

NATIONAL AND LOCAL FORESTS NOS. 12, 14-18, 21-29, 31-36, 38-40, 44-51, 53-69, 71-96, 101-113, 119, 143, 149-238, 245-249, 252, 261, 262, 264, 265, 291, 292, 294-296, 299 AND 300.

The areas described in the Schedule are hereby declared to be National and Local Forests, and the following acts are hereby prohibited within the said areas except under licence:

- (a) felling, cutting, taking, working, burning, injuring or removal of any forest produce;
- (b) squatting, residing, building any hut or livestock enclosure, constructing or re-opening any saw-pit or road;
- (c) firing any grass or undergrowth, or lighting or assisting in lighting any fire, or allowing any fire lighted by the offender or his employees to enter any such area;
- (d) grazing livestock or allowing livestock to trespass;
- (e) clearing, cultivating or breaking up land for cultivation or any other purposes;
- (f) entering or being in or upon-
 - (i) any such area while in possession of any implement for cutting, taking, working or removal of forest produce unless he has a *bona fide* traveller upon a road or path in the said area; or
 - (ii) any such area or portion thereof, in any manner or for any purpose contrary to any statutory order made by the Chief Forest Officer.

SCHEDULE

NATIONAL FOREST AREA NO. P12: KATETE

Starting at a point on the right bank of the Katete River approximately 609.6 metres south of its confluence with the Chansato Stream, the boundary runs in a straight line westwards on a true bearing of 269 degrees approximately for a distance of 2,837.688 metres approximately; thence northwards in a straight line on a true bearing of 359 degrees approximately for a distance of 2,342.388 metres approximately; thence in a straight line eastwards on a true bearing of 89 degrees approximately for a distance of 2,542.032 metres approximately to a point on the right bank of the Chansato Stream; thence down this bank of the Chansato Stream to its confluence with the Katete River; thence down the right bank of the Katete River to the point of starting.

The above described area, in extent approximately 566.58 hectares, is shown bordered green on Plan No. FR38 deposited in the office of the Surveyor-General and dated 10th December, 1949.

NATIONAL FOREST AREA NO. P14: KABOMPO

*Government
Notice
154 of 1952
Statutory
Instrument
158 of 1975*

Starting at the confluence of the Kabompo and Dongwe rivers, the boundary follows the Kabompo River upstream in a north-easterly direction for a distance of approximately 47.3046 kilometres; thence along a cut line on a true bearing of approximately 70 degrees for a distance of 12.7111 kilometres; thence along a cut line on a true bearing of approximately 8 degrees for a distance of approximately 14.481 kilometres; thence along a cut line on a true bearing of approximately 86 degrees for a distance of approximately 5.23 kilometres; thence along a cut line on a true bearing of approximately 135 degrees for a distance of approximately 12.872 kilometres to the Chifuwe road bridge; thence south-westwards down the Chifuwe River for a distance of approximately 11.263 kilometres; thence along a cut line on a true bearing of approximately 116 degrees for a distance of approximately 3.218 kilometres; thence along a cut line on a true bearing of approximately 26 degrees for a distance of approximately 14.481 kilometres to a point on the Kabompo-Solwezi road approximately 4.827 kilometres east of the aforesaid Chifuwe road bridge; thence along the Kabompo-Solwezi road in a north-easterly direction for a distance of approximately 11.263 kilometres; thence along a cut line on

a true bearing of approximately 141 degrees for a distance of approximately 2.5744 kilometres to the Kamwezi River; thence south-westwards down the Kamwezi River to its confluence with the Dongwe River; thence westwards down the Dongwe River to its confluence with the Kabompo River, the point of starting.

The above described area, in extent 113,842 hectares approximately, is shown bordered green on Plan No. FR60 deposited in the office of the Surveyor-General and dated 10th May, 1952.

NATIONAL FOREST NO. P15: SAMFYA

*Government

Starting at Boundary Pillar No. 1 on the Zaire-Zambia International Boundary the boundary proceeds northwards along that international Boundary to the point where it is crossed by the Luombwa River; thence down the right bank of the Luombwa River to its confluence with the Munwa Stream; thence in a straight line in a north-easterly direction to the source of the Finkolonto Stream; thence down the right bank of that stream to its confluence with the Chisangwa River; thence in a straight line in a north-easterly direction to the confluence of the Milombwe and Kansenga Streams; thence up the left bank of the Kansenga Stream to its source; thence in a straight line in an easterly direction to the confluence of the Munte and Lumpampa Streams; thence down the right bank of the Munte Stream to its confluence with the Kapanda Stream; thence in a straight line in an easterly direction towards the northernmost foot of the Ika Hill to the boundary of Serenje township; thence along the western, southern and eastern boundary of Serenje Township to a point thereon where the latter is intersected by a straight line joining the confluence of the Ibolelo and Kambowe Streams to the confluence of the Milenji and Chinkulu Streams; thence up the left bank of the Chinkulu Stream to its source; thence in a straight line in a south-easterly direction to a beacon on the western edge of Road T2; thence in a south-westerly direction to beacon L441; thence in a south-easterly direction to the northern boundary of Farm 1099; thence in a south-easterly direction along the farm boundary to Beacon L443 and continuing in the same direction to the Mumbi Stream; thence in a straight line in a south-westerly direction to the confluence of the Fitete and Mukukuwa-Mainsa Streams; thence

up the left bank of the Fitete Stream to its confluence with the Fisapa Stream; thence up the left bank of the Fisapa Stream for a distance of approximately 640 metres to a beacon at a point where the boundary leaves the Fisapa Stream; thence in a straight line in a south-westerly direction to the source of the Mbazwa Stream; thence down the right bank of the Mbazwa Stream to its confluence with the Lushili Stream; thence in a straight line in a south-westerly direction to a beacon on the eastern end of Nawalala Hill; thence in a straight line in a north-westerly direction across Nawalala Hill to the confluence at the Kasupa and Misaka Streams; thence up the left bank of the Kasupa Stream to its source; thence in a straight line in a northerly direction to a beacon on the northern edge of the Road T2; thence in a general south-westerly direction along the northern edge of that road to its intersection with the Serenje-Mkushi District boundary; thence in a northerly direction along that district boundary to Boundary Pillar No. 1, the point of starting.

Included within the above boundaries but excluded from the National Forest are the following areas-

- (a) Parts of the road T2 Strip Reserve (60 metres wide).
- (b) Parts of the TAZARA Railway Strip Reserve (60 metres wide).
- (c) Serenje Railway Station (4 square kilometres).
- (d) Chisengewa Railway Station including Chimpati trading centre (3 square kilometres).
- (e) Part of Ndabala landing strip.
- (f) The serenje turn-off trading centre (4.5 hectares).
- (g) The oil pipeline reserve (18 metres wide).

All distances are approximate and all bearings are from true north.

The above described area, in extent 29,680 hectares approximately, is shown bordered green on Plan No. FR67/4, deposited in the office of the Surveyor-General, signed by him and dated 4th December, 1980.

Starting at Beacon BH165, the south-western corner beacon of Farm No. 2117, the boundary proceeds south-eastwards along the southern boundary of this farm and Farm No. 2118, through Beacon BH158 to Beacon BH157, the south-eastern corner beacon of this latter farm; thence south-eastwards in a straight line to Beacon L159, the north-western corner beacon of Farm No. 964; thence along the northern boundary of this farm to Beacon 53R on the western edge of the Zambia Railways 9,144 metres Strip Reserve; thence eastwards across this strip reserve to Beacon 53L, the south-western corner beacon of Farm No. 963; thence along the southern boundary of this farm to Beacon L242, its south-eastern corner beacon on the western boundary of Farm No. 1833; thence southwards, eastwards and northwards along the western, southern and eastern boundaries of this farm through Beacons CG80 and CG79 to Beacon CG78, the south-western corner beacon of Farm No. 1834; thence eastwards along the southern boundary of this farm to the point where it crosses the Muyama River; thence southwards down the right bank of this river to a point approximately 3.218 kilometres north of its confluence with the Mwomboshi River; thence north-westwards in a straight line to Beacon T228, the north-eastern corner beacon of Farm No. 1027; thence westwards along the northern boundary of this farm to Beacon T28R on the eastern edge of the Zambian Railways 91.44 metres Strip Reserve; thence westwards across this strip reserve to Beacon T28L, the south-eastern corner beacon of Farm No. 1070; thence westwards along the southern boundary of this farm and Farm No. 1347 through Beacons T274 and T225 to Beacon T422, the south-western corner beacon of this latter farm; thence westwards in a straight line to the confluence of the Munangombe and Kalupani streams; thence westwards in a straight line on a true bearing of approximately 265 degrees to the left bank of the Chamkumba Stream; thence up the left bank of this stream to its confluence with the Malombe Stream; thence up the left bank of this stream for a distance of

approximately 5.63 kilometres (measured along the bank); thence north-westwards in a straight line to Beacon BH165, the point of starting.

Included within the above described boundaries but excluded from the National Forest are:

- (a) The Zambia Railways 91.44 metres Strip Reserve.
- (b) Farms Nos. 964, 966, 968 and 969.
- (c) Farm No. 1274, Chikonkomene Siding Reserve Left.
- (d) Farm No. 1275, Chikonkomene Siding Reserve Right.
- (e) Farm No. 1276, Cottage No. 187 Reserve.
- (f) Subdivision A of Farm No. 964, Kalwelwe Siding Reserve Left, Part A.
- (g) Farm No. 2562, Kalwelwe Siding Reserve Right, Part A.
- (h) State Land bounded as follows:

Starting at Beacon L230, the south-western corner beacon of Farm No. 964, the boundary proceeds eastwards along the southern boundary of this farm to Beacon 63R on the western edge of the Zambia Railways 91.44 metres Strip Reserve; thence southwards along this edge to Beacon T8R, the north-eastern corner beacon of Farm No. 966, thence westwards along the northern boundary of this farm to Beacon L245, its north-western corner beacon; thence north-eastwards to Beacon L230, the point of starting.

- (i) State Land bounded as follows:

Starting at Beacon L228, the south-western corner beacon of Farm No. 966, the boundary proceeds eastwards along the southern boundary of this farm to Beacon T14R on the western edge of the Zambia Railways 91.44 metres Strip Reserve; thence southwards along this edge to Beacon T20R, the north-eastern corner beacon of Farm No. 968, thence south-westwards along the northern boundary of this farm to Beacon L227, its north-western corner beacon; thence north-westwards to Beacon L228, the point of starting.

The National Forest is approximately 18,094.14 hectares in extent and is shown upon Plan No. FR84/2 deposited in the office of the Surveyor-General, signed by him and dated 6th April, 1961.

Starting at a point where the Kaluangwa Stream crosses the western boundary of the main Mbala-Kasama road, the boundary follows the Kaluangwa upstream in a westerly direction for approximately 1,524.31 metres to a point where an unnamed tributary joins the Kaluangwa; thence up this tributary in a southerly direction for approximately 1,371.6 metres to the source of this tributary near Beacon A; thence along a cut line on a true bearing of 296G degrees for 3,627.42 metres to Beacon B; thence along a cut line on a true bearing of 220G degrees for 274.32 metres to Beacon C; thence along a cut line on a true bearing of 251G degrees for 427.03 metres to Beacon D; thence along a cut line on a true bearing of 333G degrees for 213.97 metres to Beacon E; thence along a cut line on a true bearing of 354G degrees for 274.32 metres to Beacon F; thence along a cut line on a true bearing of 53G degrees for 147.22 metres to Beacon G; thence along a cut line on a true bearing of 347G degrees for 107.9 metres to Beacon H; thence along a cut line on a true bearing of 296G degrees for 2,621.58 metres to Beacon I; thence along a cut line on a true bearing of 323 degrees for 1,219.2 metres to Beacon J near the source of the Mfundwe Stream; thence along a cut line on a true bearing of 330 degrees for 402.336 metres to Beacon K; thence along a cut line on a true bearing of 36G degrees for 2,241.2 metres to Beacon L; thence along a cut line on a true bearing of 309G degrees for 548.64 metres to Beacon M; thence along a cut line on a true bearing of 19 degrees for 696.77 metres to Beacon N; thence along a cut line on a true bearing of 57G degrees for 822.96 metres to Beacon O; thence along a cut line on a true bearing of 44G degrees for 162.76 metres to Beacon P; thence along a cut line on a true bearing of 350G degrees for 522.1 metres to Beacon Q; thence along a cut line on a true bearing of 18G degrees for 457.2 metres to Beacon R on the west side of the dambo near the source of the Mombo Stream; thence along a cut line on a true bearing of 46 degrees for 1,828.8 metres to Beacon S; thence along a cut line on a true bearing of 351G degrees for 3,047.69 metres to Beacon T on the old Kambole Road; thence along the old Kambole Road in a north-easterly direction for 11,155.68 metres to Beacon U; thence along

a cut line on a true bearing of 114G degrees for 4,974.34 metres to the source of the Masamba Stream near Beacon V; thence down the masamba Stream in a southerly direction for approximately 3,322.93 metres to the point where the Masamba Stream crosses the main Mbala-Kasama road; thence along the western boundary of the main Mbala-Kasama road in a southerly direction for approximately 12,801.16 metres to the point of starting.

The above described area, in extent approximately 19,304.19 hectares, is shown bordered green upon Plan No. FR214, deposited in the office of the Surveyor-General, signed by him and dated 30th May, 1963.

LOCAL FOREST NO. P151: KAMKOMOLE

*Statutory
Instruments
263 of 1966
66 of 1975*

Starting from Boundary Beacon CCCXXXV on the Zambia and Malawi International Boundary, the boundary follows the aforesaid international boundary in a general southerly direction to B.P. CCCXVIII; thence it follows a straight line on a true bearing of 320 degrees for a distance of 2.896 kilometres to Forest Beacon A on the Kawiluwilu Stream; thence down the Kawiluwilu Stream to its confluence with the Kanyawali Stream; thence due north for a distance of 3.8616 kilometres to Forest Beacon B; thence on a true bearing of 66 degrees for 2.012 kilometres to Boundary Beacon CCCXXXV on the Zambia and Malawi International Boundary, which is the point of starting.

Bearings and distances are approximate.

The above described area, in extent approximately 1,375.98 hectares, is shown bordered green upon Plan No. FR218, deposited in the office of the Surveyor-General, signed by him and dated 26th February, 1964.

LOCAL FOREST NO. P152: NKUNDWE EAST

*Statutory
Instruments
263 of 1966
66 of 1975*

Starting at Beacon B on the cut boundary line between Chiefs Mafuta and Mshawa 0.4023 kilometres from the Mbozi River, the boundary follows this cut boundary line in a north-easterly direction for 0.6436

kilometres to Beacon C; thence in a straight line on a true bearing of 151G degrees for 0.6436 kilometres to Beacon H; thence on a straight line on a true bearing of 131G degrees for 0.6436 kilometres to Beacon I; thence in a straight line on a true bearing of 161G degrees for 0.3218 kilometres to Beacon J; thence in a straight line on a true bearing of 122G degrees for 0.4827 kilometres to Beacon K; thence in a straight line on a true bearing of 113G degrees for 0.4827 kilometres to Beacon L; thence in a straight line on a true bearing of 122G degrees for 0.081 kilometres to Beacon M; thence in a straight line on a true bearing of 127G degrees for 0.8851 kilometres to Beacon N; thence in a straight line on a true bearing of 210G degrees for 0.161 kilometres to Beacon O on a footpath linking Matolo and Nambato Villages; thence along this footpath for 0.4023 kilometres to Beacon P; thence in a straight line on a true bearing of 316G degrees for 0.6436 kilometres to Beacon Q; thence in a straight line on a true bearing of 271G degrees for 0.3218 kilometres to Beacon R; thence in a straight line on a true bearing of 316G degrees for 1.1746 kilometres to Beacon S; thence in a straight line on a true bearing of 16G degrees for 0.161 kilometres to Beacon T; thence in a straight line on a true bearing of 271G degrees for 0.225 kilometres to Beacon U; thence in a straight line on a true bearing of 306G degrees for 0.386 kilometres to Beacon A; thence in a straight line on a true bearing of 274G degrees for 0.161 kilometres to Beacon B, which is the point of starting.

Bearings and distances are approximate.

The above described area, in extent 121.41 hectares approximately, is shown bordered green upon Plan No. FR219, deposited in the office of the Surveyor-General, signed by him and dated 14th February, 1964.

LOCAL FOREST NO. P153: CHINSINSI WEST

*Statutory
Instrument
263 of 1966*

Starting from a point on the right bank of the Msandile River where the cut boundary between Chiefs Mshawa and Mafuta meets this river, the boundary follows down the right bank of the Msandile River in a westerly and then north-westerly direction for 2.59 kilometres to a point where it is intersected by a footpath connecting Manando and Nthambazina villages; thence in a north-easterly direction for a distance of 0.24 kilometres along this footpath to Forest Beacon H; thence on a true bearing of 96G degrees in a straight line for 1.21 kilometres to Forest Beacon I; thence in a straight line on a true bearing of 63G degrees for 0.644 kilometres to Forest Beacon A; thence in a straight

line on a true bearing of 97G degrees for 1.69 kilometres to Forest Beacon B, on the cut boundary between Chiefs Mshawa and Mafuta; thence along this boundary in a south-westerly direction to the right bank of the Msandile River, which is the point of starting.

Bearings and distances are approximate.

The above described area, in extent 311.62 hectares approximately, is shown bordered green upon Plan No. FR220, deposited in the office of the Surveyor-General, signed by him and dated 26th February, 1964.

LOCAL FOREST NO. P154: NGOZA

*Statutory
Instruments
263 of 1966
66 of 1975*

Starting from the confluence of the Kanyebele and Ngoza streams, the boundary follows a straight line on a true bearing of 186G degrees for 0.885 kilometres to Forest Beacon A; thence in a straight line on a true bearing of 201G degrees for 1.45 kilometres to Forest Beacon B; thence in a straight line on a true bearing of 262G degrees for 2.0917 kilometres to Forest Beacon C near one of the sources of the Maumba Stream; thence down the right bank of the Maumba Stream to its intersection with the old Chinunda road which is part of the western boundary of the Msandili Reserve No. I; thence northwards along the Reserve Boundary to its intersection with the Ngoza Stream; thence up the left bank of the Ngoza Stream to its confluence with the Kanyebele Stream, which is the point of starting.

Bearings and distances are approximate.

The above described area, in extent 1011.75 hectares approximately, is shown bordered green upon Plan No. FR221, deposited in the office of the Surveyor-General, signed by him and dated 26th February, 1964.

