| <b>3.</b> No person shall, without a licence, do any of the following acts in the said area:<br><br>(a) fell, cut, take, work, burn, injure or remove any forest produce;<br><br>(b) squat, reside, build any hut or livestock enclosure, construct or re-open any saw-pit or road;<br><br>(c) fire any grass or undergrowth or light or assist in lighting any fire or allow any fire lighted by himself or his servants to enter the said area;<br><br>(d) graze livestock or allow livestock to trespass; | Prohibition of<br>unlicensed acts |

- (e) clear, cultivate or break up land for cultivation or other purposes;
- (f) enter or be in or upon-
  - (i) the said area while in possession of any implement for the cutting, taking, working or removal of forest produce unless he be a *bona fide* traveller upon a road or path in the said area; or
  - (ii) the said area or portion thereof, in any manner or for any purpose contrary to any order made by the Chief Forest Officer and published in the *Gazette*.

## SCHEDULE

### LOCAL FOREST NO. P340: SHILI PLANTATION

Starting at Beacon SH1, a point 3 kilometres east of Mporokoso on the Kambabe Road (Old Kasama Road) 600 metres east of its junction with the 1972 Mporokoso-Kasama road the boundary follows a cut line of 95 degrees for a distance of 1,220 metres to Beacon SH4; thence on a cut line of 185 degrees for a distance of 1,220 metres to Beacon SH3; thence on a cut line of 275 degrees for a distance of 1,220 metres to Beacon SH2; thence on a bearing of 5 degrees for a distance of 1,220 metres to Beacon SH1, the point of starting.

All distances and bearings are approximate and all bearings are magnetic.

The above-described area, in extent 148 hectares approximately, is shown bordered green on Plan No. 404, deposited in the office of the Surveyor-General, signed by him and dated 19th February, 1973.
