary areas within the boundaries of the districts described in the Schedule | Application of Act |

SCHEDULE  
(Paragraph 2)

## MPULUNGU DISTRICT

The boundary starts at the confluence of the Chambeshi River and Kalongola River; thence along the Chambeshi River in the south-westerly direction to the confluence of the Chambeshi and the Lufubu Rivers; thence in the north-easterly direction along the Lufubu River to the shore of Lake Tanganyika; thence along the shore of Lake Tanganyika in the south-easterly direction for a distance of 22 Kilometers approximately to the confluence of the shore of the Lake Tanganyika and an unnamed stream; thence in a straight line in the south-westerly direction for a distance of 35.4 km to the confluence of the Chambeshi and Kalongola Rivers, the starting point.

All bearings and distances are approximate. Bearings are taken from Grid North. The described area in extent 50,377 hectares approximately is shown bordered red on Plan No. MPU/700 deposited in the Office of the Surveyor-General, signed by the Surveyor-General and dated 23rd August, 2013.

## NSAMA DISTRICT

The boundary starts at the shore of Lake Tanganyika and the boundary of Kaputa Game Management Area No. 30; thence along the Kaputa GMA No. 30 for a distance of 4 km; thence along the same boundary of Kaputa GMA No. 30 for a distance of 2.6 km in the north-westerly direction to D38 road.

Thence along the D38 road for a distance of 9.3 km in the westerly direction; thence in a straight line for a distance of 5.3 km in the north-westerly direction at the bearing of 322 degrees; thence in a straight line in the westerly direction for a distance of 8.5 km at a bearing of 90 degrees; thence in a straight line in the north direction for a distance of 5.4 km; thence in a straight line for a distance of 15 km in the north-westerly direction; thence in a straight line for a distance of 12 km in the easterly direction to the shore of Lake Tanganyika; thence along the shore of Lake Tanganyika to the boundary of Kaputa GMA, the starting point.

All bearings and distances are approximate. Bearings are taken from Grid North. The described area in extent 31,245 hectares approximately is shown bordered red on Plan No. NSA/003 deposited in the Office of the Surveyor-General signed by the Surveyor-General and dated 23rd August, 2013.