LOCAL FOREST NO. P155: DIWA

*Statutory
Instruments
263 of 1966
66 of 1975*

Starting from Beacon A which lies at the western end of the Diwa Hills north-east off and 0.5632 kilometres from the intersection of the

Chiparamba Kalichero road and a footpath connecting Chinthona and Mnkhambwa villages, the boundary follows a straight line on a true bearing of 62 degrees for approximately 1.77 kilometres to Beacon B; thence in a straight line on a true bearing of 116 degrees for 1.609 kilometres to Beacon C; thence in a straight line on a true bearing of 78 degrees for 0.724 kilometres to Beacon D on a small footpath; thence in a southerly direction along this footpath for 0.29 kilometres to Beacon E; thence in a straight line on a true bearing of 233 degrees for 2.82 kilometres to Beacon F; thence in a straight line on a true bearing of 319 degrees for 1.13 kilometres to Beacon G; thence in a straight line on a true bearing of 285 degrees for 0.483 kilometres to Beacon H; thence in a straight line on a true bearing of 354 degrees for 0.241 kilometres to Beacon I; thence in a straight line on a true bearing of 317 degrees for 0.29 kilometres to Beacon A, which is the point of starting.

Bearings and distances are approximate.

The above described area, in extent 428.98 hectares approximately, is shown bordered green upon Plan No. FR222, deposited in the office of the Surveyor-General, signed by him and dated 26th February, 1964.

LOCAL FOREST NO. P156: CHISAMBALA

*Statutory
Instruments
263 of 1966
66 of 1975*

Starting from Beacon A, a point on the Chewa-Ngoni Boundary cut line lying west of and 1.368 kilometres from the intersection of the Chiparamba-Chief Mishoro road and a footpath connecting Chikomeme's Village and Mteyo Kapatomoyo's Village, the boundary follows the Chewa/Ngoni Boundary in a north-westerly direction to Beacon B at the intersection with the footpath connecting Mteyo Kapatamoyo and Lupiya villages; thence along this footpath in a north-easterly direction for 0.322 kilometres to Beacon C; thence in a straight line on a true bearing of 62 degrees for 1.53 kilometres to Beacon D; thence in a straight line on a true bearing of 96 degrees for 0.322 kilometres to Beacon E; thence in a straight line on a true bearing of 127 degrees for 0.483 kilometres to Beacon F; thence in a straight line on a true bearing of 96 degrees for 0.45 kilometres to Beacon G; thence in a straight line on a true bearing of 129 degrees for 1.45 kilometres to Beacon H; thence in a straight line on a true bearing of 87 degrees for 0.724 kilometres to Beacon I; thence in a straight line on a true bearing of 109 degrees for 0.885 kilometres to Beacon J which lies on the footpath connecting Mphindila and Chingowiro villages; thence along

this footpath in a southerly direction for 0.29 kilometres to Beacon K; thence in a straight line on a true bearing of 260 degrees for 1.046 kilometres to Beacon L; thence in a straight line on a true bearing of 222 degrees for 0.965 kilometres to Beacon A, which is the point of starting.

Bearings and distances are approximate.

The above described area, in extent 526.11 hectares approximately, is shown bordered green upon Plan No. FR223, deposited in the office of the Surveyor-General, signed by him and dated 26th February, 1964.

LOCAL FOREST NO. P157: CHIULUKIRE WEST

*Statutory
Instruments
263 of 1966
66 of 1975*

Starting at the north-east corner of Local Forest No. 158: Chiulukire East on the Zumwanda Reserve No. IV Boundary, the boundary follows that of the Zumwanda Reserve No. IV in a southerly and then north-westerly direction to its intersection with the Kamulaza Stream; thence down the Kamulaza Stream to its source; thence in a straight line on a true bearing of 119G degrees for 1,447.8 metres to Beacon A; thence in a straight line on a true bearing of 186G degrees for 240.18 metres to a source of the Chavuza Stream; thence in a westerly direction down the Chavuza Stream to its confluence with the Mukangasi Stream; thence down the Mukangasi Stream in a general north-easterly direction for approximately 2.74 kilometres to its confluence with an unnamed tributary; thence up this tributary for approximately 1.287 kilometres to Beacon B; thence in a straight line on a true bearing of 269G degrees for 3,057.75 metres to the source of an unnamed tributary of the Mponda Stream; thence in a generally westerly direction to its confluence with the Mponda Stream; thence in a general north-westerly direction down the Mponda Stream for approximately 4.34 kilometres to a point where an unnamed tributary flows in from the north-east; thence in a north-easterly direction up this tributary to its northernmost source; thence in a straight line on a true bearing of 56G degrees for 327.96 metres to a confluence of an unnamed tributary of the Zinaka Stream and another unnamed tributary; thence in a north-easterly and then south-easterly direction up this other unnamed tributary to its source; thence in a straight line on a true bearing of 21G degrees for 334.67 metres to the easternmost source of another tributary of the Zinaka Stream; thence down this tributary to its confluence with the Zinaka Stream; thence in an easterly direction up the Zinaka Stream for approximately 0.032 kilometres to its confluence with an unnamed

tributary flowing in from the north; thence up this unnamed tributary in a general northerly direction to its northernmost source; thence in a straight line on a true bearing of 7G degrees for 167.6 metres to the source of an unnamed stream; thence generally in a northerly and then westerly direction down this stream for approximately 2.72 kilometres to its confluence with an unnamed tributary; thence in a straight line on a true bearing of 295G degrees for a distance of approximately 0.644 kilometres to the source of an unnamed stream; thence in a generally north-westerly direction for approximately 3.86 kilometres to its confluence with an unnamed stream; thence in a generally easterly direction up this stream for approximately 2.25 kilometres to its confluence with an unnamed tributary flowing in from the north-east; thence up this tributary in a generally north-easterly direction for approximately 2.41 kilometres to its confluence with a smaller unnamed tributary flowing in from the east; thence up this tributary for a distance of approximately 0.4 kilometres in an easterly direction to its source; thence in a straight line on a true bearing of 26G degrees for a distance of 329.18 metres to Beacon C near the source of an unnamed stream; thence down this stream to the westerly boundary of Local Forest No. 158: Chiulukire East and southwards along the boundary to the point of starting.

Bearings and distances are approximate.

The above described area, in extent 6,637.1 hectares approximately, is shown bordered green upon Plan No. FR224, deposited in the office of the Surveyor-General, signed by him and dated 14th February, 1964.

LOCAL FOREST NO. P158: CHIULUKIRE EAST

*Statutory
Instruments
263 of 1966
66 of 1975*

Starting at the point where the Zumwanda Reserve No. IV Boundary crosses District Road D.598 approximately 12.01 kilometres north-west of Tambala Village, the boundary follows the Reserve boundary northwards for 1.931 kilometres where it intersects a small unnamed stream; thence down this small unnamed stream to its confluence with another unnamed stream; thence down this unnamed stream to its confluence with the Mtetezi River; thence up the Mtetezi River for approximately 4.023 kilometres to its confluence with an unnamed tributary; thence up this tributary for approximately 1.45 kilometres to a fork; thence up the most easterly of these forks in a general south-south-easterly direction for approximately 11.65 kilometres to

Beacon D; thence in a straight line on a true bearing of 216G degrees for 312.73 metres to the source of an unnamed small stream; thence down this stream in a general west-south-westerly direction to its confluence with the Kamulaza Stream; thence up the Kamulaza Stream to its intersection with the Zumwanda Reserve No. IV Boundary; thence along the aforesaid boundary in a south-easterly thence northerly direction to the point where it crosses District Road D.598 approximately 12.07 kilometres north-west of Thambala Village, which is the point of starting.

Bearings and distances are approximate.

The above described area, in extent 5,402.75 hectares approximately, is shown bordered green upon Plan No. FR225, deposited in the office of the Surveyor-General, signed by him and dated 14th February, 1964.

LOCAL FOREST NO. P159: CHINDINDENDI

*Statutory
Instruments
263 of 1966
66 of 1975*

Starting from the confluence of the Chindindendi and Lupande rivers, the boundary follows up the left bank of the Lupande for approximately 9.655 kilometres to its confluence with an unnamed tributary flowing in from the west; thence up this unnamed tributary for approximately 2.092 kilometres generally in a westerly direction to its head on the old road connecting Gamphani and Chipwafu villages; thence in a northerly direction for approximately 10.46 kilometres along this road to the point where it crosses the Lupande River; thence in a generally southerly direction up the left bank of the Lupande River to its confluence with the Chindindendi, the point of starting.

The above described area, in extent 1,578.33 hectares approximately, is shown bordered green upon Plan No. FR226, deposited in the office of the Surveyor-General, signed by him and dated 20th February, 1964.

LOCAL FOREST NO. P160: MOLODZERA

*Statutory
Instruments
263 of 1966
66 of 1975*

Starting from a point on the Nkumbalesa Stream where it intersects the road connecting Molodzera and Chimasalu villages, the boundary

follows down the right bank of the Nkumbalesa Stream in a general easterly direction for 6.76 kilometres to Beacon A; thence in a straight line on a true bearing of 93G degrees for 1.29 kilometres to the Lupande River; thence in a general southerly direction up the Lupande River for 4.83 kilometres to its junction with an unnamed tributary; thence up the left bank of this tributary in a general westerly direction to Beacon B at its source; thence in a straight line on a true bearing of 76G degrees for 45.72 metres to Beacon C on the road connecting Molodzera and Chimasalu villages; thence along the eastern edge of this road in a northerly direction for 4.3443 kilometres to its intersection with the Nkumbalesa Stream, which is the point of starting.

Bearings and distances are approximate.

The above described area, in extent 959.14 hectares approximately, is shown bordered green upon Plan No. FR227, deposited in the office of the Surveyor-General, signed by him and dated 26th February, 1964.

PROTECTED FOREST AREA NO. 161: AZERE *(Revoked by No. 286 of 1968)*

LOCAL FOREST NO. P162: KONDONGWE

Starting from Beacon A, a point on the footpath connecting Utepu and Natani villages 0.563 kilometres south-west of Utepu Village, the boundary follows this footpath southwestwards for 1.561 kilometres to Beacon B; thence in a straight line on a true bearing of 357 degrees for 3.588 kilometres to Beacon C on Kauzungwe Stream; thence down the Kauzungwe Stream to its confluence with the Kasangadzi Stream; thence down the Kasangadzi Stream for a distance of 3.99 kilometres to its confluence with an unnamed tributary; thence up this unnamed tributary for a distance of 3.22 kilometres to Beacon D at its source; thence in a straight line on a true bearing of 145 degrees for 0.1609 kilometres to Beacon E at the source of an unnamed stream; thence down this stream for 0.21 kilometres to its confluence with another unnamed stream; thence in a straight line on a true bearing of 186 degrees for 1.93 kilometres to Beacon F; thence in a straight line on a true bearing of 218 degrees for 1.95 kilometres to Beacon G; thence in a straight line on a true bearing of 153 degrees for 0.724 kilometres to Beacon A, the point of starting.

*Statutory
Instruments

LOCAL FOREST NO. 163: LUNGA HILLS

*Statutory
Instruments
263 of 1966
66 of 1975*

Starting at Beacon BP.22 on the international boundary between Zambia and Portuguese East Africa, the boundary follows the international boundary in a south-westerly direction to the Kapoche River; thence in a generally northerly direction up the Kapoche River to its confluence with the Katete River; thence in a straight line on a true bearing of 31G degrees for a distance of 0.483 kilometres to Beacon 1; thence in a straight line on a true bearing of 351 degrees for a distance of 0.39 kilometres to Beacon 2; thence in a straight line on a true bearing of 6 degrees for a distance of 0.483 kilometres to Beacon 3; thence in a straight line on a true bearing of 37 degrees for 0.402 kilometres to Beacon 4; thence in a straight line for 0.676 kilometres on a true bearing of 79 degrees to Beacon 5; thence in a straight line for 1.38 kilometres on a true bearing of 9G degrees to Beacon 6; thence on a true bearing of 318 degrees in a straight line for 0.354 kilometres to Beacon 7; thence on a true bearing of 49 degrees in a straight line for 0.161 kilometres to Beacon 8; thence on a true bearing of 20G degrees in a straight line for 0.21 kilometres to Beacon 9; thence on a true bearing of 355G degrees in a straight line for 0.145 kilometres to Beacon 10; thence on a true bearing of 71G degrees in a straight line for 0.113 kilometres to Beacon 11; thence on a true bearing of 1G degrees in a straight line for 0.515 kilometres to Beacon 12; thence on a true bearing of 69G degrees in a straight line for 0.34 kilometres to Beacon 13; thence on a true bearing of 25G degrees in a straight line for 0.59 kilometres to Beacon 14; thence on a true bearing of 86G degrees in a straight line for 0.42 kilometres to Beacon 15; thence on a true bearing of 101G degrees in a straight line for 0.402 kilometres to Beacon 16; thence on a true bearing of 131G degrees in a straight line for 0.47 kilometres to Beacon 17; thence on a true bearing of 190G degrees in a straight line for 0.27 kilometres to Beacon 18; thence on a true bearing of 165G degrees in a straight line for 0.47 kilometres to Beacon 19; thence on a true bearing of 200G degrees in a straight line for 0.225 kilometres to Beacon 20; thence on a true bearing of 220 degrees in a straight line for 1.609 kilometres to Beacon 21; thence on a true bearing of 241 degrees in a straight line for 0.63 kilometres to Beacon 22; thence on a true bearing of 194G degrees in a straight line for 0.24 kilometres to Beacon 23; thence on a true bearing of 134G degrees in a straight line for 0.306 kilometres to Beacon 24; thence on a true bearing of 223G degrees in a

straight line for 0.47 kilometres to Beacon 25; thence on a true bearing of 209G degrees in a straight line for 0.47 kilometres to Beacon 26; thence on a true bearing of 203 degrees in a straight line for 0.52 kilometres to the source of an unnamed stream; thence in a south-westerly direction down this stream to the international boundary; thence in a south-westerly direction along the international boundary to BP.22, the point of starting.

Bearings and distances are approximate.

The above described area, in extent approximately 586.82 hectares, is shown bordered green upon Plan No. FR230, deposited in the office of the Surveyor-General, signed by him and dated 7th February, 1964.

LOCAL FOREST NO. P164: MZEWE SOUTH

*Statutory
Instruments
39 of 1964
158 of 1975*

Starting from Mbozi Hill, the boundary follows a true bearing of 240G degrees in a straight line for approximately 2.25 kilometres to Beacon 1; thence in a straight line on a true bearing of 301G degrees for approximately 0.402 kilometres to Beacon 2; thence in a straight line on a true bearing of 231G degrees for approximately 2.73 kilometres to Beacon 3 on an unnamed stream; thence down this stream in a southerly direction for approximately 0.804 kilometres to Beacon 4; thence in a straight line on a true bearing of 216G degrees for approximately 0.804 kilometres to Beacon 5; thence in a straight line on a true bearing of 196G degrees for approximately 0.402 kilometres to Beacon 6; thence in a straight line on a true bearing of 221G degrees for approximately 0.483 kilometres to Beacon 7; thence in a straight line on a true bearing of 201G degrees for approximately 1.287 kilometres to Beacon 8; thence in a straight line on a true bearing of 121G degrees for approximately 0.0805 kilometres to Beacon 9 on the Chamoto Stream; thence up this stream in a general south-westerly direction to its confluence with the Mthilakuwili Stream; thence up the Mthilakuwili Stream for approximately 4.023 kilometres to Beacon 10 near its source; thence in a straight line on a true bearing of 263G degrees for approximately 1.93 kilometres to Beacon 11 at the head of the Dzozwe Dambo; thence down the Dzozwe to its confluence with the Nyavuzi Stream; thence up the Nyavuzi Stream to its intersection with the Zambia-Mozambique boundary; thence along this boundary in a south-westerly direction to its intersection with the Mzewe River; thence up the left bank of the Mzewe River for approximately 7.4

kilometres to Beacon 12; thence in a straight line on a true bearing of 81G degrees for approximately 0.322 kilometres to Beacon 13; thence in a straight line on a true bearing of 21G degrees for approximately 1.21 kilometres to Beacon 14; thence in a straight line on a true bearing of 56G degrees for approximately 0.402 kilometres to Beacon 15; thence in a straight line on a true bearing of 357G degrees for approximately 1.45 kilometres to Beacon 16; thence in a straight line on a true bearing of 41G degrees for approximately 0.43 kilometres to Beacon 17; thence in a straight line due north for approximately 0.29 kilometres to Beacon 18; thence in a straight line on a true bearing of 6G degrees for approximately 0.483 kilometres to Beacon 19 on an unnamed tributary of the Mzewe River; thence down this tributary to its confluence with the Mzewe River; thence up the left bank of the Mzewe River to its intersection with the Chadiza-Pembamoyo Road; thence along this road in a generally westerly direction for approximately 3.86 kilometres to Beacon 20; thence in a straight line on a true bearing of 222G degrees for approximately 0.724 kilometres to Beacon 21; thence in a straight line on a true bearing of 337G degrees for approximately 1.93 kilometres to Beacon 22; thence in a straight line on a true bearing of 3G degrees for approximately 0.24 kilometres to Beacon 23; thence in a straight line on a true bearing of 321G degrees for approximately 0.322 kilometres to Beacon 24; thence in a straight line on a true bearing of 320 degrees for approximately 0.21 kilometres to Beacon 25; thence in a straight line on a true bearing of 339G degrees for approximately 0.29 kilometres to Beacon 26; thence in a straight line on a true bearing of 321G degrees for approximately 2.1 kilometres to Beacon 27 on the left bank of the Mwami River; thence up the left bank of this river to its intersection with the Chewa Reserve No. III Boundary; thence in a south-easterly direction along this boundary to Mbozi Hill, the point of starting.

The above distances were measured by cyclometer wheel and are approximate, as are the bearings.

The above described area, in extent approximately 21,044.4 hectares, is shown bordered green upon Plan No. FR231, deposited in the office of the Surveyor-General, signed by him and dated 7th February, 1964.

LOCAL FOREST NO. P165: KADAMNUZU

*Statutory
Instruments
263 of 1966
66 of 1975*

Starting at Beacon D.82 at the south-eastern corner of Farm No. D.142,

the boundary follows the eastern boundary of this farm in a northerly direction for approximately 1.29 kilometres to its intersection with an unnamed tributary of the Nsadzu River; thence in a straight line on a true bearing of 104 degrees for approximately 2.41 kilometres to Beacon A on a footpath connecting Salatiyele Village and Farm No. D.50; thence along this footpath in a south-easterly and then southerly direction for approximately 0.804 kilometres to Beacon B; thence in a straight line on a true bearing of 247 degrees for approximately 0.65 kilometres to Beacon C; thence in a straight line on a true bearing of 231 degrees for approximately 0.804 kilometres to Beacon D; thence on a true bearing of 258 degrees in a straight line for approximately 0.56 kilometres to Beacon E; thence in a straight line on a true bearing of 328 degrees for approximately 0.483 kilometres to Beacon F; thence in a straight line on a true bearing of 280 degrees for approximately 0.804 kilometres to Beacon G on the eastern boundary of Farm No. D.141; thence northwards along this boundary to Beacon D.82, the point of starting.

Bearings and distances quoted above are approximate.

The above described area, in extent approximately 380.42 hectares, is shown bordered green upon Plan No. FR232, deposited in the office of the Surveyor-General, signed by him and dated 7th February, 1964.

LOCAL FOREST NO. P166: CHIKANGA

*Statutory
Instruments
263 of 1966
66 of 1975*

Starting from the confluence of the Nyavitaya and Chipwete streams, the boundary follows down the right bank of the Chipwete Stream in a general easterly direction for 2.896 kilometres to Beacon A; thence in a straight line on a true bearing of 139G degrees for 1.931 kilometres to Beacon B on the top of a small rocky hill; thence on a true bearing of 101G degrees for 0.322 kilometres in a straight line to Beacon C on the left bank of the Kandewo Stream; thence in a general southerly and then west-south-westerly direction up the left bank of the Kandewo Stream to Beacon D at its source; thence in a straight line on a true bearing of 231G degrees for a distance of 0.563 kilometres to Beacon E at the source of the Chimbalu Stream; thence in a general southerly direction for a distance of 3.54 kilometres down the right bank of the Chimbalu Stream to Beacon F; thence in a straight line on a true bearing of 226G degrees for 0.65 kilometres to Beacon G; thence in a straight line on a true bearing of 166G degrees for 0.161 kilometres to the Beacon H on the footpath connecting Chadwala and Mbangombe villages; thence

along the aforesaid footpath towards Mbangombe Village for 3.862 kilometres to Beacon I; thence in a straight line on a true bearing of 26G degrees for 0.483 kilometres to Beacon J; thence in a straight line for 0.805 kilometres on a true bearing of 335G degrees to Beacon K; thence in a straight line on a true bearing of 316G degrees for 0.65 kilometres to Beacon L; thence in a straight line on a true bearing of 251G degrees for 0.0805 kilometres to Beacon M on the footpath connecting Chadwala and Mbangombe villages; thence along the aforesaid footpath in a general north-westerly direction for 1.094 kilometres to Beacon N; thence in a straight line on a true bearing of 41G degrees for 0.579 kilometres to Beacon O on the left bank of an unnamed stream; thence down the left bank of this unnamed stream to its confluence with the Chipwete Stream; thence up the left bank of the Chipwete Stream to Beacon P at the head of the dambo near its source; thence in a straight line on a true bearing of 51G degrees for 1.69 kilometres to Beacon Q on the right bank of the Chimwetemwete Stream; thence up the left bank of the Chimwetemwete Stream for 0.483 kilometres to Beacon R at the confluence of two heads of the aforesaid stream; thence in a straight line on a true bearing of 71G degrees for 0.724 kilometres to Beacon S at the foot of one of the Keluma Hills; thence in a straight line on a true bearing of 13G degrees for 1.609 kilometres to Beacon T; thence in a straight line on a true bearing of 321G degrees for 1.046 kilometres to Beacon U on an unnamed hill; thence in a straight line on a true bearing of 291G degrees for 0.483 kilometres to Beacon V at the source of the Kasambadzukulu Stream; thence down the right bank of this stream to its intersection with the road connecting Mbingwe Village with Tafelansoni; thence along this road in a northerly direction for 1.13 kilometres to Beacon W at its intersection with the Katuula Stream; thence in a straight line on a true bearing of 50G degrees for 0.483 kilometres to Beacon X on the left bank of the Mtiransembe Stream; thence up the left bank of the Mtiransembe Stream to Beacon Y near its source; thence in a straight line on a true bearing of 81G degrees for 0.418 kilometres to Beacon Z at the source of the Kanyanga Stream; thence down the right bank of the Kanyanga Stream to Beacon AA; thence in a straight line on a true bearing of 171G degrees for 2.333 kilometres to Beacon AB on the left bank of the Chipwete Stream; thence up the left bank of the Chipwete Stream for 1.609 kilometres to Beacon AC; thence in a straight line on a true bearing of 111G degrees for 2.494 kilometres to Beacon AD on the right bank of the Nyavitaya Stream; thence down the right bank of this stream to its confluence with the Chipwete Stream, the point of starting.

Bearings and distances are approximate.

The above described area, in extent 4,937.34 hectares, is shown

bordered green upon Plan No. FR233, deposited in the office of the Surveyor-General, signed by him and dated 14th February, 1964.

LOCAL FOREST NO. P167: MATANTA

*Statutory
Instruments
263 of 1966
66 of 1975*

Starting at the junction of the Chansais and Mkoshi streams, the boundary follows the Chansasi Stream upstream in a south-easterly direction for a distance of 2.333 kilometres to a Beacon A; thence in a straight line on a bearing of 174 degrees for 1.24 kilometres to Beacon B on the road connecting the Hygiene School with Chisali School; thence along this road in a westerly direction for a distance of 1.29 kilometres to Beacon C; thence in a straight line on a true bearing of 185 degrees for a distance of 0.65 kilometres to Beacon D; thence in a straight line on a true bearing of 252 degrees to Beacon E on the Chisali Stream; thence downstream for a distance of 1.29 kilometres in a general north-westerly direction to Beacon F; thence in a straight line on a true bearing of 36 degrees to Beacon G on the Kambila Stream; thence down the Kambila Stream in a north-westerly direction for 1.29 kilometres, to Beacon H; thence in a straight line on a true bearing of 351 degrees for 0.9656 kilometres to Beacon I, a point lying on a true bearing of 262 degrees from the confluence of the Mkoshi and Chansasi streams; thence in a straight line on a true bearing of 82 degrees to the confluence of the Mkoshi and Chansasi streams, the point of starting.

Bearings and distances are approximate.

The above described area, in extent 1,052.22 hectares approximately, is shown bordered green upon Plan No. FR234, deposited in the office of the Surveyor-General, signed by him and dated 7th February, 1964.

LOCAL FOREST NO. P168: CHIEF MUNKONGE

*Statutory
Instrument
193 of 1977*

Starting at Beacon A at the confluence of the Mukanga and Kabundi Rivers, the boundary proceeds up the Kabundi River for a distance of 700 metres to the confluence of the Chipashi River; thence up the Chipashi River to Beacon D at its source; thence on a bearing of 240 degrees for a distance of 960 metres to Beacon E on the eastern edge of an old road; thence generally north-westwards along the edge of this

road for a distance of 9,800 metres to Beacon F; thence on a bearing of 32 degrees for a distance of 2,600 metres to Beacon G on the southern bank of the Kapanda River; thence down the Kapanda River to its confluence with the Kabundi River; thence up the Kabundi River to Beacon B at its source; thence on a bearing of 68 degrees for a distance of 5,600 metres to Beacon C on the western bank of the Mukanga River; thence down the Mukanga River for a distance of 15,800 metres to its confluence with the Kabundi River at Beacon A, the point of starting.

All distances are approximate and all bearings are from the true north. Stream distances are measured in a straight line from the Plan.

The above described area, in extent 13,950 hectares approximately, is shown bordered green on Plan No. FR236/1, deposited in the office of the Surveyor-General, signed by him and dated 23rd February, 1977.

PROTECTED FOREST AREA NO. 169: KAFIRONDA *(Revoked by No. 395 of 1968)*

NATIONAL FOREST NO. P170: EAST LUNGA

Starting at the confluence of the Mushingashi Stream and the Lunga River, the boundary follows the right bank of the Mushingashi upstream to its confluence with the Chifukula Stream; thence up the right bank of the latter to its source; thence in a straight line due south to the Kasempa District Boundary (1/50,000 Sheet 1326B2, 862157); thence generally southwards along this boundary to the southernmost point of the Kayamba Hills (1/50,000 Sheet 1426B2, 977254); thence due west to the left bank of the Chipeta Stream; thence down the left bank of the Chipeta Stream to its confluence with the Kafue River; thence down the right bank of the Kafue River to its confluence with the Kaonga Stream; thence up the left bank of the Kaongo Stream to its source (1/50,000 Sheet 1426B4, 778221); thence in a straight line north westwards to a point (1/50,000 Sheet 1426B4, 763245) on the dambo of an unnamed tributary of the Mutapanda; thence westwards down this dambo and the left bank of this tributary to the Mutapanda; thence down the left bank of the Mutapanda to its confluence with the Kebala Stream; thence up the right bank of the latter to its confluence with the Lutoba Stream; thence up the right bank of the latter to its source (1/50,000 Sheet 1426B1, 592450); thence north-westwards to the source of the Nyabula Stream (1/50,000 Sheet 1426B1, 553482); thence down the left bank of the Nyabula Stream to its confluence with the Kaungashi Stream; thence down the left bank of the latter to its confluence with the Lunga River; thence up the left bank of the Lunga River to its confluence with the

Mushingashi Stream, the point of starting.

The above described area, in extent 478,051.875 hectares approximately, is shown bordered green upon Plan No. FR236, deposited in the office of the Surveyor-General, signed by him and dated 14th August, 1964.

LOCAL FOREST NO. P171: MPANGWE HILLS

*Statutory
Instruments
39 of 1964
66 of 1975*

Starting at Beacon J122 at the south-easterly corner of Farm No. D166, the boundary proceeds north-eastwards along the easterly boundary of that farm to Beacon K at the south-westerly corner of Farm No. D168; thence along the southerly boundaries of this farm and of Farm D169, through Beacon M to Beacon Q at the south-easterly corner of the latter; thence southwards to Beacon L at the north-easterly corner of Farm No. D134; thence generally south-westwards along the northerly boundaries of Farms Nos. D134, D75 and D156, through Beacons D121, TD117 and S to Beacon J122, the point of starting.

The above described area in extent 1,537.86 hectares approximately, is shown bordered green upon Plan No. FR237, deposited in the office of the Surveyor-General, signed by him and dated 17th March, 1964.

NATIONAL FOREST NO. P172: KANONA

*Statutory
Instruments
226 of 1965
140 of 1970
158 of 1975*

Starting at the junction of the Great North Road and the road to Chitambo Mission, the boundary follows the Great North Road in a southerly direction to its junction with the Old Serenje Boma road; thence eastwards along the south side of the Old Boma Road for a distance of approximately 4.83 kilometres to Beacon K1; thence in a straight line in a southerly direction to the junction of the Chikanda and Lisaka streams; thence in a straight line in a westerly direction to the junction of the Kaloba and Mswema streams; thence in a straight line in a north-westerly direction through the top of the southernmost peak of the Chantutile Hills to Beacon K2 on its western edge; thence in a straight line in a northerly direction to Beacon K3 on the Great North

Road; thence along the Great North Road in an easterly direction for a distance of approximately 3,017.52 metres to its junction with the road to Chief Muchinka; thence northwards along this road for a distance of approximately 3,017.52 metres to Beacon K4; thence in a straight line in a north-easterly direction along the northern edge of the Bukanda Hills to Beacon K5; thence in a straight line in a south-easterly direction along the northern edge of the Bukanda Hills to Beacon K6; thence in a straight line in an easterly direction to Beacon K7 situated approximately 304.8 metres west of the Katunga Stream; thence in a straight line in an easterly direction to Beacon K8; thence in a straight line in an easterly direction to the Mlembo River; thence in a straight line in a south-easterly direction to Beacon K9; thence in a straight line in a north-easterly direction to Beacon K10 approximately 243.84 metres west of the Kamuku Stream; thence in a straight line in an easterly direction to the junction of the Kashimushi and Mwifumba streams; thence in a straight line in a north-easterly direction to Beacon K11 on the western edge of the road to Chitambo Mission; thence along the western edge of this road to its junction with the Great North Road, the point of starting.

Included within the above boundaries but excluded from the National Forest are:

- (a) Great North Road 60.96 metres Strip Reserve;
- (b) Kanona Trading Area, 218.54 hectares;
- (c) Chansa Trading Area, 18.21 hectares approximately;
- (d) Farm No. 2077, State Land General Plan No. 37,61 held by the Surveyor-General, Area 101.38 hectares
- (e) Tan-Zam Pipeline Reserve, 24.28 hectares in width.

The above described area, in extent 28,450.41 hectares approximately, is shown bordered green upon Plan No. FR238/1 deposited in the office of the Surveyor-General, signed by him and dated 11th March, 1968.

LOCAL FOREST NO. P173: KALISA

*Statutory
Instruments
263 of 1966
140 of 1970
66 of 1975
63 of 1980*

Starting at Beacon 5A a point on the eastern edge of Road M13 and 1,600 metres south of its junction with Road D727, the boundary

proceeds in a straight line on a bearing of 290 degrees for a distance of 5,250 metres to Beacon 5; thence in a straight line on a bearing of 20 degrees for a distance of 17,400 metres to Beacon 4 on an unnamed tributary of the Kabunda River; thence in a straight line on a bearing of 103 degrees for a distance of 7,540 metres to a beacon on the Mupoposhi Stream; thence down the right bank of that stream for 19,000 metres to a beacon; thence in a straight line on a bearing of 207 degrees for a distance of 4,950 metres to Beacon 5B; thence in a straight line on a bearing of 305 degrees for a distance of 9,120 metres to Beacon 5A, the point of starting.

All distances are approximate and all bearings are from true north.

The above described area, in extent 22,170 hectares approximately, is shown bordered green on Plan No. FR239/2, deposited in the office of the Surveyor-General, signed by him and dated 31st December, 1979.

LOCAL FOREST NO. P174: MWEWA

*Statutory
Instruments
298 of 1966
66 of 1975*

Starting at the junction of the Lubwe Road with the road between Mansa and Mwewa Village, the boundary follows the southerly edge of the latter road reserve north-eastwards for 7.24 kilometres; thence on a bearing of 163 degrees for 3.22 kilometres; thence on a bearing of 242 degrees for 7.24 kilometres; thence on a bearing of 343 degrees for 3.862 kilometres; thence on a bearing of 40 degrees for 0.402 kilometres to the Mansa-Mwewa Road; thence southwards and eastwards along the southern edge of that road reserve to the point of starting.

Bearings and distances are approximate, the former being referred to Magnetic North.

The above described area, in extent 2,266.32 hectares approximately, is shown bordered green upon Plan No. FR240 deposited in the office of the Surveyor-General, signed by him and dated 27th October, 1964.

LOCAL FOREST NO. P175: SAMFU

*Statutory
Instruments
264 of 1966
66 of 1975*

Starting at the confluence of the Katete Stream and the Samfu River, the boundary follows the left bank of the former stream for a distance of 2,414.02 metres to its source; thence along a cut line on a bearing of 152 degrees for a distance of 2,651.8 metres to a point on a dambo edge; thence along a cut line on a bearing of 103 degrees for a distance of 2,103.12 metres to the source of an unnamed stream; thence down the left bank of the aforesaid stream for a distance of 1,609.34 metres to its confluence with the Kalulushi Stream; thence down the left bank of the aforesaid stream for a distance of 213.36 metres to its confluence with the Samfu River; thence down the left bank of this river for a distance of 9,052.56 metres to the confluence with the Katete Stream, the point of starting.

Bearings, which are referred to Grid North, and distances are approximate.

The above described area, in extent 1,590.47 hectares approximately, is shown bordered green upon Plan No. FR241, deposited in the office of the Surveyor-General, signed by him and dated 5th February, 1965.

LOCAL FOREST NO. P176: NGUBO

*Statutory
Instruments
181 of 1966
66 of 1975*

Starting at the point where the northern boundary of the Kafue National Park crosses the Ngubo Stream, the boundary follows the boundary of the Kafue National Park in a westerly direction for 19,263.36 metres to Beacon No. 1; thence in a straight line due north for a distance of 7,040.9 metres to Beacon No. 2; thence in a straight line due east for a distance of 6,705.6 metres to Beacon No. 3, on the left bank of the Woroko Stream; thence in a straight line due north for a distance of 4,876.8 metres to Beacon No. 4; thence in a straight line due east for a distance of 6,339.84 metres to Beacon No. 5, at the source of an unnamed right bank tributary of the Ngubo Stream; thence in a straight line on a bearing of 164 degrees for a distance of 2,682.3 metres to Beacon No. 6 at the source of another unnamed right bank tributary of the Ngubo Stream; thence eastwards along the right bank of this stream to its confluence with the Ngubo Stream; thence northwards along the left bank of the Ngubo Stream for 304.8 metres to its confluence with an unnamed left bank tributary; thence eastwards along the left bank of this tributary for 2,895.6 metres to Beacon No. 7 at the head of its dambo; thence in a straight line on a bearing of 138 degrees for a distance of 2,438.4 metres to Beacon No. 8, at the head of the Chitenga Dambo;

thence in a straight line on a bearing of 171 degrees for a distance of 8,229.6 metres to Beacon No. 9, on the northern boundary of the Kafue National Park; thence in a westerly direction along the northern boundary of the Kafue National Park, to the Ngubo Stream, the point of starting.

All bearings, which are oriented to True North, and distances are approximate.

The area described above, in extent 21,003.9 hectares approximately, is shown bordered green on Plan No. FR244 deposited on the office of the Surveyor-General, signed by him and dated 30th November, 1965.

LOCAL FOREST NO. P177: KAMONA

*Statutory
Instruments
181 of 1966
160 of 1975
74 of 1980*

Starting at the confluence of the Kamulala and Mitumba streams, the boundary follows the left bank of the Mitumba Stream westwards and south-westwards for a distance of 4,000 metres to its confluence with an unnamed right bank tributary; thence south-westwards along the left bank of this tributary for a distance of 1,600 metres to a beacon at its source; thence in a straight line on a bearing of 219 degrees for a distance of 3,170 metres to a beacon on an unnamed left bank tributary of the Lobofu Stream; thence in a straight line on a bearing of 283 degrees for a distance of 8,625 metres to a beacon at the northern end of the dambo at the head of the Nkenyauna Stream; thence in a straight line on a bearing of 262 degrees for a distance of 7,200 metres to a beacon; thence in a straight line on a bearing of 292 degrees for a distance of 5,000 metres to a beacon on the eastern edge of a track near the source of the Kamona Stream; thence in a northerly direction along the edge of the track for a distance of 1,900 metres to the confluence of the Kamishima Stream with an unnamed northern tributary; thence along the left bank of that tributary for a distance of 1,525 metres to a beacon at its source; thence in a straight line on a bearing of 29 degrees for a distance of 3,200 metres to a beacon at the head of a dambo; thence in a straight line on a bearing of 81 degrees for a distance of 4,875 metres to a beacon at the head of another unnamed dambo; thence in a straight line on a bearing of 60 degrees for a distance of 3,870 metres to a beacon at the head of the Shivuma dambo; thence in a straight line on a bearing of 65 degrees for a distance of 3,900 metres to a beacon at the head of the West Kashala dambo; thence in a straight line on a bearing of 91 degrees

for a distance of 3,690 metres to a beacon at the head of the East Kashala Stream; thence in a straight line on a bearing of 116 degrees for a distance of 2,380 metres to a beacon at the head of the Nyemba dambo; thence in a straight line on a bearing of 147 degrees for a distance of 3,260 metres to a beacon at the source of the Kamulala Stream; thence south-eastwards along the right bank of that stream for a distance of 7,470 metres to its confluence with the Mitumba Stream, the point of starting.

All distances are approximate and all bearings are in relation to true north.

The above described areas, in extent 22,127 hectares approximately, is shown bordered green on Plan No. FR243/2, deposited in the office of the Surveyor-General, signed by him and dated 28th December, 1979.

NATIONAL FOREST AREA NO. P178: NDENDA

*Statutory
Instruments
39 of 1973
158 of 1975*

Starting at the confluence of the Kanyunda Stream and Musondweji River the boundary proceeds up the Kanyunda Stream for a distance of 7.5 kilometres to its source; thence in a straight line on a bearing of 262 degrees for a distance of 7 kilometres to the source of an unnamed tributary of the Mufumbwe River; thence down this tributary for a distance of 8 kilometres to its confluence with the Mufumbwe River; thence up the Mufumbwe River for a distance of 41.5 kilometres to its confluence with the Kangani Stream; thence up the Kangani Stream for a distance of 10.3 kilometres to its source; thence in a straight line on a bearing of 67 degrees for a distance of 4 kilometres to the source of an unnamed tributary of the Musondweji North River; thence down this tributary for a distance of 4.4 kilometres to its confluence with the Musondweji North River; thence up the Musondweji North River for a distance of 21 kilometres to its confluence with an unnamed tributary; thence up this tributary for a distance of 5.3 kilometres to its source, thence in a straight line on a bearing of 126 degrees for a distance of 3.7 kilometres to the source of an unnamed tributary of the Musondweji South River; thence down this tributary for a distance of 8.8 kilometres to its confluence with the Musondweji South River for a distance of 29 kilometres to its confluence with an unnamed tributary; thence up this tributary for a distance of 6.4 kilometres to its source; thence in a straight line on a bearing of 135 degrees for a distance of 8.1 kilometres to the source of an unnamed tributary of the Dongwe River; thence

down this tributary for a distance of 1.4 kilometres to its confluence with the Dongwe River; thence down the Dongwe River for a distance of 14 kilometres to its confluence with the Kawanda Stream; thence in a straight line on a bearing of 269 degrees for a distance of 9.5 kilometres to the Luansamuna Stream; thence down the Luansamuna Stream for a distance of 19.6 kilometres to its confluence with the Dongwe River; thence down the Dongwe River for a distance of 29.5 kilometres to its confluence with the Maudashi Stream; thence up the Maudashi Stream for a distance of 8.8 kilometres to its source; thence in a straight line on a bearing of 318 degrees for a distance of 12.4 kilometres to the confluence of the Kanyunda Stream and Musondweji River, the point of starting.

Included in the above-described area but excluded from the National Forest is a triangular parcel of land in extent 14,568 hectares as shown on the Plan.

All bearings and distances are approximate.

The above described area, in extent 244,594 hectares approximately, is shown bordered green on Plan No. FR245/6, deposited in the office of the Surveyor-General, signed by him and dated 29th May, 1972.

LOCAL FOREST NO. P179: LUNDAZI DAM

*Statutory
Instruments
264 of 1966
66 of 1975*

Starting at a point where the Lundazi-Chipata main road crosses the Lundazi Dam, the boundary follows the left bank of the dam to the spillway; thence along the top of the dam wall to a large fig tree approximately 91.144 metres south-west of the end of the said wall; thence along a cut line in a generally southerly direction for a distance of 2,154.94 metres to a point on the left bank of the Msuzi Stream; thence across the stream along a cut line for approximately 1,496.7 metres to a point on the eastern edge of the Lundazi-Chipata main road; thence northwards along a cut line parallel to, and 30.48 metres from the centre of this road, to the point where it crosses the Lundazi Dam, the point of starting.

The Local Forest is shown bordered green on Plan No. FR246, deposited in the office of the Surveyor-General, signed by him and dated 5th January, 1966.

NATIONAL FOREST NO. P180: SIMWAMI-MUZUMA *Statutory
Instruments
264 of 1966
158 of 1975
42 of 1978*

Starting at the confluence of the Zhimu and Mabele Rivers the boundary proceeds in a north-easterly direction up the Zhimu River to its confluence with an unnamed tributary thence up this tributary in an easterly direction for a distance of 3,200 metres to its source; thence on a bearing of 112 degrees for a distance of 2,400 metres to an unnamed tributary of the Zhimu River. Thence up this unnamed tributary in an easterly direction for a distance of 3,600 metres to a point where it is crossed by the Chimwami Mine/Masuku Road; thence on a bearing of 29 degrees for a distance of 7,600 metres; thence on a bearing of 45 degrees for a distance of 5,200 metres to the Masuku/Mamba Road; thence along this road in a north and north-westerly direction for a distance of 4,400 metres to a point where the Mamba/Masuku Road intersects the Muchenje River; thence in an easterly direction down the Muchenje River for a distance of 1,200 metres; thence on a bearing of 1 degree for a distance of 1,400 metres to the confluence of an unnamed tributary of the Muchenje River with another stream; thence up this tributary for a distance of 1,600 metres; thence on a bearing of 36G degrees for a distance of 5,600 metres; thence on a bearing of 15G degrees for a distance of 3,200 metres to the confluence of the Teme River with an unnamed stream; thence on a bearing of 315 degrees for a distance of 4,000 metres to an isolated unnamed hill; thence on a bearing of 12G degrees for a distance of 4,400 metres to the Muzuma River; thence on a bearing of 52 degrees for a distance of 4,800 metres; thence on a bearing of 63 degrees for a distance of 4,000 metres to the confluence of the Siamambo River with an unnamed tributary; thence up the Siamambo River in a northerly and north-easterly direction for a distance of 3,200 metres; thence on a bearing of 57G degrees for a distance of 10,900 metres to a point on the Sinazongwe/Choma Road; thence on a bearing of 14G degrees for a distance of 4,400 metres; thence on a bearing of 340 degrees for a distance of 2,800 metres to a common boundary of State Land, Trust Land No. XI and Customary Land; thence eastwards along this boundary for a distance of 6,000 metres; thence leaving this boundary on a bearing of 203 degrees for a distance of 1,600 metres; thence on a bearing of 180 degrees for a distance of 1,600 metres; thence on a bearing of 120 degrees for a distance of 800 metres; thence on a bearing of 182 degrees for a distance of 800 metres; thence on a bearing of 221 degrees for a distance of 4,000 metres to the Sinazongwe/Choma Road; thence on a bearing of 210 degrees for a distance of 11,300 metres; thence on a bearing of 233

degrees for a distance of 800 metres to the source of an unnamed tributary of the Zongwe River; thence down this tributary in a south-westerly direction for a distance of 10,500 metres to its confluence with the Zongwe River; thence down the Zongwe River for a distance of 10,900 metres to its confluence with an unnamed river; thence up this river in a south-westerly direction to its source; thence on a bearing of 220 degrees for a distance of 1,600 metres to an unnamed tributary of the Zongwe River; thence down this tributary in a south-easterly direction for a distance of 2,000 metres to its confluence with an unnamed stream; thence up this stream in a south-westerly direction for a distance of 800 metres; thence on a bearing of 204 degrees for a distance of 2,400 metres to Mamba/Masuku Road; thence southwards along this road for a distance of 2,000 metres; thence on a bearing of 208 degrees for a distance of 3,600 metres; thence on a bearing of 233G degrees for a distance of 8,400 metres; thence on a bearing of 139G degrees for a distance of 1,600 metres; thence on a bearing of 202 degrees for a distance of 537 metres to an unnamed river; thence on a bearing of 207G degrees for a distance of 6,400 metres to the confluence of an unnamed stream with a tributary of the Maze River, some 2,000 metres north-west of Nsowa Store; thence up this stream in a south-westerly direction for a distance of 9,700 metres to its source; thence continuing in the same direction for a distance of 200 metres to the source of an unnamed stream; thence up this stream to its confluence with an unnamed tributary of the Zhimu River; thence down this tributary for a distance of 1,600 metres to its confluence with the Zhimu River; thence up the Zhimu River to its confluence with the Mabele River, the point of starting.

All bearings are from true north and all distances are approximate.

The above described area in extent 75,900 hectares approximately, is shown bordered green on Plan No. FR247/1, deposited in the office of the Surveyor-General, signed by him and dated 7th November, 1977.

LOCAL FOREST NO. P181: NDONDI

*Statutory
Instruments
298 of 1966
66 of 1975*

Starting at a point approximately 9.9 kilometres west of Kauba Hill on the common boundary of Customary Land No. XXI and No. XI, the boundary proceeds northwards on a bearing of 357 degrees for a distance of 1.85 kilometres; thence on a bearing of 288 degrees for a distance of 0.8 kilometres; thence on a bearing of 360 degrees for a

distance of 2.4 kilometres; thence on a bearing of 348 degrees for a distance of 1.609 kilometres to an unnamed tributary of the Njongola River; thence up this tributary in a northerly direction for a distance of 2.4 kilometres; thence along a left bank tributary of this river for a distance of 2.4 kilometres to its source; thence on a bearing of 23 degrees for a distance of 7.2 kilometres to an unnamed tributary of the Ndondi River; thence north-westwards up this tributary for distance of 1.85 kilometres; thence on a bearing of 217G degrees for a distance of 4.83 kilometres; thence on a bearing of 202 degrees for a distance of 3.22 kilometres; thence on a bearing of 190 degrees for a distance of 4.83 kilometres; thence on a bearing of 140 degrees for a distance of 3.142 kilometres; thence along the common boundary of Customary Land No. XXI and No. XI in an easterly direction for a distance of 0.804 kilometres to the point of starting.

All bearings, which are referred to Grid North, and distances are approximate.

The area described above, in extent approximately 5,143.737 hectares, is shown bordered green on Plan No. FR248, deposited in the office of the Surveyor-General, signed by him and dated 10th February, 1966.

PROTECTED FOREST AREA NO. 182: MPINDA ***(Revoked by No. 118 of 1971)***

LOCAL FOREST NO. P183: MUTULANGANGA

Starting at the point where the Kariba North Access Road crosses the Mutulanganga Stream, the boundary follows the Kariba North Access Road in a north-north-easterly direction for a distance of approximately 4.83 kilometres; thence on a bearing of 287 degrees for a distance of 1,371.6 metres to an unnamed tributary of the Lusitu River; thence on a bearing of 256 degrees for a distance of 1,371.6 metres to the junction of two unnamed tributaries of the Lusitu River; thence on a bearing of 279 degrees for a distance of 1,829 metres to the junction of two unnamed tributaries of the Lusitu River; thence on a bearing of 296 degrees for a distance of 1,219.2 metres to an unnamed tributary of the Lusitu River; thence up this river in a south-westerly direction for a distance of 4.83 kilometres; thence on a bearing of 229 degrees for a distance of 1,981.2 metres to the source of an unnamed stream; thence along this unnamed stream in a south-westerly direction for a distance of 5.63 kilometres; thence on a bearing of 220 degrees for a distance of 1,615.4 metres to the edge of an unnamed pan; thence on a bearing of 203 degrees for a distance of 1,371.6 metres to the southern edge of the pan; thence on a

*Statutory
Instruments

66 of 1975*

bearing of 126 degrees for a distance of 2,895.6 metres to the junction of two unnamed tributaries of the Mutulanganga Stream; thence on a bearing of 62 degrees for a distance of 4,724.4 metres to an unnamed tributary of the Mutulanganga Stream; thence on a bearing of 89 degrees for a distance of 2,133.6 metres to an unnamed tributary of the Nduvu Stream; thence on a bearing of 105 degrees for a distance of 3,810 metres to the Kariba North Access Road; thence along this road in a north-north-easterly direction for a distance of 5.07 kilometres to the Mutulanganga Stream, the point of starting.

All bearings, which are referred to Grid North, and all distances are approximate.

The area is 9,385.4 hectares approximately and is shown bordered green on Plan No. FR256, deposited in the office of the Surveyor-General, signed by him and dated 26th May, 1966

LOCAL FOREST NO. P184: LUKWECHELE

*Statutory
Instruments
188 of 1968
66 of 1975*

Starting at the mouth of the Myona Stream, the boundary follows the edge of Lake Kariba in a southerly direction for a distance of approximately 198.12 metres to the mouth of an unnamed stream; thence in an easterly direction up this stream for a distance of approximately 1,676.4 metres; thence on a bearing of 70 degrees for a distance of approximately 1,524 metres; thence on a bearing of 350 degrees for a distance of approximately 5,334 metres to the confluence of two unnamed streams; thence on a bearing of 270 degrees for a distance of approximately 3,901.4 metres; thence on a bearing of 178 degrees for a distance of approximately 3,048 metres; thence on a bearing of 177 degrees for a distance of approximately 2,133.62 metres to the edge of Lake Kariba; thence in a generally easterly direction along the lake to the mouth of the Myona Stream to the point of starting.

All bearings, which are referred to True North, are approximate.

The above described area, in extent approximately 2,448.4 hectares, is shown bordered green on Plan No. FR255, deposited in the office of the Surveyor-General, signed by him and dated 2nd May, 1967.

LOCAL FOREST NO. P185: SIGANEKA

Statutory

Starting at a point on an unnamed stream on a bearing of 130 degrees and distance of 7,315.2 metres from the confluence of the Muzuma and Kazinze rivers, the boundary proceeds on a bearing of 278 degrees for a distance of 6,858 metres to an unnamed stream; thence down this unnamed stream in a south-westerly direction for a distance of 2.4 kilometres; thence on a bearing of 233 degrees for a distance of 1,524 metres; thence on a bearing of 175 degrees for a distance of 2,590.8 metres; thence on a true bearing of 137 degrees for a distance of 5,791.2 metres; thence on a bearing of 40 degrees for a distance of 2,590.8 metres; thence on a bearing of 312 degrees for a distance of 822.96 metres; thence on a bearing of 48 degrees for a distance of 1,463.04 metres; thence on a bearing of 146 degrees for a distance of 1,341.2 metres; thence on a bearing of 56 degrees for a distance of 1,463.04 metres; thence on a bearing of 332 degrees for a distance of 2,286 metres; thence on a bearing of approximately 62 degrees for a distance of 457.2 metres; thence on a bearing of approximately 143 degrees for a distance of 762 metres; thence on a bearing of 25 degrees for a distance of 3,962.4 metres, the point of starting.

The bearings, which are referred to Grid North, and the distances are approximate.

The area is 5,503.9 hectares approximately and is shown bordered green on Plan No. FR252, deposited in the office of the Surveyor-General, signed by him and dated 27th April, 1966.

LOCAL FOREST NO. P186: CHIPEPO

Starting at the mouth of an unnamed stream 1676.42 metres due east of Chipeco School, the boundary follows the edge of Lake Kariba in an easterly direction for a distance of 6.44 kilometres; thence along the Chipeco Munyumbwe Road in a north-westerly direction for a distance of 2.4 kilometres to the point where it crosses an unnamed stream; thence down this stream in a north-easterly direction to the lake edge; thence northwards and westwards along the lake edge for a distance of approximately 6.44 kilometres; thence on a bearing of 255 degrees for a

distance of 2,286 metres to the Chipepo Munyumbwe Road; thence on a bearing of 194 degrees for a distance of 2,133.6 metres to an unnamed stream; thence on a bearing of 130 degrees for a distance of 1,524 metres to an unnamed stream; thence down this unnamed stream in a southerly direction to its mouth, the point of starting.

All bearings, which are referred to True North, and distances are approximate.

The area is 1,873.8 hectares approximately and it is shown bordered green on Plan No. FR253, deposited in the office of the Surveyor-General, signed by him and dated 27th April, 1966.

LOCAL FOREST NO. P187: MUNYUMBWE

*Statutory
Instruments
188 of 1968
66 of 1975*

Starting at a point on the left hand bank of the Nankoli River 0.8 kilometres upstream from the confluence of the Nankoli and Fumbo Rivers, the boundary proceeds on a bearing of 162 degrees for a distance of 762 metres; thence on a bearing of 71 degrees for a distance of 1,981.2 metres; thence on a bearing of 153 degrees for a distance of 304.8 metres; thence on a bearing of 69 degrees for a distance of 1,005.8 metres to an unnamed tributary of the Chibuwe River; thence up this unnamed tributary in a northerly direction for a distance of 6.44 kilometres; thence on a bearing of 240 degrees for a distance of 3,962.4 metres to a point on the left bank of the Nankoli River; thence on a bearing of 155 degrees for a distance of 1,981.2 metres to a point on the left bank of the Nankoli River; thence down this river in a south-westerly direction for a distance of 0.72 kilometres to the point of starting.

NOTES:

- (1) The area stated above is derived from planimeter readings and is therefore only approximate.
- (2) The bearings, which are referred to Grid North, and distances are approximate.

The area described above, in extent 1,315.3 hectares, is shown bordered green on Plan No. FR250, deposited in the office of the Surveyor-General, signed by him and dated 31st March, 1966.

LOCAL FOREST NO. P188: BBONDO

Statutory

Starting at the point where the Nakalityolole Stream crosses the Munyumbwe-Changa Road 12.87 kilometres east of Munyumbwe, the boundary follows this stream south-eastwards for 2.33 kilometres; thence in an easterly direction up an unnamed tributary for a distance of 1.609 kilometres; thence on a bearing of 45 degrees for a distance of 1,524 metres to an unnamed stream; thence up this unnamed stream for a distance of 0.8 kilometres; thence on a bearing of 335 degrees for a distance of 762 metres to an unnamed stream; thence down this unnamed stream in a north-easterly and northerly direction for a distance of 0.24 kilometres to its confluence with another unnamed stream; thence eastwards up this stream to the point where it crosses the Munyumbwe-Changa Road; thence on a bearing of 49 degrees for a distance of 3,353 metres; thence on a bearing of 332 degrees for a distance of 762 metres to an unnamed stream; thence down this unnamed stream in a northerly direction for a distance of 3.22 kilometres to the Chinunga Chimbali Track; thence south-westwards and westwards along this track for a distance of 5.63 kilometres; thence on a bearing of 230 degrees for a distance of 6,284.4 metres thence on a bearing of 167 degrees for a distance of 2,133.62 metres to the Munyumbwe-Changa Road; thence westwards along this road for a distance of 1.609 kilometres to a point where it crosses the Nakalityolole Stream, the point of starting.

NOTES:

- (1) The area quoted above is derived from planimeter readings and is therefore only approximate.
- (2) The bearings, which are referred to Grid North, and distances are approximate.

The area described above, in extent 4,177.54 hectares, is shown bordered green on Plan No. FR251, deposited in the office of the Surveyor-General, signed by him and dated 2nd April, 1966.

LOCAL FOREST NO. P189: ZEZE HILL

Starting at the confluence of the Sikalamba River and the Mwanamatabele Stream, the boundary follows the Sikalamba River

downstream for a distance of approximately 609.6 metres; thence on a true bearing of approximately 88 degrees for a distance of approximately 3,962.4 metres to an unnamed stream; thence down this unnamed stream in an easterly direction for a distance of approximately 2.33 kilometres; thence on a true bearing of approximately 15 degrees for a distance of approximately 2,895.6 metres to an unnamed stream; thence on a true bearing of approximately 345 degrees for a distance of approximately 1,524 metres to an unnamed stream; thence up this stream in a north-westerly direction for approximately 2.4 kilometres; thence on a true bearing of approximately 314 degrees for a distance of approximately 3,505.2 metres to an unnamed stream; thence up this unnamed stream in a north-westerly direction for a distance of approximately 0.72 kilometres to the point where it is crossed by the Gwembe-Kandabwe Road; thence on a true bearing of approximately 28 degrees for a distance of approximately 2,438.4 metres; thence on a true bearing of approximately 300 degrees for a distance of approximately 3,200 metres to an unnamed stream; thence up this unnamed stream in a north-westerly direction for a distance of approximately 0.8 kilometres; thence on a true bearing of approximately 213 degrees for a distance of approximately 746.6 metres to an unnamed stream; thence on a true bearing of approximately 125 degrees for a distance of approximately 3,200.4 metres to an unnamed stream; thence down this unnamed stream in a south-easterly and southerly direction for a distance of approximately 3.46 kilometres to its confluence with the Sikalamba River; thence down this river in a southerly direction for a distance of approximately 2.4 kilometres to the confluence of the Sikalamba River and the Mwanamatabele Stream, the point of starting.

The area is 17,958.8 hectares approximately and is shown bordered green on Plan No. FR254, deposited in the office of the Surveyor-General, signed by him and dated 4th August, 1966.

LOCAL FOREST NO. P190: MUSISA

*Statutory
Instruments
229 of 1973
66 of 1975*

Starting at point A where the Rukowa River crosses the Gwembe/Mazabuka District boundary, the boundary proceeds down the Rukowa River for a distance of 4,600 metres to its confluence with an unnamed tributary at point B; thence up this tributary for a distance of 3,030 metres to its source at point C; thence on a bearing of 201 degrees for a distance of 460 metres crossing the Gwembe-Chipepo road to the source of an unnamed tributary of the Nankoli River at point D; thence down this tributary for a distance of 3,350 metres to its confluence with

the Nankoli River at point E; thence down the Nankoli River in a southerly direction for a distance of 13,900 metres to its confluence with an unnamed tributary at point F; thence up this unnamed tributary in a westerly direction for a distance of 22,850 metres to its source at point G; thence on a bearing of 24 degrees for a distance of 1,000 metres to another tributary of Nankoli River at point H; thence down this tributary for a distance of 3,450 metres to its confluence with the Nankoli River at point J; thence down the Nankoli River for a distance of 2,240 metres to its confluence with an unnamed tributary at point K; thence up to its confluence with an unnamed tributary at point K; thence up this tributary in a northerly direction for a distance of 2,380 metres to its source at point L; thence on a bearing of 15 degrees for a distance of 160 metres to point M on the Gwembe-Chipepo road; thence along this road in a north-westerly direction for a distance of 1,450 metres to point N thereon; thence on a bearing of 323 degrees for a distance of 1,600 metres to point O; thence on a bearing of 30 degrees for a distance of 550 metres to point P; thence on a bearing of 80 degrees for a distance of 800 metres to point Q; thence on a bearing of 0 degrees for a distance of 310 metres to a point R on the Gwembe/Mazabuka District boundary; thence along this said district boundary on a bearing of 87 degrees for a distance of 5,650 metres to where it crosses the Rukowa River at point A, the point of starting.

All bearings and distances are approximate.

The above-described area, in extent 11,800 hectares, is shown bordered green on Plan No. FR249/1, deposited in the office of the Surveyor-General, signed by him and dated 9th October, 1972.

LOCAL FOREST NO. P191: KANAKANTAPA SOUTH

*Statutory
Instruments

207 of 1972
158 of 1975*

Starting at point O on the Machili/Sesheke Main Road No. M10 some 152 metres south-west of Kacente Dambo, the boundary proceeds on a magnetic bearing of 114 degrees for a distance of 1,059 metres to Beacon No. 1, thence on a magnetic bearing of 157 degrees for a distance of 793 metres to Beacon No. 2; thence on a magnetic bearing of 132 degrees for a distance of 198 metres to Beacon No. 3; thence on a magnetic bearing of 86 degrees for a distance of 549 metres to Beacon No. 4; thence on a magnetic bearing of 45 degrees for a distance of 1,433 metres to Beacon No. 5; thence on a magnetic bearing of 53 degrees for a distance of 960 metres to Beacon No. 6; thence on a magnetic bearing of 96 degrees for a distance of 838 metres to Beacon No. 7; thence on a magnetic bearing of 133 degrees for a distance of 1,234 metres to Beacon 8; thence on a magnetic bearing of 180 degrees for a distance of 152 metres to Beacon No. 9; thence on a magnetic bearing of 166 degrees for a distance of 566 metres to Beacon No. 10; thence on a magnetic bearing of 105 degrees for a distance of 198 metres to Beacon No. 11; thence on a magnetic bearing of 85 degrees for a distance of 244 metres to Beacon No. 12; thence on a magnetic bearing of 173 degrees for a distance of 244 metres to Beacon No. 13; thence on a magnetic bearing of 159 degrees for a distance of 137 metres to Beacon No. 14; thence on a magnetic bearing of 178 degrees for a distance of 1,036 metres to Beacon No. 15; thence on a magnetic bearing of 150 degrees for a distance of 213 metres to Beacon No. 16; thence on a magnetic bearing of 170 degrees for a distance of 1,555 metres to Beacon No. 17; thence on a magnetic bearing of 197 degrees for a distance of 823 metres to Beacon No. 18; thence on a magnetic bearing of 211 degrees for a distance of 396 metres to Beacon No. 19; thence on a magnetic bearing of 235 degrees for a distance of 152 metres to Beacon No. 20; thence on a magnetic bearing of 273 degrees for a distance of 351 metres to Beacon No. 21; thence on a magnetic bearing of 299 degrees for a distance of 335 metres to Beacon No. 22; thence on a magnetic bearing of 212 degrees for a distance of 762 metres to Beacon No. 23; thence on a magnetic bearing of 194 degrees for a distance of 1,250 metres to Beacon No. 24; thence on a magnetic bearing of 162 degrees for a distance of 381 metres to Beacon No. 25; thence on a magnetic bearing of 170 degrees for a distance of 213 metres to Beacon No. 26; thence on a magnetic bearing of 208 degrees for a distance of 183 metres to Beacon No. 27; thence on a magnetic bearing of 235 degrees for a distance of 960 metres to Beacon No. 28; thence on a magnetic bearing of 247 degrees for a distance of 488 metres to Beacon No. 29; thence on a magnetic bearing of 231 degrees for a distance of 198 metres to Beacon No. 30; thence on a magnetic bearing of 240 degrees for a distance of 350 metres to Beacon No. 31; thence on a magnetic bearing of 290 degrees for a distance of 1,113 metres to Beacon No. 32; thence on a magnetic bearing of 233 degrees for a distance of 381 metres to Beacon No. 33; thence on a magnetic bearing

of 263 degrees for a distance of 655 metres to Beacon No. 34; thence on a magnetic bearing of 211 degrees for a distance of 335 metres to Beacon No. 35; thence on a magnetic bearing of 240 degrees for a distance of 290 metres to Beacon No. 36; thence on a magnetic bearing of 213 degrees for a distance of 251 metres to Beacon No. 37 on Road No. 11; thence along this road on a magnetic bearing of 276 degrees for a distance of 671 metres to Beacon No. 38, at the junction with Road No. 9; thence along Road No. 9 on a magnetic bearing of 193 degrees for a distance of 793 metres to Beacon No. 39; thence on a magnetic bearing of 258 degrees for a distance of 1,859 metres to Beacon No. 40 on Road No. 10; thence along Road No. 10 on a magnetic bearing of 275 degrees for a distance of 3,719 metres to Beacon No. 41; thence on a magnetic bearing of 316 degrees for a distance of 122 metres to Beacon No. 42; thence on a magnetic bearing of 15 degrees for a distance of 366 metres to Beacon No. 43; thence on a magnetic bearing of 49 degrees for a distance of 244 metres to Beacon No. 44; thence on a magnetic bearing of 5 degrees for a distance of 655 metres to Beacon No. 45 on Road No. 11; thence on a magnetic bearing of 351 degrees for a distance of 381 metres to Beacon No. 46; thence on a magnetic bearing of 20 degrees for a distance of 427 metres to Beacon No. 47; thence on a magnetic bearing of 34 degrees for a distance of 183 metres to Beacon No. 48; thence on a magnetic bearing of 10 degrees for a distance of 152 metres to Beacon No. 49 on Road No. 12; thence along this road on a magnetic bearing of 95 degrees for a distance of 2,317 metres to Beacon No. 50 at its junction with Road No. 17; thence along Road No. 17, on a magnetic bearing of 18 degrees for a distance of 2,134 metres to Beacon No. 51 at its junction with Road No. 14; thence along Road No. 14 on a magnetic bearing of 113 degrees for a distance of 3,750 metres to Beacon No. 52 at its junction with Road No. 8; thence along Road No. 8 on a magnetic bearing of 12 degrees for a distance of 3,155 metres to Beacon No. 53 at its junction with Roads Nos. 1, 2 and 5; thence along Road No. 1 on a magnetic bearing of 333 degrees for a distance of 4,936 metres to Beacon No. 54 at the junction with the Machili/Sesheke Main Road No. M10; thence along this road on a magnetic bearing of 65 degrees for a distance of 640 metres to point O, the point of starting.

All bearings and distances are approximate.

The above described area, in extent 5,935 hectares approximately, is shown bordered green on Plan No. FR263 deposited in the office of the Surveyor-General, signed by him and dated 1st February, 1972.

NATIONAL FOREST NO. P196: KATEME

*Statutory
Instruments
179 of 1972*

Starting at Beacon 1 on the Kateme/Mululwe Main Road where the road bends northwards following the edge of Sachasi Dambo, the boundary follows this road on a magnetic bearing of 275 degrees for a distance of 975 metres to Beacon 2 where the road bends southwards; thence on a magnetic bearing of 280 degrees for a distance of 3,322 metres to Beacon 3 on the northern side of Kabiliko Dambo; thence on a magnetic bearing of 268 degrees for a distance of 686 metres to Beacon 4; thence on a magnetic bearing of 285 degrees for a distance of 1,020 metres to Beacon 5; thence on a magnetic bearing of 10 degrees for a distance of 351 metres to Beacon 6; thence on a magnetic bearing of 7 degrees for a distance of 1,113 metres to Beacon 7; thence on a magnetic bearing of 353 degrees for a distance of 351 metres to Beacon 8 on Kateme Main Road; thence on a magnetic bearing of 31 degrees for a distance of 137 metres to Beacon 9; thence on a magnetic bearing of 42 degrees for a distance of 488 metres to Beacon 10; thence on a magnetic bearing of 22 degrees for a distance of 1,326 metres to Beacon 11; thence on a magnetic bearing of 59 degrees for a distance of 412 metres to Beacon 12; thence on a magnetic bearing of 65 degrees for a distance of 305 metres to Beacon 13; thence on a magnetic bearing of 70 degrees for a distance of 503 metres to Beacon 14; thence on a magnetic bearing of 75 degrees for a distance of 259 metres to Beacon 15; thence on a magnetic bearing of 116 degrees for a distance of 112 metres to Beacon 16; thence on a magnetic bearing of 42 degrees for a distance of 610 metres to Beacon 17; thence on a magnetic bearing of 115 degrees for a distance of 3,642 metres to Beacon 18; thence on a magnetic bearing of 186 degrees for a distance of 1,204 metres to Beacon 19; thence on a magnetic bearing of 99 degrees for a distance of 1,524 metres to Beacon 20; thence on a magnetic bearing of 170 degrees for a distance of 1,356 metres to Beacon 21; thence on a magnetic bearing of 206 degrees for a distance of 762 metres to Beacon 22; thence on a magnetic bearing of 273 degrees for a distance of 1,265 metres to Beacon 23; on the Kateme/Mululwe Main Road; thence along this road on a magnetic bearing of 187 degrees for a distance of 320 metres to Beacon 24; thence continuing along this road on a magnetic bearing of 219 degrees for a distance of 92 metres to Beacon 25; thence continuing along this road on a magnetic bearing of 239 degrees for a distance of 152 metres to Beacon 26; thence continuing along this road on a magnetic bearing of 268 degrees for a distance of 122 metres to Beacon 1, the point of starting.

All bearings and distances are approximate.

The above described area, in extent 2,560 hectares approximately, is

shown bordered green on Plan No. FR264 deposited in the office of the Surveyor-General, signed by him and dated 27th January, 1972.

LOCAL FOREST NO. P197: NANYOTA

*Statutory
Instruments
180 of 1972
158 of 1975*

Starting at Beacon 1 on the Nanyota/Mubulwe Main Road at the old Zambesi Sawmills camp site, the boundary proceeds on a magnetic bearing of 106 degrees for a distance of 2,042 metres to Beacon 2; thence on a magnetic bearing of 73 degrees for a distance of 2,210 metres to Beacon 3; thence on a magnetic bearing of 103 degrees for a distance of 655 metres to Beacon 4; thence on a magnetic bearing of 50 degrees for a distance of 259 metres to Beacon 5; thence on a magnetic bearing of 100 degrees for a distance of 1,433 metres to Beacon 6; thence on a magnetic bearing of 178 degrees for a distance of 518 metres to Beacon 7; thence on a magnetic bearing of 209 degrees for a distance of 549 metres to Beacon 8; thence on a magnetic bearing of 141 degrees for a distance of 945 metres to Beacon 9; thence on a magnetic bearing of 218 degrees for a distance of 2,393 metres to Beacon 10; thence on a magnetic bearing of 263 degrees for a distance of 274 metres to Beacon 11; thence on a magnetic bearing of 316 degrees for a distance of 716 metres to Beacon 12; thence on a magnetic bearing of 282 degrees for a distance of 625 metres to Beacon 13; thence on a magnetic bearing of 259 degrees for a distance of 1,829 metres to Beacon 14; thence on a magnetic bearing of 296 degrees for a distance of 838 metres to Beacon 15; thence on a magnetic bearing of 294 degrees for a distance of 2,652 metres to Beacon 16; thence on a magnetic bearing of 267 degrees for a distance of 1,737 metres to Beacon 17; thence on a magnetic bearing of 216 degrees for a distance of 808 metres to Beacon 18; thence on a magnetic bearing of 264 degrees for a distance of 1,234 metres to Beacon 19; thence on a magnetic bearing of 193 degrees for a distance of 488 metres to Beacon 20; thence on a magnetic bearing of 137 degrees for a distance of 274 metres to Beacon 21; thence on a magnetic bearing of 215 degrees for a distance of 610 metres to Beacon 22; thence on a magnetic bearing of 272 degrees for a distance of 564 metres to Beacon 23; thence on a magnetic bearing of 343 degrees for a distance of 472 metres to Beacon 24; thence on a magnetic bearing of 15 degrees for a distance of 762 metres to Beacon 25; thence on a magnetic bearing of 40 degrees for a distance of 503 metres to Beacon 26; thence on a magnetic bearing of 333 degrees for a distance of 640 metres to Beacon 27; thence on a magnetic bearing of 16 degrees for a distance of 594 metres to Beacon 28; thence on a magnetic bearing of 45 degrees for a distance of 732 metres to Beacon 29; thence on a magnetic bearing of 84

degrees for a distance of 1,341 metres to Beacon 30; thence on a magnetic bearing of 60 degrees for a distance of 503 metres to Beacon 31; thence on a magnetic bearing of 82 degrees for a distance of 1,890 metres to Beacon 32; thence on a magnetic bearing of 85 degrees for a distance of 1,021 metres to Beacon 1, the point of starting.

All bearings and distances are approximate.

The above described area, in extent 3,432 hectares approximately, is shown bordered green on Plan No. FR341 deposited in the office of the Surveyor-General, signed by him and dated 17th March, 1972.

LOCAL FOREST NO. P198: KAFINSA MUSHITU

*Statutory
Instruments
285 of 1966
66 of 1975*

Proceed due west from Chungu's Village for a short distance to the eastern edge of the Kafinsa Dambo. The boundary then runs from Beacon 1 in a straight line in a north-north-easterly direction to Beacon 2; thence in a straight line in a west by northerly direction to Beacon 3 on the western edge of the Kafinsa Dambo; thence in a straight line on a south-south-westerly direction to Beacon 4; thence in a straight line across the Kafinsa Dambo towards the eastern edge of the dambo in a south-south-easterly direction to Beacon 5; thence in a straight line in a north-north-easterly direction to the point of starting at Beacon 1.

The above described area in extent approximately 161.1 hectares, is shown bordered green on Plan No. FR266, deposited in the office of the Surveyor-General, signed by him and dated 20th January, 1967.

LOCAL FOREST NO. P199: CHIPOMA

*Statutory
Instruments
351 of 1967
66 of 1975
189 of 1979*

Starting at Beacon A on the southern edge of the Road M3 at the junction of the Road R6 the boundary proceeds in a straight line on a bearing of 86 degrees for a distance of 5,500 metres to Beacon B at the head of the Kananshila Stream; thence down this stream to its confluence with the Mufili River; thence down the Mufili River to its confluence with the Mimbulu Stream; thence up the Mimbulu Stream

and a tributary, in a general westerly direction for a distance of 4,100 metres to Beacon C at a dambo head; thence in a straight line on a bearing of 282G degrees for a distance of 2,700 metres to Beacon D at the head of the Kapolombo Stream; thence down the Kapolombo Stream to its confluence with the Mulalashi River; thence up the Mulalashi River for a distance of 1,000 metres to Beacon E on its right bank; thence in a straight line on a bearing of 252 degrees for a distance of 700 metres to Beacon F; thence in a straight line on a bearing of 285G degrees for a distance of 6,050 metres to Beacon G on the left bank of the Kafuse Stream; thence down the Kafuse Stream for a distance of 2,700 metres to Beacon H on its right bank; thence in a straight line on a bearing of 285G degrees for a distance of 3,450 metres to Beacon I on the left bank of the Mishimba Stream; thence down the Mishimba Stream to its confluence with the Kafinsa Stream; thence up the Kafinsa Stream for a distance of 5,300 metres to Beacon J on its left bank; thence in a straight line on a bearing of 52G degrees for a distance of 1,840 metres to Beacon K near the source of the Luchena Stream; thence in a straight line on a bearing of 58 degrees for a distance of 2,820 metres to Beacon L; thence in a straight line on a bearing of 87G degrees for a distance of 2,650 metres to Beacon M; thence in a straight line on a bearing of 54 degrees for a distance of 1,650 metres to Beacon N; thence in a straight line on a bearing of 68 degrees for a distance of 750 metres to Beacon O on the eastern edge of the Road R6; thence northwards along the edge of this road for a distance of 4,200 metres to Beacon A, the point of starting.

All distances are approximate and all bearings are from magnetic north.

The above described area, in extent 16,790 hectares approximately, is shown bordered green on Plan No. FR267/1, deposited in the office of the Surveyor-General, signed by him and dated 5th March, 1979.

LOCAL FOREST NO. P200: PEMBELA

*Statutory
Instruments
351 of 1967
66 of 1975
75 of 1980*

Starting at Beacon B at the source of the Mato Stream the boundary follows the Mato downstream to its confluence with the Naliyebele Stream; thence it follows a straight line on a bearing of 215 degrees for a distance of 9,300 metres to the Mwampanda River; thence up the Mwampanda River to its confluence with the Mwipashilo Stream; thence up that stream to Beacon C at its source; thence in a straight line

on a bearing of 270 degrees for a distance of 2,800 metres to Beacon D on the eastern edge of the Road R43; thence north-eastwards along the eastern edge of that road for 17,500 metres to Beacon A; thence in a straight line on a bearing of 88 degrees for a distance of 3,450 metres to Beacon B, the point of starting.

All distances are approximate and all bearings are from true north.

The above described area, in extent 10,540 hectares approximately, is shown bordered green on Plan No. FR268/1, deposited in the office of the Surveyor-General, signed by him and dated 30th November, 1979.

LOCAL FOREST NO. P201: CHUNGU

*Statutory
Instruments
351 of 1967
398 of 1968
66 of 1975*

Starting at a point on the Chungu road close to the head of an unnamed tributary of the Kafinsa River, the boundary runs in an easterly direction for a distance of 1,615.44 metres to the head of an unnamed tributary of the Mulalashi River; thence down this river for a distance of 3,810 metres to an elbow bend in the dambo; thence in a straight line in a south-westerly direction for a distance of 3,810 metres to an unnamed dambo running into the Mulalashi River; thence in a westerly direction for a distance of 3,352.8 metres to a point on the Chungu-Luwingu road; thence along this road in a northerly direction for a distance of 3,352.8 metres; thence on a cut line on a bearing of 95 degrees for a distance of 1,615.44 metres; thence on a cut line on a bearing of 10 degrees for a distance of 3,048 metres; thence on a cut line on a bearing of 279 degrees for a distance of 1,524 metres to the Chungu-Luwingu road; thence along this road in a northerly direction for a distance of 1,828.8 metres to the point of starting.

All bearings and distances are approximate.

The above described area, in extent 2,706.6 hectares approximately, is shown bordered green on Plan No. FR269/1, deposited in the office of the Surveyor-General, signed by him and dated 1st December, 1966.

LOCAL FOREST NO. P202: KALOMBOSHI

*Statutory
Instruments
351 of 1967*

Starting at the southernmost source of the Nkanda North Stream (a tributary of the Lupososhi River), the boundary runs in a straight line in a south-easterly direction crossing Nkanda south and passing near the source of the Manga, both tributaries of the Lupososhi River, to the head of the Likamo Dambo; thence in a straight line in a south by easterly direction to the head of the unnamed tributary of the Likamo; thence in a straight line in a south-east by south direction to the head of an unnamed tributary of the Kalomboshi Dambo; thence down this tributary to the Kalomboshi; thence up the Kalomboshi to its source; thence in a straight line in a west-north-westerly direction to the source of an unnamed tributary of the Kashye Stream; thence in a straight line in a north-north-easterly direction to the point of starting.

The above described area, in extent 9,269.65 hectares approximately, is shown bordered green on Plan No. FR270, deposited in the office of the Surveyor-General, signed by him and dated 1st December, 1966.

LOCAL FOREST NO. P203: MATIPA

*Statutory
Instruments
351 of 1967
66 of 1975*

Starting at the head of the Kabompo Dambo, the boundary runs on a bearing of 180 degrees for a distance of 6,248.4 metres to a point on the southern edge of the Lunshula Dambo; thence on a bearing of 207 degrees for a distance of 4,572 metres to the head of the Chikonde Dambo; thence in a south-westerly and southerly direction down the centre of this dambo for a distance of 7,315.2 metres to a point on the southernmost edge of this dambo; thence on a bearing of 228 degrees for a distance of 3,505.2 metres to the head of an unnamed sub-dambo of the Lukutu; thence in a straight line due westwards for a distance of 6,248.4 metres to a point on the Lumfwe; thence in a northerly and westerly direction up the Lumfwe for a distance of 14,630.4 metres to a point due south of the head of an unnamed tributary dambo of the Luitikila River; thence due north for a distance of 4,724.4 metres to this point; thence down this tributary dambo for a distance of 5,486.4 metres to a point due west of the point of starting; thence due eastwards for a distance of 10,515.6 metres to the point of starting.

All bearings, which are referred to True North, and all distances are approximate.

The area described above, in extent 20,279.52 hectares, is shown bordered green on Plan No. FR271, deposited in the office of the Surveyor-General, signed by him and dated 30th November, 1966.

NATIONAL FOREST NO. P204: LUSENGEZI

*Statutory
Instruments
351 of 1967
158 of 1975*

Starting at Beacon No. 1 situated on the south edge of the Mwenda-Changa road (boundary with R.P.47) and approximately 5,273.04 metres south-east of Ngangula School, the boundary runs along a cut line on a bearing of 152 degrees for a distance of 1,005.8 metres to Beacon No. 2; thence along a cut line on a bearing of 92 degrees for a distance of 1,219.2 metres to Beacon No. 3; thence along a cut line on a bearing of 142 degrees for a distance of 1,828.8 metres to Beacon No. 4; thence along a cut line on a bearing of 230 degrees for a distance of 1,316.7 metres to Beacon No.5; thence along a cut line on a bearing of 270 degrees for a distance of 1,524 metres to Beacon No. 6; thence along a cut line on a bearing of 209 degrees for a distance of 1,188.7 metres to Beacon No. 7; thence along a cut line on a bearing of 226 degrees for a distance of 1,435.6 metres to Beacon No. 8; thence along a cut line on a bearing of 282G degrees for a distance of 1,828.8 metres to Beacon No. 9; thence along a cut line on a bearing of 199 degrees for a distance of 1,005.8 metres to Beacon No. 10; thence along a cut line on a bearing of 280 degrees for a distance of 2,286 metres to Beacon No. 11; thence along a cut line on a bearing of 254 degrees for a distance of 5,273 metres to Beacon No. 12; thence along a cut line on a bearing of 115G degrees for a distance of 2,651.8 metres to Beacon No. 13; thence along a cut line on a bearing of 200 degrees for a distance of 762 metres to Beacon No. 14; thence along a cut line on a bearing of 269 degrees for a distance of 701 metres to Beacon No. 15; thence along a cut line on a bearing of 298 degrees for a distance of 2,225 metres to Beacon No. 16; thence along a cut line on a bearing of 285 degrees for a distance of 701 metres to Beacon No. 17; thence along a cut line on a bearing of 309 degrees for a distance of 914.4 metres to Beacon No. 18; thence along a cut line on a bearing of 257 degrees for a distance of 1,188.7 metres to Beacon No. 19; thence along a cut line on a bearing of 297 degrees for a distance of 4,206.2 metres to Beacon No. 20; thence along a cut line on a bearing of 310 degrees for a distance of 2,161 metres to Beacon No. 21; thence along a cut line on a bearing of 276 degrees for a distance of 3,810 metres to Beacon No. 22; thence along a cut line on a bearing of 220 degrees for a distance of 2,133.6 metres to Beacon No. 23; thence along a cut line on a bearing of 286 degrees for a distance of 1,463 metres to Beacon No. 24; thence along a cut line on a

bearing of 225 degrees for a distance of 3,505 metres to Beacon No. 25; thence along a cut line on a bearing of 301 degrees for a distance of 3,291.8 metres to Beacon No. 26; thence along a cut line on a bearing of 211 degrees for a distance of 1,188.7 metres to Beacon No. 27; thence along a cut line on a bearing of 177 degrees for a distance of 701 metres to Beacon No. 28; thence along a cut line on a bearing of 206 degrees for a distance of 701 metres to Beacon No. 29; thence along a cut line on a bearing of 290 degrees for a distance of 2,316.5 metres to Beacon No. 30; thence along a cut line on a bearing of 210 degrees for a distance of 7,315.2 metres to Beacon No. 31; thence along a cut line on a bearing of 283 degrees for a distance of 457.2 metres to Beacon No. 32; thence along a cut line on a bearing of 254 degrees for a distance of 914.4 metres to Beacon No. 33 situated at the source of a small stream; thence downstream along the south bank of this stream in a westerly direction for a distance of 8,077.2 metres to Beacon No. 34; thence along a cut line on a bearing of 300 degrees for a distance of 822.96 metres to Beacon No. 35 situated at the source of a small stream; thence downstream along the south bank of this stream in a north-westerly direction; thence passing upstream along the south bank of another small stream in a north-westerly direction for a total distance of 2,133.6 metres to Beacon No. 36; thence along a cut line on a bearing of 225 degrees for a distance of 1,097.3 metres to Beacon No. 37 situated on the north bank of a small stream; thence downstream along the north and east banks of this stream in a south-east and southerly direction for a distance of 3,810 metres to Beacon No. 38 situated at the junction with another stream; thence downstream along the north bank of this stream, which is also the boundary of R.P.S. 48, in an easterly direction for a distance of 3,505.2 metres to Beacon No. 39 which is opposite Beacon No. 11 of R.P.S. 48; thence upstream along the north bank of a small stream in an easterly direction for a distance of 9,144 metres to Beacon No. 40; thence along a cut line on a bearing of 105 degrees for a distance of 640.1 metres to Beacon No. 41 situated on the north bank of a small stream; thence downstream along the north bank of this stream in a south-westerly direction for a distance of 3,505.2 metres to Beacon No. 42; thence along a cut line on a bearing of 119 degrees for a distance of 8,900.2 metres to Beacon No. 43 situated at the junction of two unnamed streams; thence upstream along the west bank of an unnamed stream in a northerly direction for a distance of 3,810 metres to Beacon No. 44 situated at the junction with another unnamed stream; thence downstream along the north bank of this unnamed stream in a south-easterly direction for a distance of 4,572 metres to Beacon No. 45; thence along a cut line on a bearing of 23 degrees for a distance of 3,383.3 metres to Beacon No. 46 situated on the bank of an unnamed small stream; thence along a cut line on a bearing of 24 degrees for a distance of 2,133.6 metres to Beacon No. 47 situated on the north bank of a small stream; thence downstream along the north bank of this

stream in a general easterly direction for a distance of 3,657.6 metres to Beacon No. 48; thence along a cut line on a bearing of 72 degrees for a distance of 1,524 metres to Beacon No. 49; thence along a cut line on a bearing of 355 degrees for a distance of 1,127.76 metres to Beacon No. 50; thence along a cut line on a bearing of 30 degrees for a distance of 201.2 metres to Beacon No. 51; thence along a cut line on a bearing of 123 degrees for a distance of 1,005.84 metres to Beacon No. 52; thence along a cut line on a bearing of 64 degrees for a distance of 853.44 metres to Beacon No. 53 situated on the bank of an unnamed tributary of the Namaila River; thence downstream along the north and east banks of this tributary in an easterly and southerly direction for a distance of 3,962.4 metres to Beacon No. 54 at its junction with the Namaila River; thence downstream along the north bank of the Namaila River in an easterly direction for a distance of 10,698.5 metres to Beacon No. 55 at its junction with the Lusengezi River; thence downstream along the north bank of the Lusengezi River in an easterly direction for a distance of 13,441.7 metres to Beacon No. 56; thence along a cut line on a bearing of 57 degrees for a distance of 3,596.64 metres to Beacon No. 57 situated on the north bank of the Kasiwa Stream; thence upstream along the west bank of the Kasiwa Stream in a north-easterly direction for a distance of 8,077.2 metres to Beacon No. 58 situated on the edge of the Changa-Mwenda road; thence along the south-west edge of this road in a general north-westerly direction for a distance of 17,830.8 metres to Beacon 1, the point of starting.

All bearings are True North and all distances approximate.

The above described are, in extent 37,058.379 hectares approximately, is shown bordered green on Plan No. FR272, deposited in the office of the Surveyor-General, signed by him and dated 1st December, 1966.

NATIONAL FOREST NO. P205: LUSITU HEADWATERS

*Statutory
Instruments
351 of 1967
140 of 1970
158 of 1975
197 of 1979*

Starting at the confluence of the Namabende Stream with the Lusitu River the boundary follows the Namabende upstream to its confluence with the Nakasanga Stream; thence up the Nakasanga to Beacon 34 at its northern source, thence on a bearing of 273 degrees for a distance of 1,000 metres to Beacon 33 on the Kapolwe Stream; thence up the Kapolwe Stream to Beacon 32 at its source on the slopes of

Kalundu-Kazwizya Hill; thence on a bearing of 228 degrees for 250 metres to Beacon 31 at the top of that hill; thence on a bearing of 248 degrees for a distance of 1,250 metres to Beacon No. 30 at the source of Namendo Stream; thence down the Namendo Stream to the Lunsili Stream; thence down the Lunsili Stream to its confluence with the Nabuka Stream at Beacon 29; thence on a bearing of 333 degrees for a distance of 3,700 metres to Beacon 25/1 on the Kayona Stream; thence down the Kayona Stream to Beacon 25 at its confluence with the Lusitu River; thence up the Lusitu River for a distance of 8,600 metres (measured in a straight line) to Beacon 24 at the confluence of an unnamed northern tributary; thence up this tributary for 2,100 metres (measured in a straight line) to Beacon 23 on the eastern bank; thence on a bearing of 340 degrees for a distance of 1,350 metres to Beacon 22; thence in a series of straight lines and bearings as follows: 48 degrees for 4,760 metres to Beacon 21; thence 312 degrees for 5,200 metres to Beacon 20; thence 298 degrees for 1,550 metres to Beacon 19; thence 316 degrees for 1,500 metres to Beacon 18 situated on the south side of the Road T.1 where it leaves the southern end of the Munali Pass; thence on a bearing of 340 degrees for a distance of 1,000 metres to Beacon 17; which is situated 204 metres due west of spot height 200/ZP; thence in a series of straight lines as follows: 315 degrees for 2,000 metres to Beacon 16/1; thence 312 degrees for 5,800 metres to Beacon 16; thence 45 degrees for 1,200 metres to Beacon 15; thence 131 degrees for 1,600 metres to Beacon 14; thence 106 degrees for 2,650 metres to Beacon 13; thence 123 degrees for 2,500 metres to Beacon 12; thence 75 degrees for 1,500 metres to Beacon 11; thence 137 degrees for 7,950 metres to Beacon 10; which is situated on the south side of the road to Simwamba School; thence along the southern edge of this road for a distance of 1,900 metres to Beacon 9/1 on the bank of a tributary of Nansenga Stream; thence in a series of straight lines as follows: 155 degrees for 4,000 metres to Beacon 8; thence 140 degrees for 1,300 metres to Beacon 7; thence 194 degrees for 2,250 metres to Beacon 6; thence 167 degrees for 3,300 metres to Beacon 5/4; thence 200 degrees for 2,900 metres to Beacon 5/3; thence 140 degrees for 2,500 metres to Beacon 5/2; thence 60 degrees for 1,100 metres to Beacon 5/1, on the western bank of the Chungwe Stream; thence down this stream for 10,800 metres (measured in a straight line) to Beacon 4 at its confluence with the Lusitu River; thence up the Lusitu River to its confluence with the Namabende Stream, the point of starting.

All bearings and distances are approximate, and all bearings are in relation to true north.

The above described area, in extent 21,390 hectares approximately, is shown bordered green on Plan No. FR273/1, deposited in the office of

the Surveyor-General, signed by him and dated 10th February, 1975.

LOCAL FOREST NO. P206: NADONGA

*Statutory
Instruments
351 of 1967
66 of 1975*

Starting at Beacon No. 1 situated on the south bank of the Nadonga Stream, the boundary runs along a cut line on a bearing of 208 degrees for a distance of 1,127.8 metres to Beacon No. 2; thence along a cut line on a bearing of 121 degrees for a distance of 7,985.76 metres to Beacon No. 3; thence along a cut line on a bearing of 209 degrees for a distance of 1,828.8 metres to Beacon No. 4; thence along a cut line on a bearing of 294G degrees for a distance of 6,248.4 metres to Beacon No. 5; thence along a cut line on a bearing of 274G degrees for a distance of 1,981.2 metres to Beacon No. 6; thence along a cut line on a bearing of 301 degrees for a distance of 9,631.7 metres to Beacon No. 7; thence along a cut line on a bearing of 43G degrees for a distance of 4,236.72 metres to Beacon No. 8 situated on the south bank of an unnamed stream; thence downstream along the south bank of this unnamed stream in an easterly direction for a distance of 1,524 metres to Beacon No. 9; thence along a cut line on a bearing of 49 degrees for a distance of 2,072.64 metres to Beacon No. 10 situated on the south bank of an unnamed stream; thence downstream along the south bank of this unnamed stream in an easterly direction for a distance of 3,810 metres to Beacon No. 11 situated at the junction of this unnamed stream with an unnamed tributary of the Nadonga Stream; thence downstream along the west bank of this unnamed tributary in a southerly direction for a distance of 2,590.8 metres to Beacon No. 1, the point of starting.

All bearings are True North and all distances approximate.

The above described area, in extent 3,933.4 metres approximately, is shown bordered green on Plan No. FR274, deposited in the office of the Surveyor-General, signed by him and dated 1st December, 1966.

LOCAL FOREST NO. P207: NAKABE

*Statutory
Instruments
351 of 1967
66 of 1975*

Starting at Beacon No. 1 situated at the source of the Nakabwe Stream, the boundary follows downstream along the south bank of the Nakabwe

Stream in a south-easterly direction for a distance of 10,363.2 metres to Beacon No. 2 situated at the junction of an unnamed stream with the Nakabwe Stream; thence upstream along the west bank of this unnamed tributary for a distance of 1,371.6 metres to Beacon No. 3; thence along a cut line on a bearing of 200 degrees for a distance of 731.52 metres to Beacon No. 4 situated on the north bank of an unnamed tributary of the Nakabwe Stream; thence upstream along the north bank of this unnamed tributary in a westerly direction for a distance of 6,400.8 metres to Beacon No. 5 situated at a point near to its source; thence along a cut line on a bearing of 185 degrees for a distance of 822.96 metres to Beacon No. 6 situated on the west bank near to the source of an unnamed tributary of the Nubuguyu Stream; thence downstream along the west bank of this unnamed stream in a southerly direction for a distance of 3,505.2 metres to Beacon No. 7 at the junction with another unnamed stream; thence along a cut line on a bearing of 305G degrees for a distance of 2,743.2 metres to Beacon No. 8 situated on the north bank of Nubuguyu Stream where it is joined by an unnamed tributary; thence upstream along the east bank of this unnamed tributary in a northerly direction for a distance of 2,670.05 metres to Beacon No. 9; thence along a cut line on a bearing of 318 degrees for a distance of 1,124.7 metres to Beacon No. 10 on the east bank of a small stream; thence downstream along the east bank of this stream in a north-easterly direction for a distance of 1,676.4 metres to Beacon No. 11 situated at the junction with another small unnamed stream; thence upstream along the north bank of this unnamed stream in a north-westerly direction for a distance of 1,066.8 metres to Beacon No. 12 at its source; thence along a cut line on a bearing of 293 degrees for a distance of 393.2 metres to Beacon No. 13 situated at the source of an unnamed tributary of the Chimonga Stream; thence downstream along the east bank of this unnamed stream in a general northerly direction for a distance of 1,981.2 metres to Beacon No. 14; thence along a cut line on a bearing of 316 degrees for a distance of 365.76 metres to Beacon No. 15 situated on the north bank of an unnamed tributary of the Chimonga Stream; thence upstream along the north bank of this unnamed stream in a westerly direction for a distance of 3,108.96 metres to Beacon No. 16; thence along a cut line on a bearing of 248 degrees for a distance of 667.5 metres to Beacon No. 17; thence along a cut line on a bearing of 319 degrees for a distance of 1,828.8 metres to Beacon No. 18; thence along a cut line on a bearing of 32 degrees for a distance of 2,139.7 metres to Beacon No. 19 situated on the south bank of the Chichikilo Stream; thence downstream along the south bank of the Chichikilo Stream in an easterly direction for a distance of 4,114.8 metres to Beacon No. 20; thence along a cut line on a bearing of 140 degrees for a distance of 1,609.3 metres to Beacon No. 21; thence along a cut line on a bearing of 68 degrees for a distance of 1,554.5 metres to Beacon No. 1, the point of starting .

All bearings are True North and all distances approximate.

The above described area, in extent 5,588.91 hectares approximately, is shown bordered green on Plan No. FR275, deposited in the office of the Surveyor-General, signed by him and dated 1st December, 1966.

LOCAL FOREST NO. 208: CHIVUNA HILLS

*Statutory
Instruments
351 of 1967
66 of 1975*

Starting at Beacon No. 1 situated on the south side of a small hill to the south-east of Chivuna Mission, the boundary runs along a cut line on a bearing of 71 degrees for a distance of 929.65 metres to Beacon No. 2; thence along a cut line on a bearing of 122 degrees for a distance of 1,094.2 metres to Beacon No. 3; thence along a cut line on a bearing of 143 degrees for a distance of 1,524 metres to Beacon No. 4; thence along a cut line on a bearing of 78 degrees for a distance of 548.6 metres to Beacon No. 5; thence along a cut line on a bearing of 140 degrees for a distance of 1066.8 metres to Beacon No. 6; thence along a cut line on a bearing of 112 degrees for a distance of 701.04 metres to Beacon No. 7; thence along a cut line on a bearing of 51 degrees for a distance of 320 metres to Beacon No. 8; thence along a cut line on a bearing of 321G degrees for a distance of 914.4 metres to Beacon No. 9; thence along a cut line on a bearing of 21 degrees for a distance of 304.8 metres to Beacon No. 10; thence along a cut line on a bearing of 320 degrees for a distance of 304.8 metres to Beacon No. 11; thence along a cut line on a bearing of 14 degrees for a distance of 365.76 metres to Beacon No., 12; thence along a cut line on a bearing of 297 degrees for a distance of 2,042.2 metres to Beacon No. 13; thence along a cut line on a bearing of 340 degrees for a distance of 548.64 metres to Beacon No. 14 situated on the south edge of a village road; thence along a cut line on a bearing of 310 degrees for a distance of 1,036.3 metres to Beacon No. 15 situated on the south edge of the same village road; thence along the south side of this road in a westerly direction for a distance of 853.44 metres to Beacon No. 16; thence along a cut line on a bearing of 225 degrees for a distance of 457.2 metres to Beacon No. 17; thence along a cut line on a bearing of 200 degrees for a distance of 777.24 metres to Beacon No. 18 situated at the foot of a small hill south-east of the Chivuna Mission; thence around the base of this hill in a south-westerly, southerly and south-easterly direction for a distance of 518.2 meters to Beacon No. 1, the point of starting.

All bearings are True North and all distances are approximate.

The above described area, in extent 588.839 hectares approximately, is shown bordered green on Plan No. FR276, deposited in the office of the Surveyor-General, signed by him and dated 1st December, 1966.

64 of 1979*

Starting at the source of the Chunga Stream, the boundary follows that stream in a south-westerly direction to its confluence with the Kasanka River; thence down the Kasanka River in a general westerly and northerly direction for a distance of approximately 51,000 metres to a point on the Kasanka River; thence in a straight line on a true bearing of approximately 78 degrees for a distance of approximately 29,800 metres to a point on the Musola River; thence up the Musola River in a general southerly direction for a distance of approximately 18,800 metres to a point some 500 metres west of Trade Chitabesha Village; thence in a straight line on a true bearing of approximately 252 degrees for a distance of approximately 22,400 metres to the source of the Chunga Stream, the point of starting.

The above described area, in extent 7,703 hectares approximately, is shown bordered green on Plan No. E.R. 277/1 deposited in the office of the Surveyor-General, signed by him and dated 16th March, 1971.

LOCAL FOREST NO. P210: MULEMBO

*Statutory
Instruments
285 of 1968
177 of 1972
66 of 1975*

Starting at Beacon A on the northern bank of an unnamed tributary of the Maboshi River, the boundary follows this unnamed tributary to its confluence with the Maboshi River; thence up the Maboshi River in an easterly, south-easterly and southerly direction to Beacon B on the western bank of the Maboshi River; thence on a true bearing of approximately 275 degrees for a distance of approximately 2,800 metres

to Beacon C; thence on a true bearing of approximately 210 degrees for a distance of approximately 7,150 metres to Beacon D; thence on a true bearing of approximately 269 degrees for a distance of approximately 5,750 metres to Beacon E on the northern side of the Livingstone Memorial-Serenje Road; thence on a true bearing of approximately 359 degrees for a distance of approximately 2,250 metres to Beacon F on the northern bank of an unnamed stream; thence down this unnamed stream in a north-westerly and northerly direction to Beacon G on its western bank; thence on a true bearing of approximately 70 degrees for a distance of approximately 7,150 metres to Beacon A, the point of starting.

The above described area, in extent 19,395 hectares approximately, is shown bordered green on Plan No. 278/1 deposited in the office of the Surveyor-General, signed by him and dated 22nd November, 1971.

LOCAL FOREST NO. P211: MUSANGASHI

*Statutory
Instruments
65 of 1973
66 of 1975
64 of 1979*

Starting at Boundary Pillar No. IX at point A, the boundary follows in a straight line along the International Boundary between Congo (Kinshasa) and Zambia in a northerly direction for a distance of approximately 20,575 metres to point B on the south bank of the Lube River; thence down the Lube River in a generally easterly direction for a distance of approximately 2,926 metres to point C; thence in a straight line on a true bearing of approximately 113 degrees for a distance of approximately 3,720 metres to point D on the Mabonwe Dambo where the Masaunga Road cuts the edge of this dambo; thence along the Masaunga Road in a generally southerly direction for a distance of approximately 7,390 metres to point E on the northerly bank of the Musangashi River; thence up that river in a south-westerly direction for a distance of approximately 1,417 metres to point F; thence in a straight line on a true bearing of approximately 177 degrees for a distance of approximately 6,850 metres to point G; thence in a straight line on a true bearing of approximately 230 degrees for a distance of approximately 5,150 metres to point H on the source of Mafwasa Stream; thence in a straight line on a true bearing of approximately 243 degrees for a distance of approximately 3,420 metres to point A, Boundary Pillar No. IX, the point of starting.

The above described area, in extent 11,630 hectares approximately, is

shown bordered green on Plan No. 279/1, deposited in the office of the Surveyor-General, signed by him and dated 16th March, 1971.

NATIONAL FOREST NO. P212: LUEMBE

*Statutory
Instruments
285 of 1968
158 of 1975*

Starting at B.P.1 situated on the west bank of the Luswishi River at the point where this river is joined by the Mulalashi River, the boundary follows upstream along the north bank of the Mulalashi River in a westerly direction for a distance of 2,651.76 to B.P.2 at its source; thence along the southern edge of a series of dambos in a general westerly direction for a distance of 12,198.1 metres to B.P.3 situated on the edge of a dambo; thence along a cut line on a bearing of 280 degrees for a distance of 9,906 metres to B.P.4 situated at the source of an unnamed tributary of the Luamala River; thence downstream along the west bank of this unnamed tributary in a southerly direction for a distance of 8,046.72 metres to B.P.5 at its junction with the Luamala River; thence upstream along the west bank of the Luamala River in a north-easterly direction for a distance of 10,698.5 metres to B.P.6 at its source where it meets the district boundary; thence along the district boundary on a cut line on a bearing of 14 degrees for a distance of 9,509.8 metres to B.P.7 at the head of a dambo; thence along a cut line on a bearing of 289 degrees for a distance of 4,727.5 metres to B.P.8; thence along a cut line on a bearing of 347 degrees for a distance of 5,791.2 metres to B.P.9; thence along a cut line on a bearing of 298 degrees for a distance of 7,068.3 metres to B.P.10; thence along the district boundary on a cut line on a bearing of 90 degrees for a distance of 55,814.98 metres to B.P.11; thence along the west bank of the Luswishi River downstream in a southerly direction for a distance of 36,027.4 metres to B.P.1, the point of starting.

All bearings, which refer to True North, and all distances are approximate.

The above described area, in extent approximately 103,971.1 hectares, is shown bordered green on Plan No. FR280, deposited in the office of the Surveyor-General, signed by him and dated 20th January, 1967.

[sn]Statutory Instruments[sn]285 of 1968[sn]66 of 1975

LOCAL FOREST NO. P213: LUKULAISHO

Starting at B.P.1 situated on the eastern edge of the Malambanyama-Chitanda road where the Lukulaisho Stream crosses this road, the boundary runs along a cut line on a bearing of 84G degrees for a distance of 11,658.6 metres to B.P.2 situated on the edge of a dambo; thence along a cut line on a bearing of 187 degrees for a distance of 6,248.4 metres to B.P.3 situated on the edge of a dambo; thence along a cut line on a bearing of 277 degrees for a distance of 3,627.1 metres to B.P.4 situated on the edge of a dambo; thence along a cut line on a bearing of 235 degrees for a distance of 4,419.6 metres to B.P.5 situated on the eastern edge of the Malambanyama-Chitanda road; thence along the eastern edge of this road in a northerly direction for a distance of 8,229.6 metres to B.P.1, the point of starting.

All bearings, which refer to True North, and all distances are approximate.

The above described area, in extent 6,285.4 hectares approximately, is shown bordered green on Plan No. FR281, deposited in the office of the Surveyor-General, signed by him and dated 20th January, 1967.

66 of 1975*

Starting at B.P.1, on the south bank of the Lunjofwa Stream where an old footpath crosses the stream, the boundary follows on a bearing of 119 degrees for a distance of 2,621.3 metres to B.P.2 on the west bank of an unnamed tributary of the Lunjofwa Stream; thence upstream along the west bank of this unnamed tributary in a southerly direction for a distance of 3,383.3 metres to B.P.3 at its source on the edge of the dambo; thence along the western side of the dambo in a south-westerly direction for a distance of 1,371.6 metres to B.P.4; thence along a cut line on a bearing of 157 degrees for a distance of 1,371.6 metres to B.P.5 where the edge of a dambo cuts the main road to Mumbwa; thence along the northern edge of the dambo in a south-easterly direction for a distance of 1,219.2 metres to B.P.6; thence along a cut line on a bearing of 100 degrees for a distance of 1,767.8 metres to B.P.7 on the edge of a dambo; thence along the western and northern edges of the dambo in a southerly and south-westerly direction for a distance of 14,941.3 metres to B.P.8; thence along a cut line on a bearing of 283 degrees for a distance of 1,005.8 metres to B.P.9, on the edge of a dambo; thence along the southern and western edges of this dambo in a westerly and

north-easterly direction for a distance of 3,169.9 metres to B.P.10; thence along a cut line on a bearing of 35 degrees for a distance of 640.1 metres to B.P.11; thence along the western edge of a dambo in a northerly direction for a distance of 5,974.7 metres to B.P.12 where this dambo crosses the main road to Mumbwa; thence downstream along the eastern bank of the Chimatutu Stream in a northerly direction for a distance of 3,657.6 metres to B.P.13 at its confluence with the Lunjofwa Stream; thence downstream along the east bank of the Lunjofwa Stream in a north-easterly direction for a distance of 9,144 metres to B.P.1, the point of starting.

All bearings, which refer to True North, and all distances are approximate.

The above described area, in extent 7,338.83 hectares approximately, is shown bordered green on Plan No. FR310 deposited in the office of the Surveyor-General, signed by him and dated 4th November, 1969.

LOCAL FOREST NO. P215: MAPANZA

*Statutory
Instruments
285 of 1968
66 of 1975*

Starting at the 51.49 kilometres peg situated on the south edge of the Mapanza-Pemba road, the boundary proceeds along a cut line on a bearing of 227 degrees for a distance of 1,005.84 metres to the edge of the dambo; thence along a cut line along the edge of the dambo on a bearing of 137 degrees for a distance of 1,097.3 metres to the edge of a thicket; thence along the north side of this thicket for a distance of 914.4 metres; thence along a cut line on a bearing of 37 degrees for a distance of 731.52 metres to the 49.88 kilometres peg on the south edge of the Mapanza-Pemba road; thence along the south side of this road in a north-westerly direction for a distance of 1,609.35 metres to kilometre peg 32, the point of starting.

All bearings, which refer to True North, and all distances are approximate.

The above described area, in extent approximately 171.2 hectares, is shown bordered green on Plan No. FR283, deposited in the office of the Surveyor-General, signed by him and dated 20th January, 1967.

NATIONAL FOREST NO. P216: MULOBOLA

Statutory

Starting at Beacon A where the Mulobola Mission Road crosses the Kabwibwi-Chinkowa footpath, the boundary follows this footpath in a northerly direction for a distance of 1,645.9 metres to Beacon 1; thence on a bearing of 133 degrees for a distance of 1,615.44 metres to Beacon 2; thence on a bearing of 41 degrees for a distance of 3,200.4 metres to Beacon 3; thence on a bearing of 313 degrees for a distance of 1,615.44 metres to Beacon 4; thence on a bearing of 49 degrees for a distance of 2,560.32 metres to Beacon C at the source of an unnamed tributary of the Lukulu River; thence on a cut line on a bearing of 109 degrees for a distance of 4,998.7 metres to Beacon D; thence on a cut line on a bearing of 199 degrees for a distance of 4,267.2 metres to Beacon E; thence on a cut line on a bearing of 135 degrees for a distance of 4,998.7 metres to Beacon F; thence on a cut line on a bearing of 219 degrees for a distance of 1,524 metres to Beacon G; thence on a cut line on a bearing of 257 degrees for a distance of 6,708.6 metres to Beacon H on the Mulobola Mission Road; thence up the eastern edge of this road in a north-westerly direction for a distance of 8,077.2 metres to Beacon A, the point of starting.

All bearings, which refer to True North, and all distances are approximate.

The above described area, in extent approximately 7,666.2 hectares, is shown bordered green on Plan No. FR285/1, deposited in the office of the Surveyor-General, signed by him and dated 18th May, 1967.

LOCAL FOREST NO. P217: SIKALETA

Starting at Beacon No. 1 situated on the east bank of the Sikaleta Stream, north of Shapuya Hills, the boundary runs along a cut line on a bearing of 68 degrees for a distance of 6,400.8 metres to Beacon No. 2; thence along a cut line on a bearing of 7 degrees for a distance of 4,693.9 metres to Beacon No. 3; thence along a cut line on a bearing of 60 degrees for a distance of 2,133.6 metres to Beacon No. 4; thence along a cut line on a bearing of 286 degrees for a distance of 7,315.2 metres to Beacon No. 5; thence along a cut line on a bearing of 226 degrees for a

distance of 1,097.3 metres to Beacon No. 6; thence along a cut line on a bearing of 286 degrees for a distance of 2,499.4 metres to Beacon No. 7; thence along a cut line on a bearing of 183 degrees for a distance of 4,572 metres to Beacon No. 8; thence along a cut line on a bearing of 247G degrees for a distance of 6,217.9 metres to Beacon No. 9; thence along a cut line on a bearing of 156 degrees for a distance of 6,217.9 metres to Beacon No. 10; thence along a cut line following the Shapula Stream on a bearing of 119 degrees for a distance of 3,261.4 metres to Beacon No. 11; thence along a cut line on a bearing of 160 degrees for a distance of 1,341.12 metres to Beacon No. 12; thence along a cut line on a bearing of 113 degrees for a distance of 5,181.2 metres to Beacon No. 13; thence along a cut line on a bearing of 327 degrees for a distance of 6,004.56 metres to Beacon No. 14; thence along a cut line on a bearing of 14 degrees for a distance of 2,377.4 metres to Beacon No. 1, the point of starting.

All bearings, which refer to True North, and all distances are approximate.

The above described area, in extent 12,348.6 hectares approximately, is shown bordered green on Plan No. FR17/2 deposited in the office of the Surveyor-General, signed by him and dated 12th November, 1968.

LOCAL FOREST NO. P218: CHITOPE

*Statutory
Instruments
189 of 1968
66 of 1975
127 of 1981*

Starting at Beacon 1 on the left bank of the Kaulungu Stream at a distance of 460 metres downstream from the dam wall, the boundary proceeds upstream, along the left bank of the Kaulungu Stream for a distance of 460 metres to the Kaulungu Dam wall; thence northwards along the Kaulungu Dam wall to its northernmost edge; thence along the Kaulungu Dam to a point where Chiyuni Stream enters the Kaulungu Dam; thence upstream along the left bank of Chiyuni Stream to Beacon 6 at the source of Chiyuni Stream; thence on a bearing of 266G degrees for a distance of 840 metres to Beacon 5; thence on a bearing of 290G degrees for a distance of 1,270 metres to Beacon 4; thence on a bearing of 350G degrees for a distance of 405 metres to Beacon 3; thence on a bearing of 86G degrees for a distance of 2,960 metres to Beacon 2; thence on a bearing of 176G degrees for a distance of 1,965 metres to Beacon 1, the point of starting.

All distances are approximate and all bearings are from true north.

The above described area, in extent 323 hectares approximately, is shown bordered green on Plan No. FR287/1, deposited in the office of the Surveyor-General, signed by him and dated 29th January, 1981.

LOCAL FOREST NO. P219: MUSHOTA

*Statutory
Instruments
50 of 1970
66 of 1975*

From Beacon No. B1 on the Mushota-Kawambwa Road, 1,368.55 metres approximately west of the junction of Mushota Road with the Fisaka Stream, the boundary follows on a true bearing of 351 degrees 30 minutes approximately for a distance of 1,627.6 metres approximately to Beacon No. B2.

Starting at Beacon No. B2, the boundary follows in a straight line on a true bearing of 261 degrees 30 minutes approximately for a distance of 603.5 metres approximately to Beacon No. B3; thence on a true bearing of 351 degrees 30 minutes approximately for a distance of 1,207 metres approximately to Beacon No. B4; thence on a true bearing of 81 degrees 30 minutes approximately for a distance of 804.7 metres approximately to Beacon No. B5; thence on a true bearing of 171 degrees 30 minutes approximately for a distance of 1,207 metres approximately to the Beacon No. B6; thence on a true bearing of 261 degrees 30 minutes approximately for a distance of 201.2 metres approximately to Beacon No. B2, the point of starting.

The above described area, in extent 97.13 hectares approximately, is shown bordered green on Plan No. FR308 deposited in the office of the Surveyor-General, signed by him and dated 5th May, 1969.

LOCAL FOREST NO. P220: KALUNGWISHI

*Statutory
Instruments
50 of 1970
66 of 1975*

Starting from a point 5.63 kilometres from Mununga Court on the Mununga-Munkombwe Road, the boundary follows on a true bearing of approximately 53G degrees for a distance of approximately 283.46 metres to Beacon No. C1, the point where the Local Forest boundary

commences; thence in a straight demarcated line on a true bearing of approximately 143G degrees for a distance of approximately 1,207 metres to Beacon No. C2; thence on a true bearing of approximately 53G degrees for a distance of approximately 804.7 metres to Beacon No. C3; thence on a true bearing of approximately 323G degrees for a distance of approximately 1,207 metres to Beacon No. C4; thence on a true bearing of approximately 233G degrees for a distance of approximately 804.7 metres to Beacon No. C1, the point of starting.

The above described area in extent 101.58 hectares approximately, is shown bordered green on Plan No. FR297 deposited in the office of the Surveyor-General, signed by him and dated 2nd September, 1968.

LOCAL FOREST NO. P221: KASESI

*Statutory
Instruments
50 of 1970
66 of 1975*

Starting at a point of intersection of the Kasesi River and the Zambezi-Kabompo Road, the boundary follows the northern edge of this road in a westerly direction to a point distant 5,181.6 metres approximately; thence to a point on a bearing of 5 degrees 30 minutes approximately for a distance of 1,828.8 metres approximately; thence to a point on the Kasei River on a bearing of 95 degrees 30 minutes approximately for a distance of 5,029.2 metres approximately thence down the Kasesi River for a distance of 3,048 metres approximately to the point of starting.

The above described area, in extent 1,080.55 hectares approximately, is shown bordered green on registered Plan No. FR304 deposited in the office of the Surveyor-General, signed by him and dated 14th October, 1968.

NATIONAL FOREST NO. P222: LUOMBWA

*Statutory
Instruments
189 of 1968
140 of 1970
158 of 1975*

Starting at a point where the Zambia-Zaire International Border crosses the Luombwa River, the boundary follows the said International Border in a northern direction for a distance of 19,050 metres; thence it runs in a straight line on a bearing of 64G degrees for a distance of 8,229.6 metres

to a point at the source of an unnamed tributary of the Nyamanda River; thence in a straight line on a bearing of 157 degrees for a distance of 4,724.4 metres to a point at the confluence of the Luombwa River and the Chimbwi River; thence along the north bank of the Luombwa River upstream in a general south-westerly direction for a distance of 9,662.2 metres to a point at the confluence of the Luombwa and Mpemba rivers; thence in a straight line on a bearing of 142G degrees for a distance of 2,438.4 metres to a point on the northern boundary of National Forest No. P21: Serenje; thence along the said boundary due south-west to a point of the Luombwa River; thence along the north bank of the said river upstream in a general south-westerly direction to the Zambia-Zaire International Border, the point of starting.

The above described area, in extent 14,885.67 hectares approximately is shown bordered green on Plan No. FR286/1 deposited in the office of the Surveyor-General, and signed by him and dated 2nd September, 1968.

NATIONAL FOREST NO. P223: CHABA EXTENSION

*Statutory
Instruments
399 of 1968
158 of 1975*

Starting at Beacon OH.218, the most south-easterly corner beacon of Local Forest No. 29: Chaba, the boundary follows the eastern boundary of the said Protected Forest Area through Beacon OH.217 to Beacon OH. 206, the north-easterly corner beacon of the said Local Forest; thence in a straight line on a bearing of 72 degrees for a distance of 5,669.3 metres to Beacon OH.215 on the western boundary of Farm No. 3544; thence along the western boundary of the said farm on a bearing of 156 degrees for a distance of 3,108.96 metres to Beacon OH.219, the south-western corner beacon of Farm No. 3544; thence in a straight line over the Mwansa Chawa Hills on a bearing of 254 degrees for a distance of 5,638.8 metres to corner Beacon OH.218, the point of starting.

The above described area, in extent approximately 1,707.8 hectares, is shown bordered green on Plan No. FR290, deposited in the office of the Surveyor-General, signed by him and dated 7th March, 1968.

LOCAL FOREST NO. P224: LUBA SOUTH

*Statutory
Instruments
50 of 1970
66 of 1975*

Starting at the confluence of the Nangoma and Nyamasengura rivers, the boundary proceeds upstream along the left bank of the latter river in a general north-easterly direction for a distance of 5,791.2 metres to a point where it is crossed by the northern boundary of Luba Reserve No. XXVI; thence along the reserve boundary in an easterly direction to the source of an unnamed tributary of the Kachereka River; thence down the right bank of this tributary to its confluence with the Kachereka River; thence down the right bank of this river for a distance of 2,133.6 metres to a point where it is joined by a small tributary from the south; thence up the left bank of this tributary to its source; thence in a straight line on a true bearing of 175 degrees for a distance of 6,400.8 metres to a point on an unnamed tributary of the Namatonga River; thence down the right bank of this tributary to its confluence with the Namatonga River; thence up the left bank of this river to its source; thence in a straight line on a true bearing of 255 degrees for a distance of 3,048 metres to the Nangoma River; thence down the right bank of this river to its confluence with the Nyamasengura River, the point of starting.

The above described area, in extent 21,052.5 hectares approximately, is shown bordered green on Plan FR291 deposited in the office of the Surveyor-General, signed by him and dated 11th June, 1968.

LOCAL FOREST NO. P225: LUBA NORTH

*Statutory
Instruments
400 of 1968
66 of 1975*

Starting at a point where the northern boundary of the Customary Land No. XXVI crosses the Nyamasengura River, the boundary proceeds upstream along the left bank of this river for a distance of 4,076.8 metres to its confluence with an unnamed tributary; thence up the left bank of this tributary in a general north-easterly direction for a distance of 3,840.5 metres to its source; thence in a straight line on a true bearing of 30 degrees for a distance of 4,500 feet to a point on the Mumbwa/Kaoma Road; thence along the southern edge of this road in a south-easterly direction for a distance of 8,930.6 metres; thence in a straight line on a true bearing of 160 degrees for a distance of 822.96 metres to the source of the Kachereka River; thence down the right bank of this river in a general southerly direction for a distance of 2,133.6 metres to the point where it meets the northern boundary of the Customary Land No. XXVI; thence in a straight line along the reserve boundary in a westerly direction for a distance of 16,764 metres to the Nyamasengura River, the point of starting.

The area described above, in extent 4,811.9 hectares approximately, is shown bordered green on Plan No. FR292, deposited in the office of the Surveyor-General, signed by him and dated 11th June, 1968.

LOCAL FOREST NO. P226: KASANGA

*Statutory
Instruments
50 of 1970
66 of 1975
33 of 1981*

Starting at Beacon 1 on the right bank of the Kasanga Stream and 10,000 metres from the confluence of the Lukanga and the Kafue Rivers, the boundary proceeds in a straight line on a bearing of 270 degrees for a distance of 10,100 metres to Beacon 2; thence in a straight line on a bearing of 01 degree for a distance of 3,000 metres to Beacon 3 on the left bank of the Nankange Stream; thence up this stream on the left bank to Beacon 4; thence in a straight line on a bearing of 46 degrees for a distance of 7,600 metres to Beacon 5 at the head of the Kasanga Stream; thence down that stream to Beacon 1, the point of starting.

All distances are approximate and all bearings are from true north.

The above described area in extent 9,250 hectares approximately, is shown bordered green on Plan No. FR293/1, deposited in the office of the Surveyor-General, signed by him and dated 18th December, 1980.

LOCAL FOREST NO. P227: MWAMBA

*Statutory
Instruments
400 of 1968
66 of 1975*

Starting at Beacon 1 at the confluence of the Lufuti and Michinka streams, the boundary proceeds along a cut line on a true bearing of 163 degrees 10 minutes for a distance of 5,182.73 metres to Beacon 2; thence along a cut line on a true bearing of 273 degrees 10 minutes for a distance of 1,645.9 metres to Beacon 3; thence along a cut line on a true bearing of 188 degrees 10 minutes for a distance of 3,962.1 metres to Beacon 4; thence along a cut line on a true bearing of 248 degrees 10 minutes for a distance of 4,861 metres to Beacon 5 on the Luombe River; thence along the right bank of this river in a northerly direction to Beacon 6 at the confluence of the Luombe River and the Lufuti Stream; thence along the latter in an easterly direction to Beacon 1, the point of starting.

The area described above, in extent 5,040.13 hectares approximately, is shown bordered green upon Plan No. FR294, deposited in the office of the Surveyor-General, signed by him and dated 29th April, 1968.

NATIONAL FOREST NO. P228: MUNWA

*Statutory
Instruments
400 of 1968
158 of 1975*

Starting at Beacon A at the confluence of the Munwa River and the Chisafwa Stream, the boundary proceeds along a cut line on a true bearing of 148 degrees for a distance of 8,012 metres to Beacon B on the Moboshi Stream; thence along the Moboshi Stream for a distance of 15,270.5 metres to Beacon C; thence along a cut line on a true bearing of 85 degrees for a distance of 3,664.9 metres to Beacon D on the Chilufya Road; thence along the Chilufya Road for a distance of 4,724.88 metres to Beacon E; thence along a cut line on a true bearing of 306 degrees for a distance of 4,572 metres to Beacon F; thence along a cut line on a true bearing of 351 degrees for a distance of 91.44 metres to Beacon G close to the point at which an unnamed stream joins the Munwa River; thence along the left bank of the Munwa River for a distance of 27,432 metres to Beacon A, the point of starting.

The area described above, in extent 18,532.8 hectares approximately, is shown bordered green upon Plan No. FR295, deposited in the office of the Surveyor-General, signed by him and dated 29th April, 1968.

LOCAL FOREST NO. P229: MAKASA

*Statutory
Instruments
400 of 1968
66 of 1975*

Starting at Beacon 1 on the old Chiponde Road, the boundary proceeds along a cut line on a bearing of 14 degrees for a distance of 3,955.7 metres to Beacon 2; thence along a cut line on a true bearing of 309 degrees for a distance of 3,106.2 metres to Beacon 3 on the Luchewe Stream; thence along the left bank of the Luchewe Stream for a distance of approximately 3,685.03 metres to Beacon 4 at its source; thence a cut line on a true bearing of 166 degrees for a distance of 8,336.6 metres to Beacon 5; thence along a cut line on a true bearing of 86 degrees for a distance of 1,932.13 metres to Beacon 6 on the old Chiponde Road; thence along this road in a northerly direction for a distance of

approximately 2,986.4 metres to Beacon 1, the point of starting.

The area described above, in extent 3,740.23 hectares approximately, is shown bordered green upon Plan No. FR296, deposited in the office of the Surveyor-General, signed by him and dated 29th April, 1968.

NATIONAL FOREST NO. P230: MACHINJE HILLS

*Statutory
Instruments
50 of 1970
158 of 1975*

Starting at the beacon on the south bank of the Lukuzye River opposite the foot of the Nyani Falls, the boundary follows the Lukuzye River in a south-easterly direction for a distance of 31,863.8 metres approximately to the beacon erected on the south bank of the river (beacon on a bearing of 35 degrees approximately and a distance of 3,057.18 metres approximately from the source of the Pasara Stream); thence in a southerly direction on a demarcated line on a bearing of 187 degrees approximately and a distance of 1,609.36 metres approximately to a beacon erected near the Mwandanka to Musumba path; thence in a westerly direction on a demarcated line on a bearing of 245 degrees approximately for a distance of 1,828.8 metres approximately to a beacon erected at the source of the Pasara Stream; thence down the Pasara Stream to its junction with the Mwatezi River; thence down the Mwatezi River for a distance of 16,093.44 metres approximately to a beacon erected on the west bank of that river source 152.4 metres approximately upstream of the junction of the Mwatezi River and the Kamuchele Stream, thence to a beacon on a demarcated line on a bearing of 254 degrees approximately and a distance of 8,229.6 metres approximately; thence to a beacon on a demarcated line on a bearing of 241 degrees approximately and a distance of 12,131.04 metres approximately to the north bank of the Msandile River; thence following the north bank of this river in a north-westerly direction for a distance of 2,895.6 metres approximately to a beacon; thence to a beacon on a demarcated line on a bearing of 39 degrees approximately and a distance of 14,264.64 metres approximately; thence to a beacon on a demarcated line on a bearing of 53 degrees approximately and a distance of 36,271.2 metres approximately; thence to a beacon on a demarcated line on a bearing of 16 degrees approximately and a distance of 1,828.8 metres approximately to the point of starting.

The area described above, in extent 72,963.363 hectares approximately, is shown bordered green on Plan No. FR298 deposited in the office of the Surveyor-General, signed by him and dated 15th November, 1968.

LOCAL FOREST NO. P231: LUMIMBA

*Statutory
Instruments
50 of 1970
66 of 1975*

Starting at Lumimba Mission, the boundary follows a demarcated line on a true bearing of 15 degrees approximately for a distance of 14,821.08 metres approximately to a beacon on the south bank of the Kapalanga Stream; thence along the south bank of this stream in an easterly direction for a distance of 9,090.9 metres approximately to a beacon; thence on a demarcated line on a true bearing of 185 degrees approximately for a distance of 12,129 metres approximately to a beacon on the north side of the track running from Lumimba Mission to Lundazi; thence along the north side of this track in a generally westerly direction for a distance of 10,012.7 metres approximately to Lumimba Mission, the point of starting.

The area described above, in extent 10,117.5 hectares approximately, is shown bordered green on Plan No. FR299 deposited in the office of the Surveyor-General, signed by him and dated 27th September, 1968.

LOCAL FOREST NO. P232: NJOVU

*Statutory
Instruments
50 of 1970
66 of 1975*

Starting at a beacon on the north bank of the Mwasauka Stream, some 1.15824 kilometres eastwards of the confluence of this stream and the Luangwa River, the boundary follows a demarcated line on a true bearing of 55 degrees 30 minutes approximately for a distance of 6,995.2 metres approximately to a beacon on the south bank of the Lukuzye River; thence along the south bank of this river in a generally easterly direction for a distance of 3,383.3 metres approximately to a beacon; thence on a demarcated line on a true bearing of 99 degrees 30 minutes approximately for a distance of 2,084.8 metres approximately to a beacon on the south bank of the Lukuzye River; thence on a demarcated line on a true bearing of 122 degrees approximately for a distance of 11,064.2 metres approximately to a beacon on the west bank of the Lukuzye River; thence on a demarcated line on a true bearing of 219 degrees approximately for a distance of 10,817.35 metres approximately to a beacon on the Chipata District/Lundazi District boundary; thence along this boundary on a demarcated line on a true bearing of 286 degrees 30 minutes approximately for a distance of

7,900.4 metres approximately to a beacon at the junction of the Chipata District/Lundazi District boundary and the eastern boundary of the Nsefu Game Reserve; thence along the eastern boundary of the Nsefu Game Reserve on a demarcated line on a true bearing of 326 degrees approximately for a distance of 10,268.7 metres approximately to a beacon on the Mwasauka Stream, the point of starting

The area described above, in extent 14,020.8 hectares approximately, is shown bordered green on Plan No. FR300 deposited in the office of the Surveyor-General, signed by him and dated 28th September, 1968.

LOCAL FOREST NO. P233: MPOTO

*Statutory
Instruments
50 of 1970
66 of 1975*

Starting at the south-east corner of the area which is marked by a beacon whose position is on a true bearing of 301 degrees 30 minutes approximately at a distance of 2,621.3 metres approximately from Pendwe Village, the boundary runs from this beacon on a demarcated line on a true bearing of 283 degrees 30 minutes approximately for a distance of 3,073.6 metres approximately to a beacon; thence to a beacon on a demarcated line on a true bearing of 8 degrees approximately for a distance of 5,042.6 metres approximately; thence to a beacon on a demarcated line on a true bearing of 73 degrees 30 minutes approximately for a distance of 3,138.22 metres approximately; thence to a beacon on a demarcated line on a true bearing of 177 degrees approximately for a distance of 3,379.2 metres approximately; thence to a beacon on a demarcated line on a true bearing of 196 metres approximately for a distance of 3,380.2 metres approximately to the point of starting.

The area described above, in extent 2,023.5 hectares approximately, is shown bordered green on Plan No. FR301 deposited in the office of the Surveyor-General, signed by him and dated 28th September, 1968.

Block A

Starting at Beacon A on the western side of the road running southwards from Mushota School and approximately 8.85 kilometres from that school, the boundary follows a track in a south-westerly direction for a distance of approximately 2,103.1 metres to Beacon B; thence in a straight line on a true bearing of approximately 301 degrees for a distance of approximately 1,828.8 metres to Beacon C; thence in a

straight line on a true bearing of approximately 35 degrees for a distance of approximately 2,377.4 metres to Beacon D; thence in a straight line on a true bearing of approximately 132 degrees for a distance of approximately 2,011.68 metres to Beacon A, the point of starting.

Block B

Starting at Beacon A on the eastern side of the road running southwards from Mushota School and approximately 12 kilometres from that school, the boundary proceeds in a straight line on a true bearing of approximately 85 degrees for a distance of approximately 2,468.9 metres to Beacon B; thence in a straight line on a true bearing of approximately 171 degrees for a distance of approximately 5,212.1 metres to Beacon C; thence in a straight line on a true bearing of approximately 260 degrees for a distance of approximately 1,097.3 metres to Beacon D on the eastern side of the road running from Mushota School; thence along that road in a north-westerly and northerly direction for a distance of approximately 5,486.4 metres to Beacon A, the point of starting.

Block C

Starting at Beacon A on the western bank of the Lufubu River approximately 7.24 kilometres south-west of Chibote Mission, the boundary proceeds in a straight line on a true bearing of approximately 308 degrees for a distance of approximately 3,017.5 metres to Beacon B; thence in a straight line on a true bearing of approximately 347 degrees for a distance of approximately 3,291.84 metres to Beacon C; thence in a straight line on a true bearing of approximately 271 degrees for a distance of 3,744.04 metres to Beacon D; thence in a straight line on a true bearing of approximately 344 degrees for a distance of approximately 2,926.1 metres to Beacon E; thence in a straight line on a true bearing of approximately 146 degrees for a distance of approximately 4,023.4 metres to Beacon G; thence in a straight line on a true bearing of approximately 183 degrees for a distance of approximately 2,743.2 metres to Beacon A, the point of starting.

The above described areas, Block A in extent 461.36 hectares approximately, Block B in extent 1,082.17 hectares approximately and Block C in extent 1,914.636 hectares approximately, are shown bordered green on Plan No. FR317 deposited in the office of the Surveyor-General, signed by him and dated 14th August, 1970.
